MIKE - 32

Ah, Mike...

Originally, Mike was supposed to be more anxious through the story... but I felt like that could've been insensitive to people who actually had anxiety.

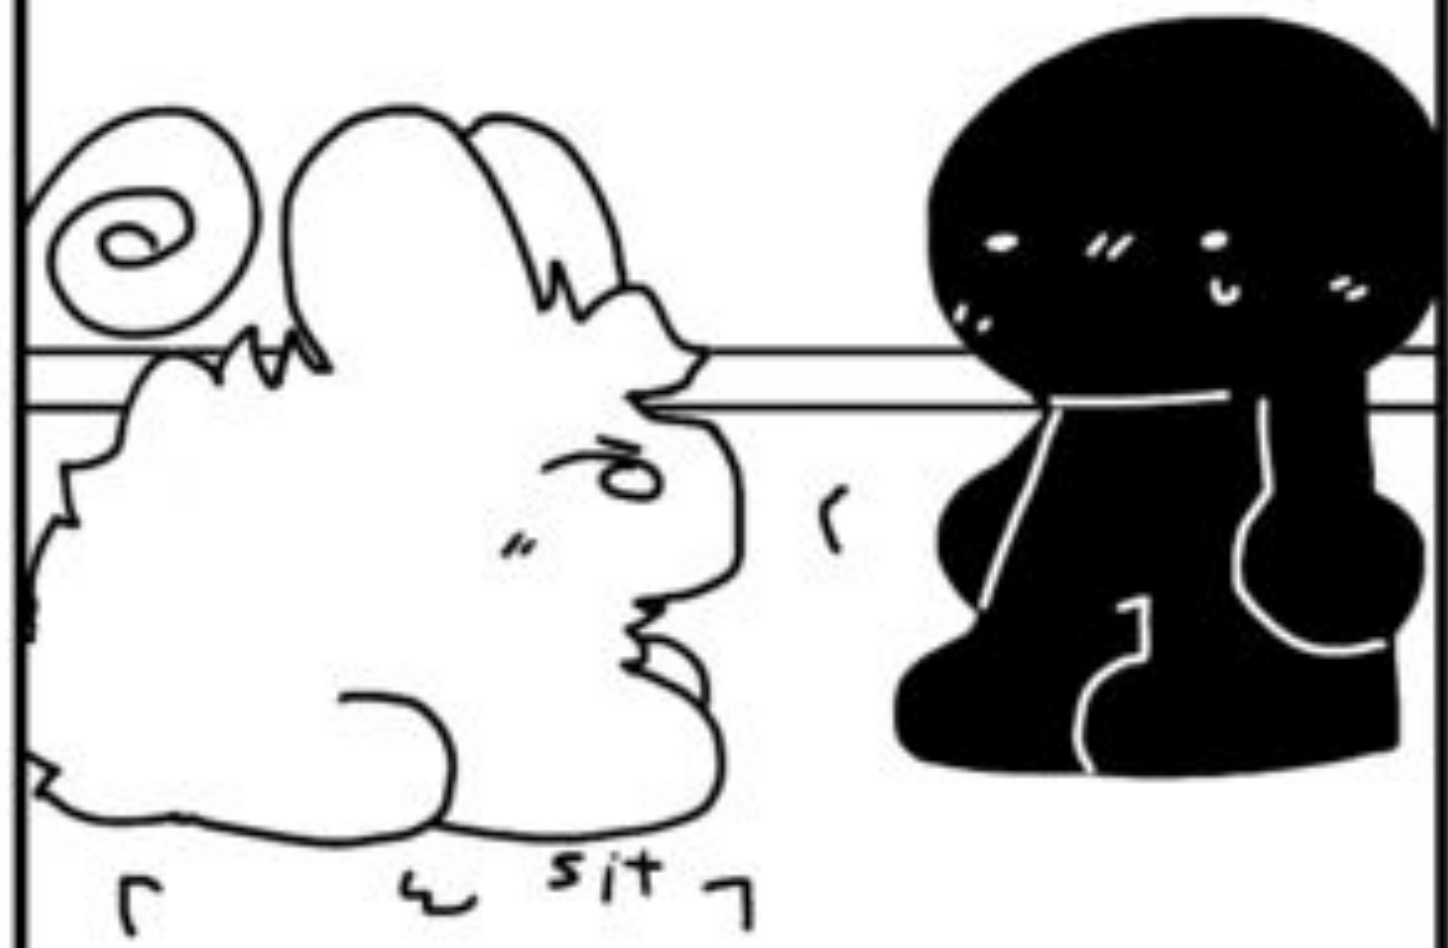

I made him after caretaker was made... so he was probably the 5th character made for Hue.

Originally, he was a mix of Randy Jade from dialtown, Kobeni from chainsaw man, and some other characters I forgot...

OLD ART

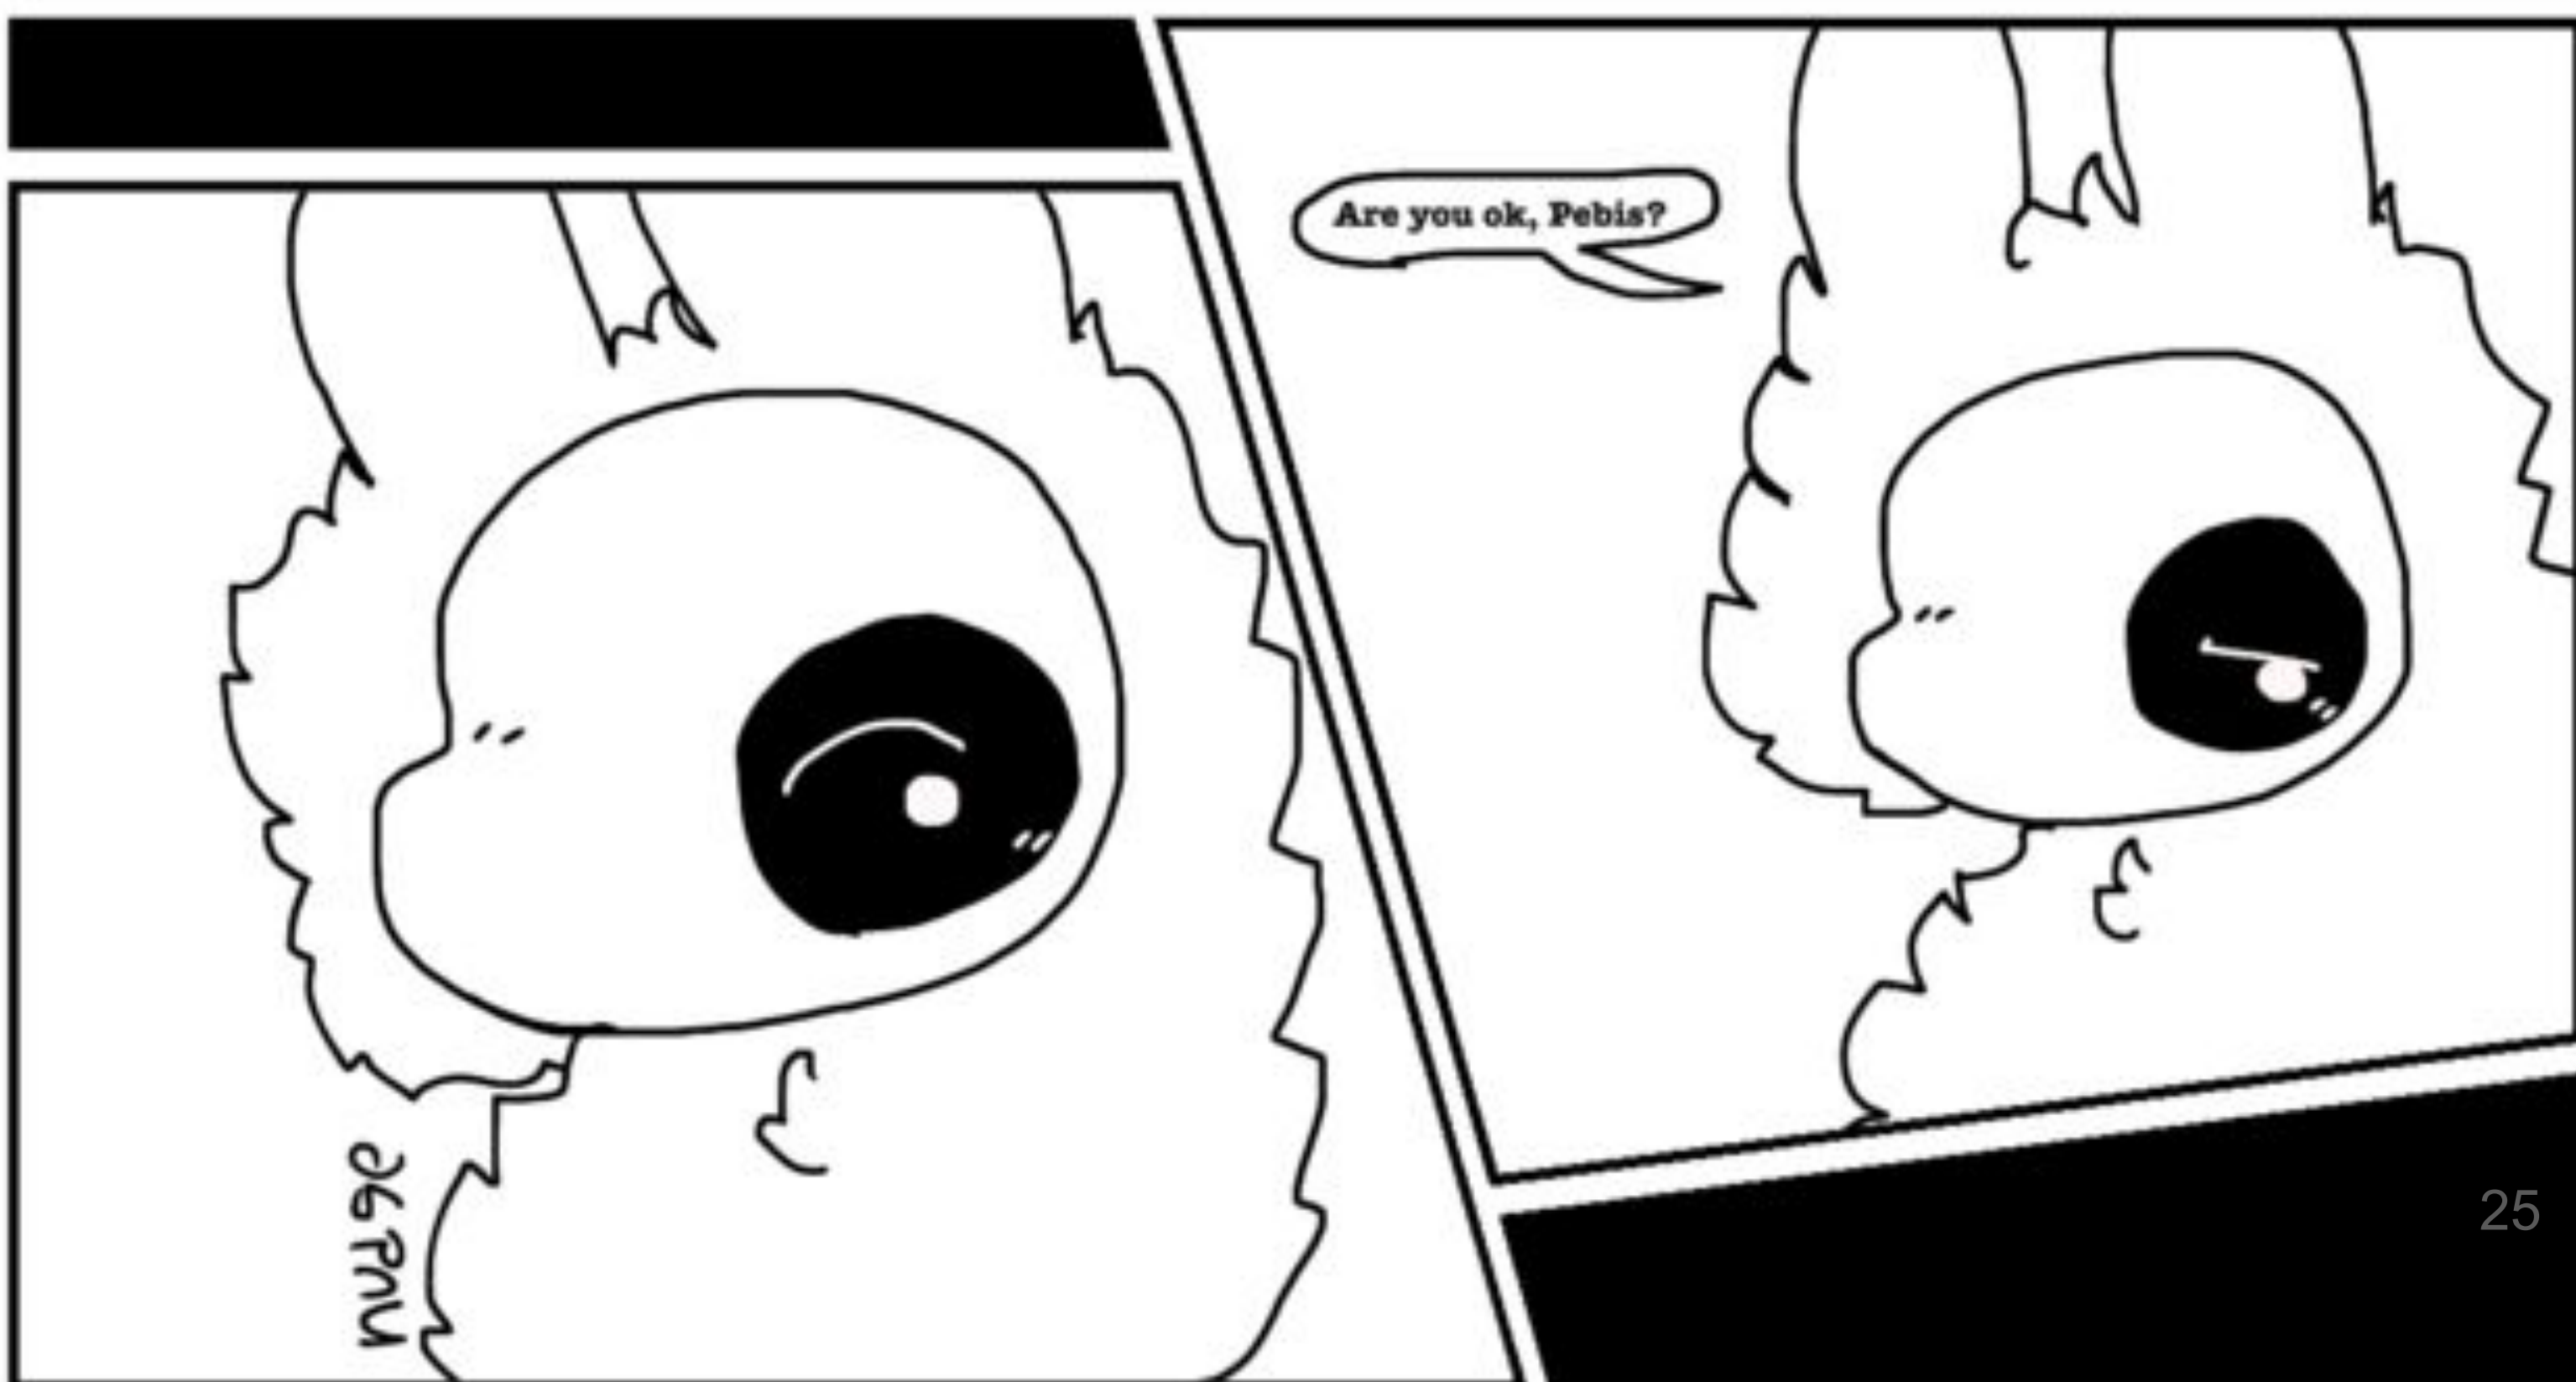

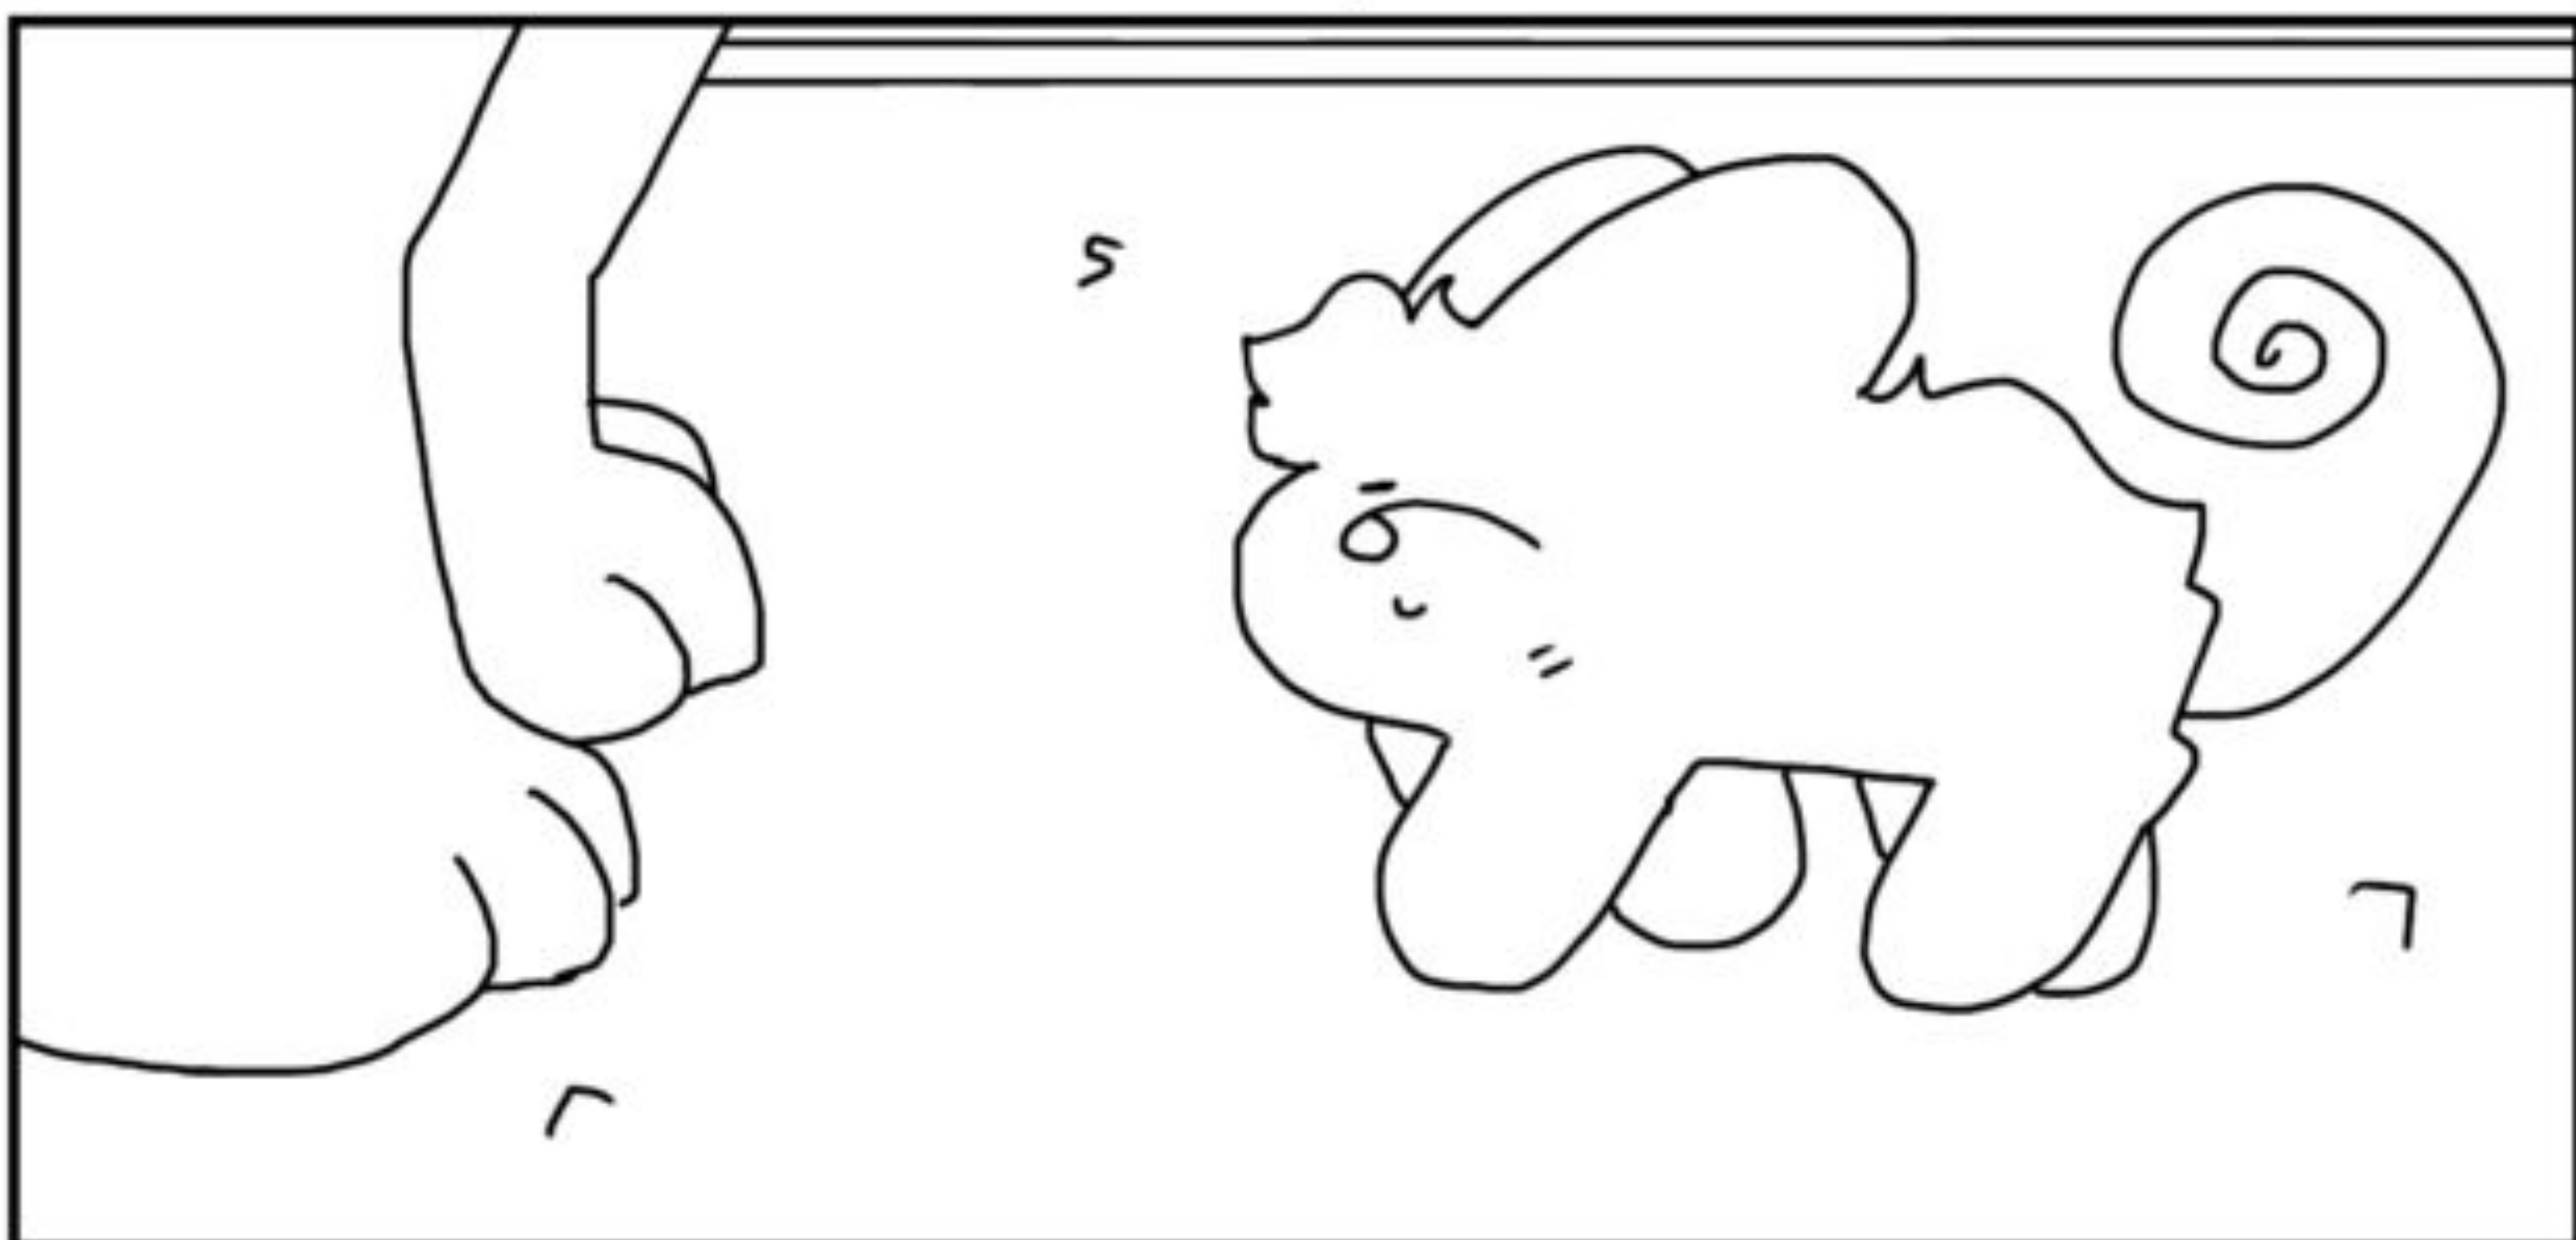

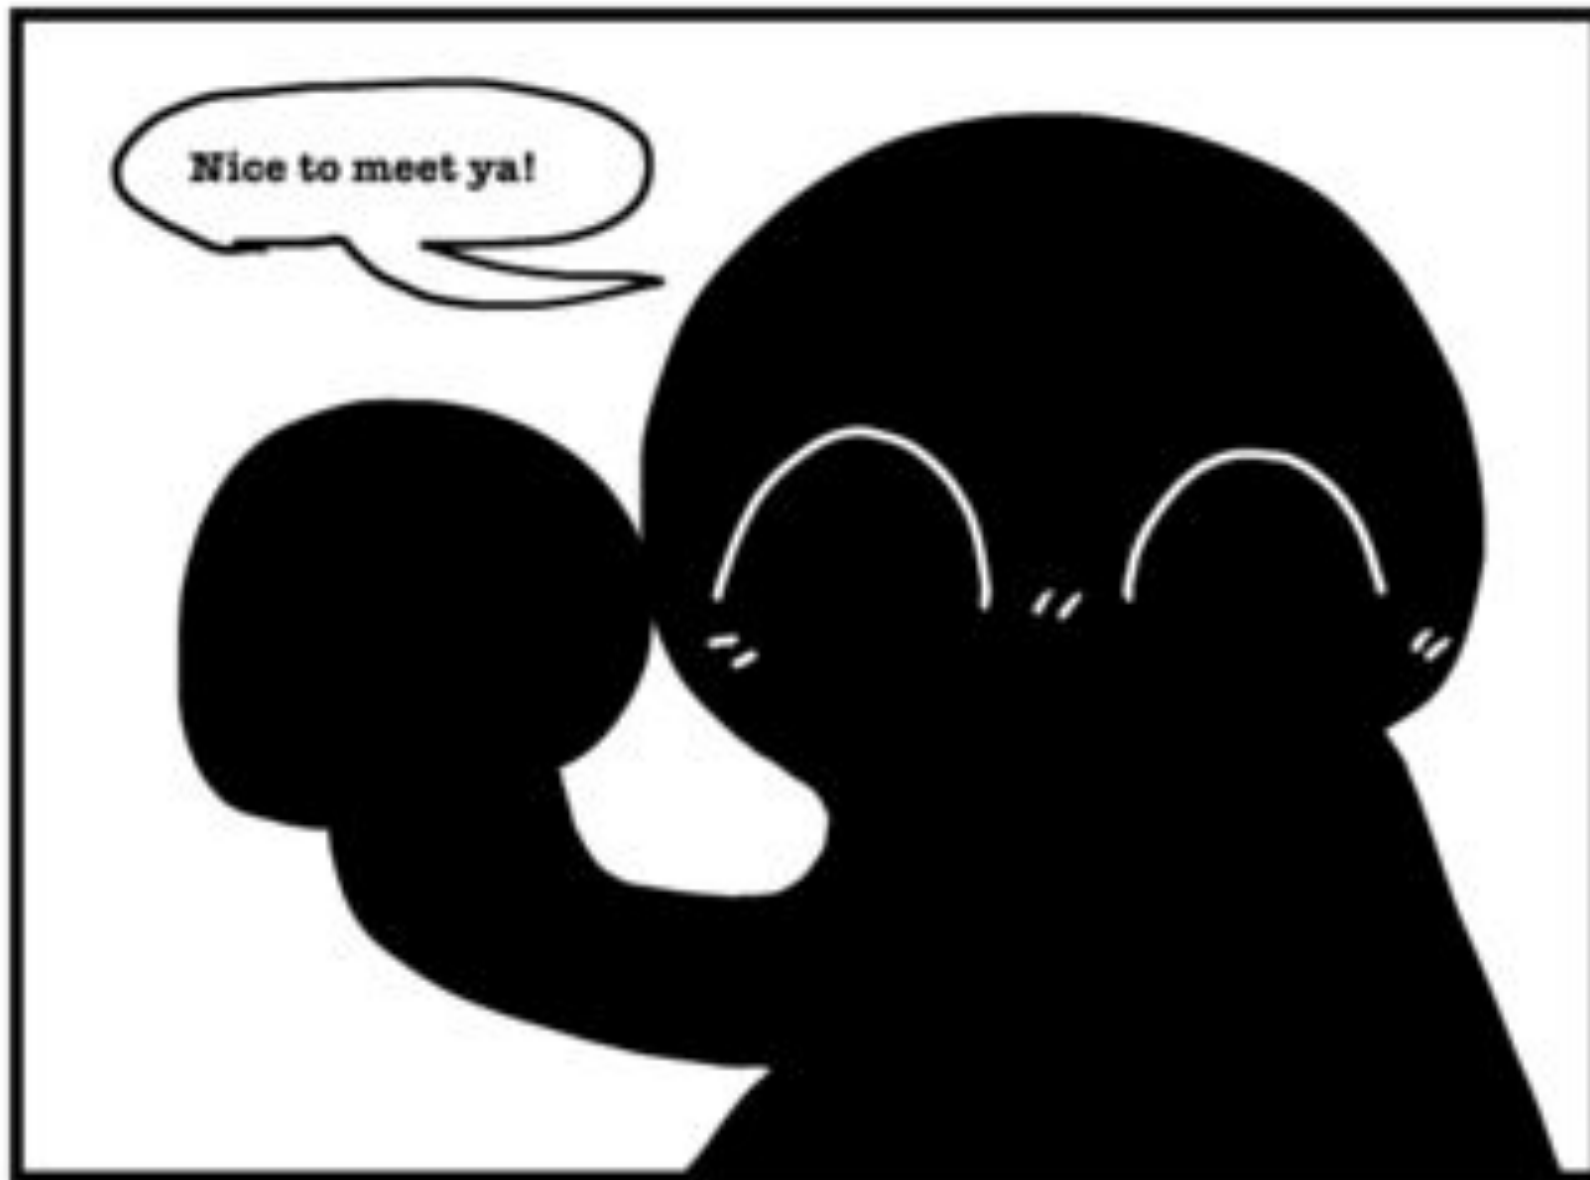

Hm... Hestos...

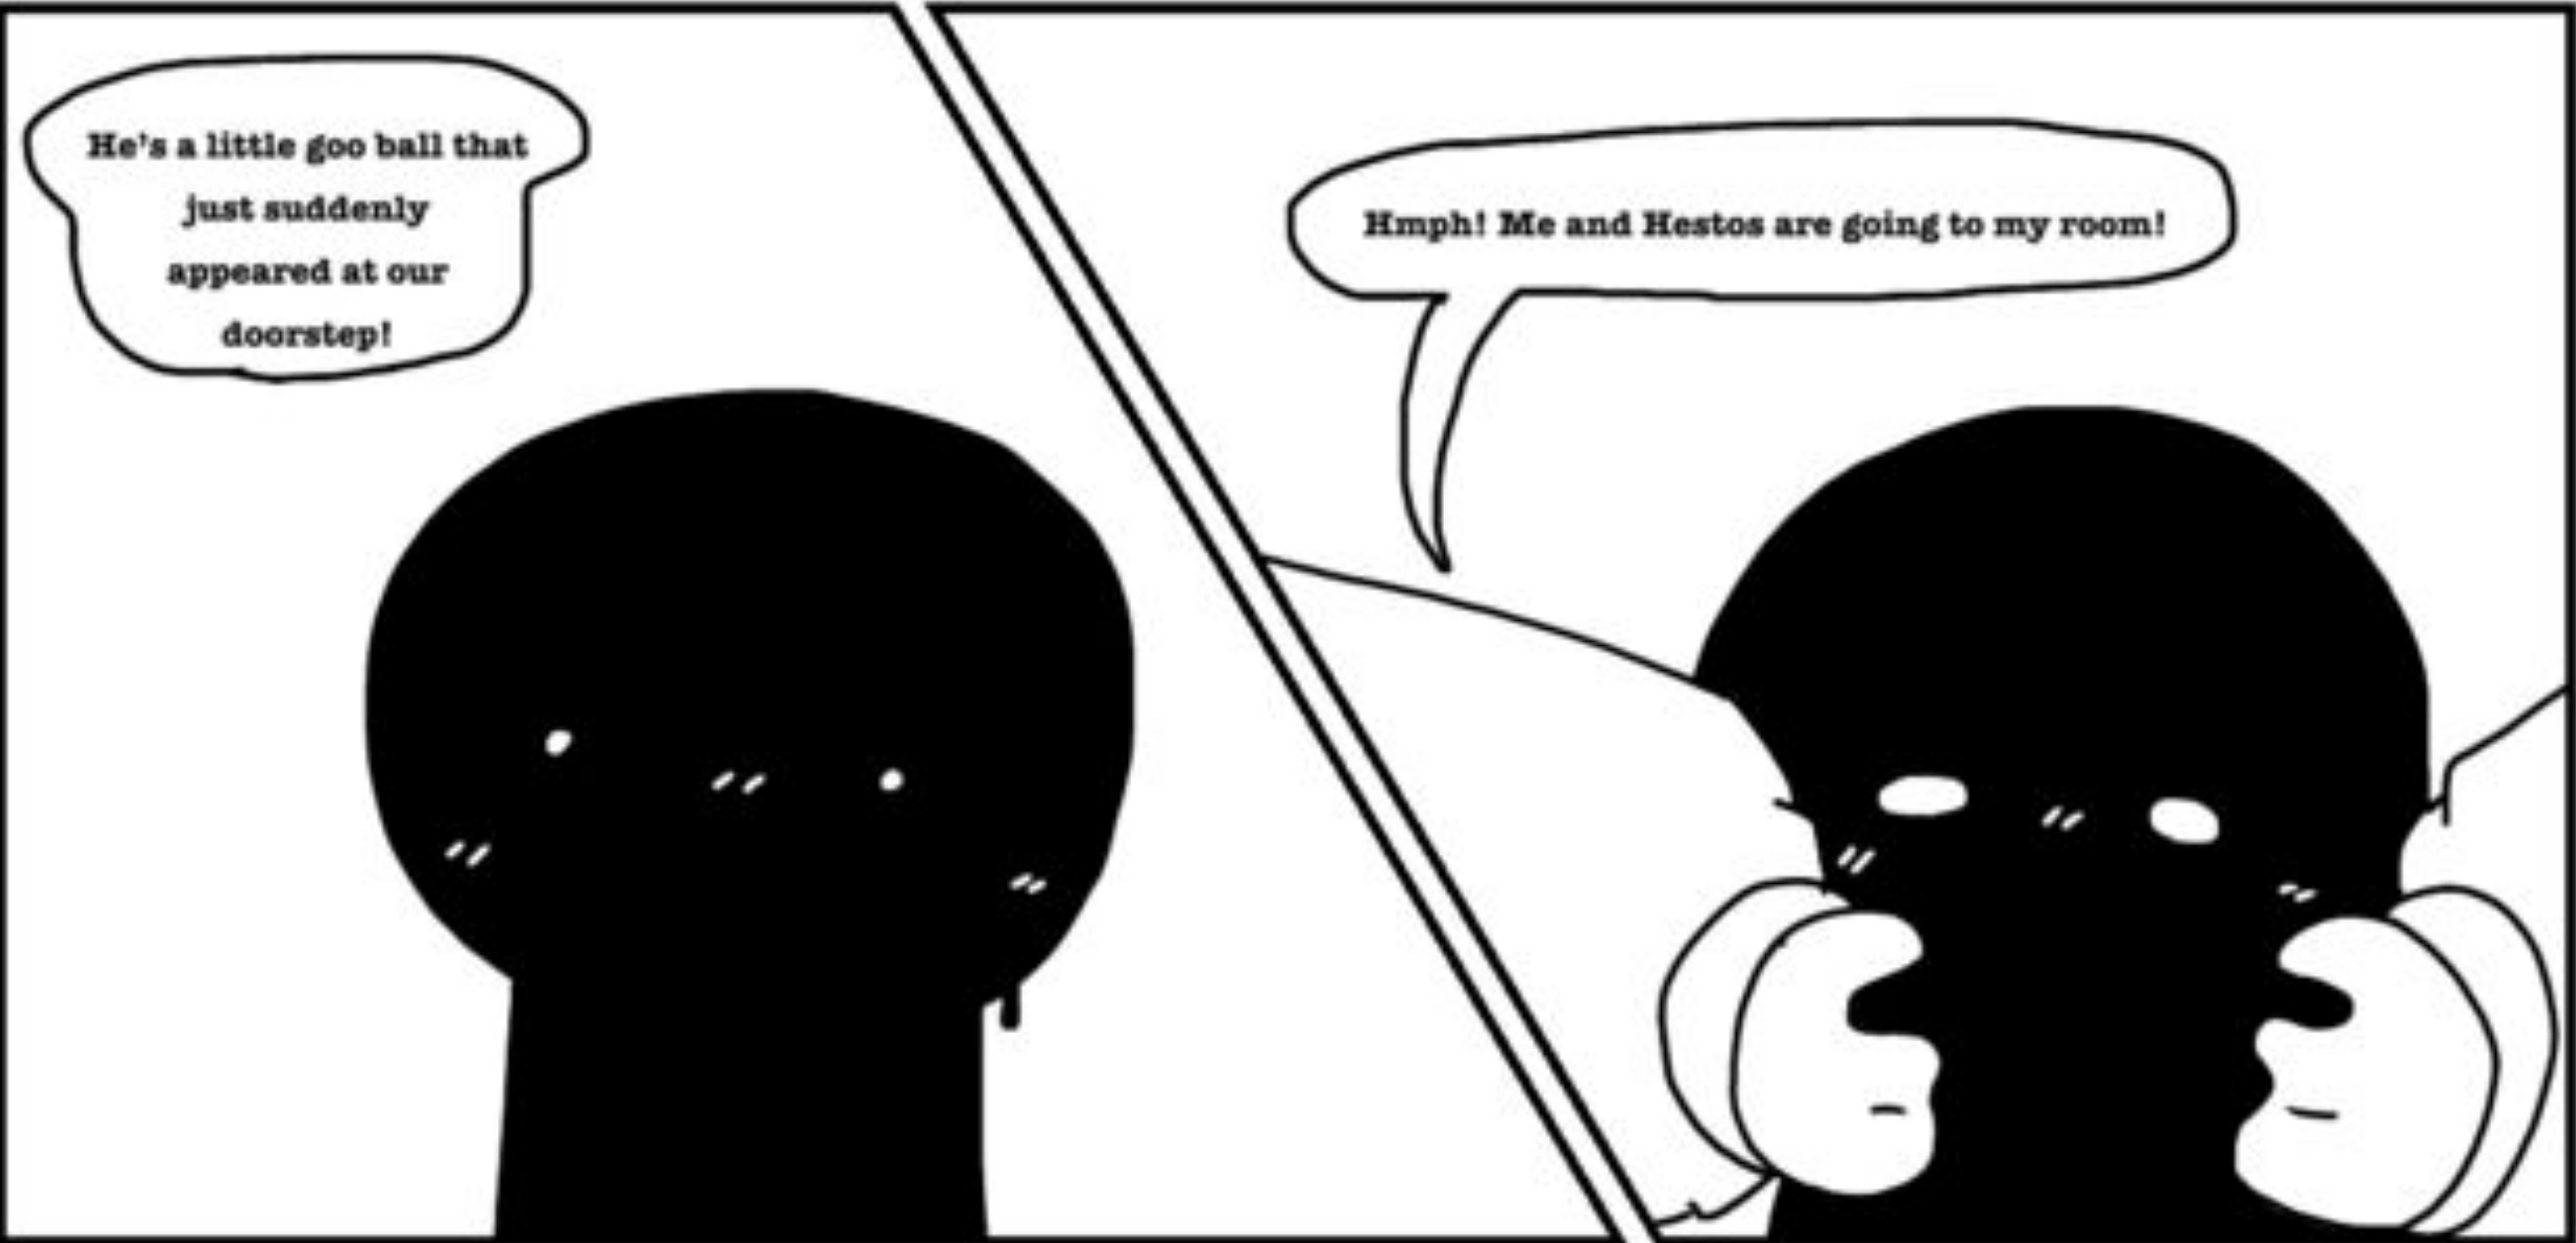

What...

Evan's room...

Ugh... guardian can

It's fine...

It's called "loiter squad".
Wanna watch?

was absolutely awful...

shows I like...

Cuz they're boring...

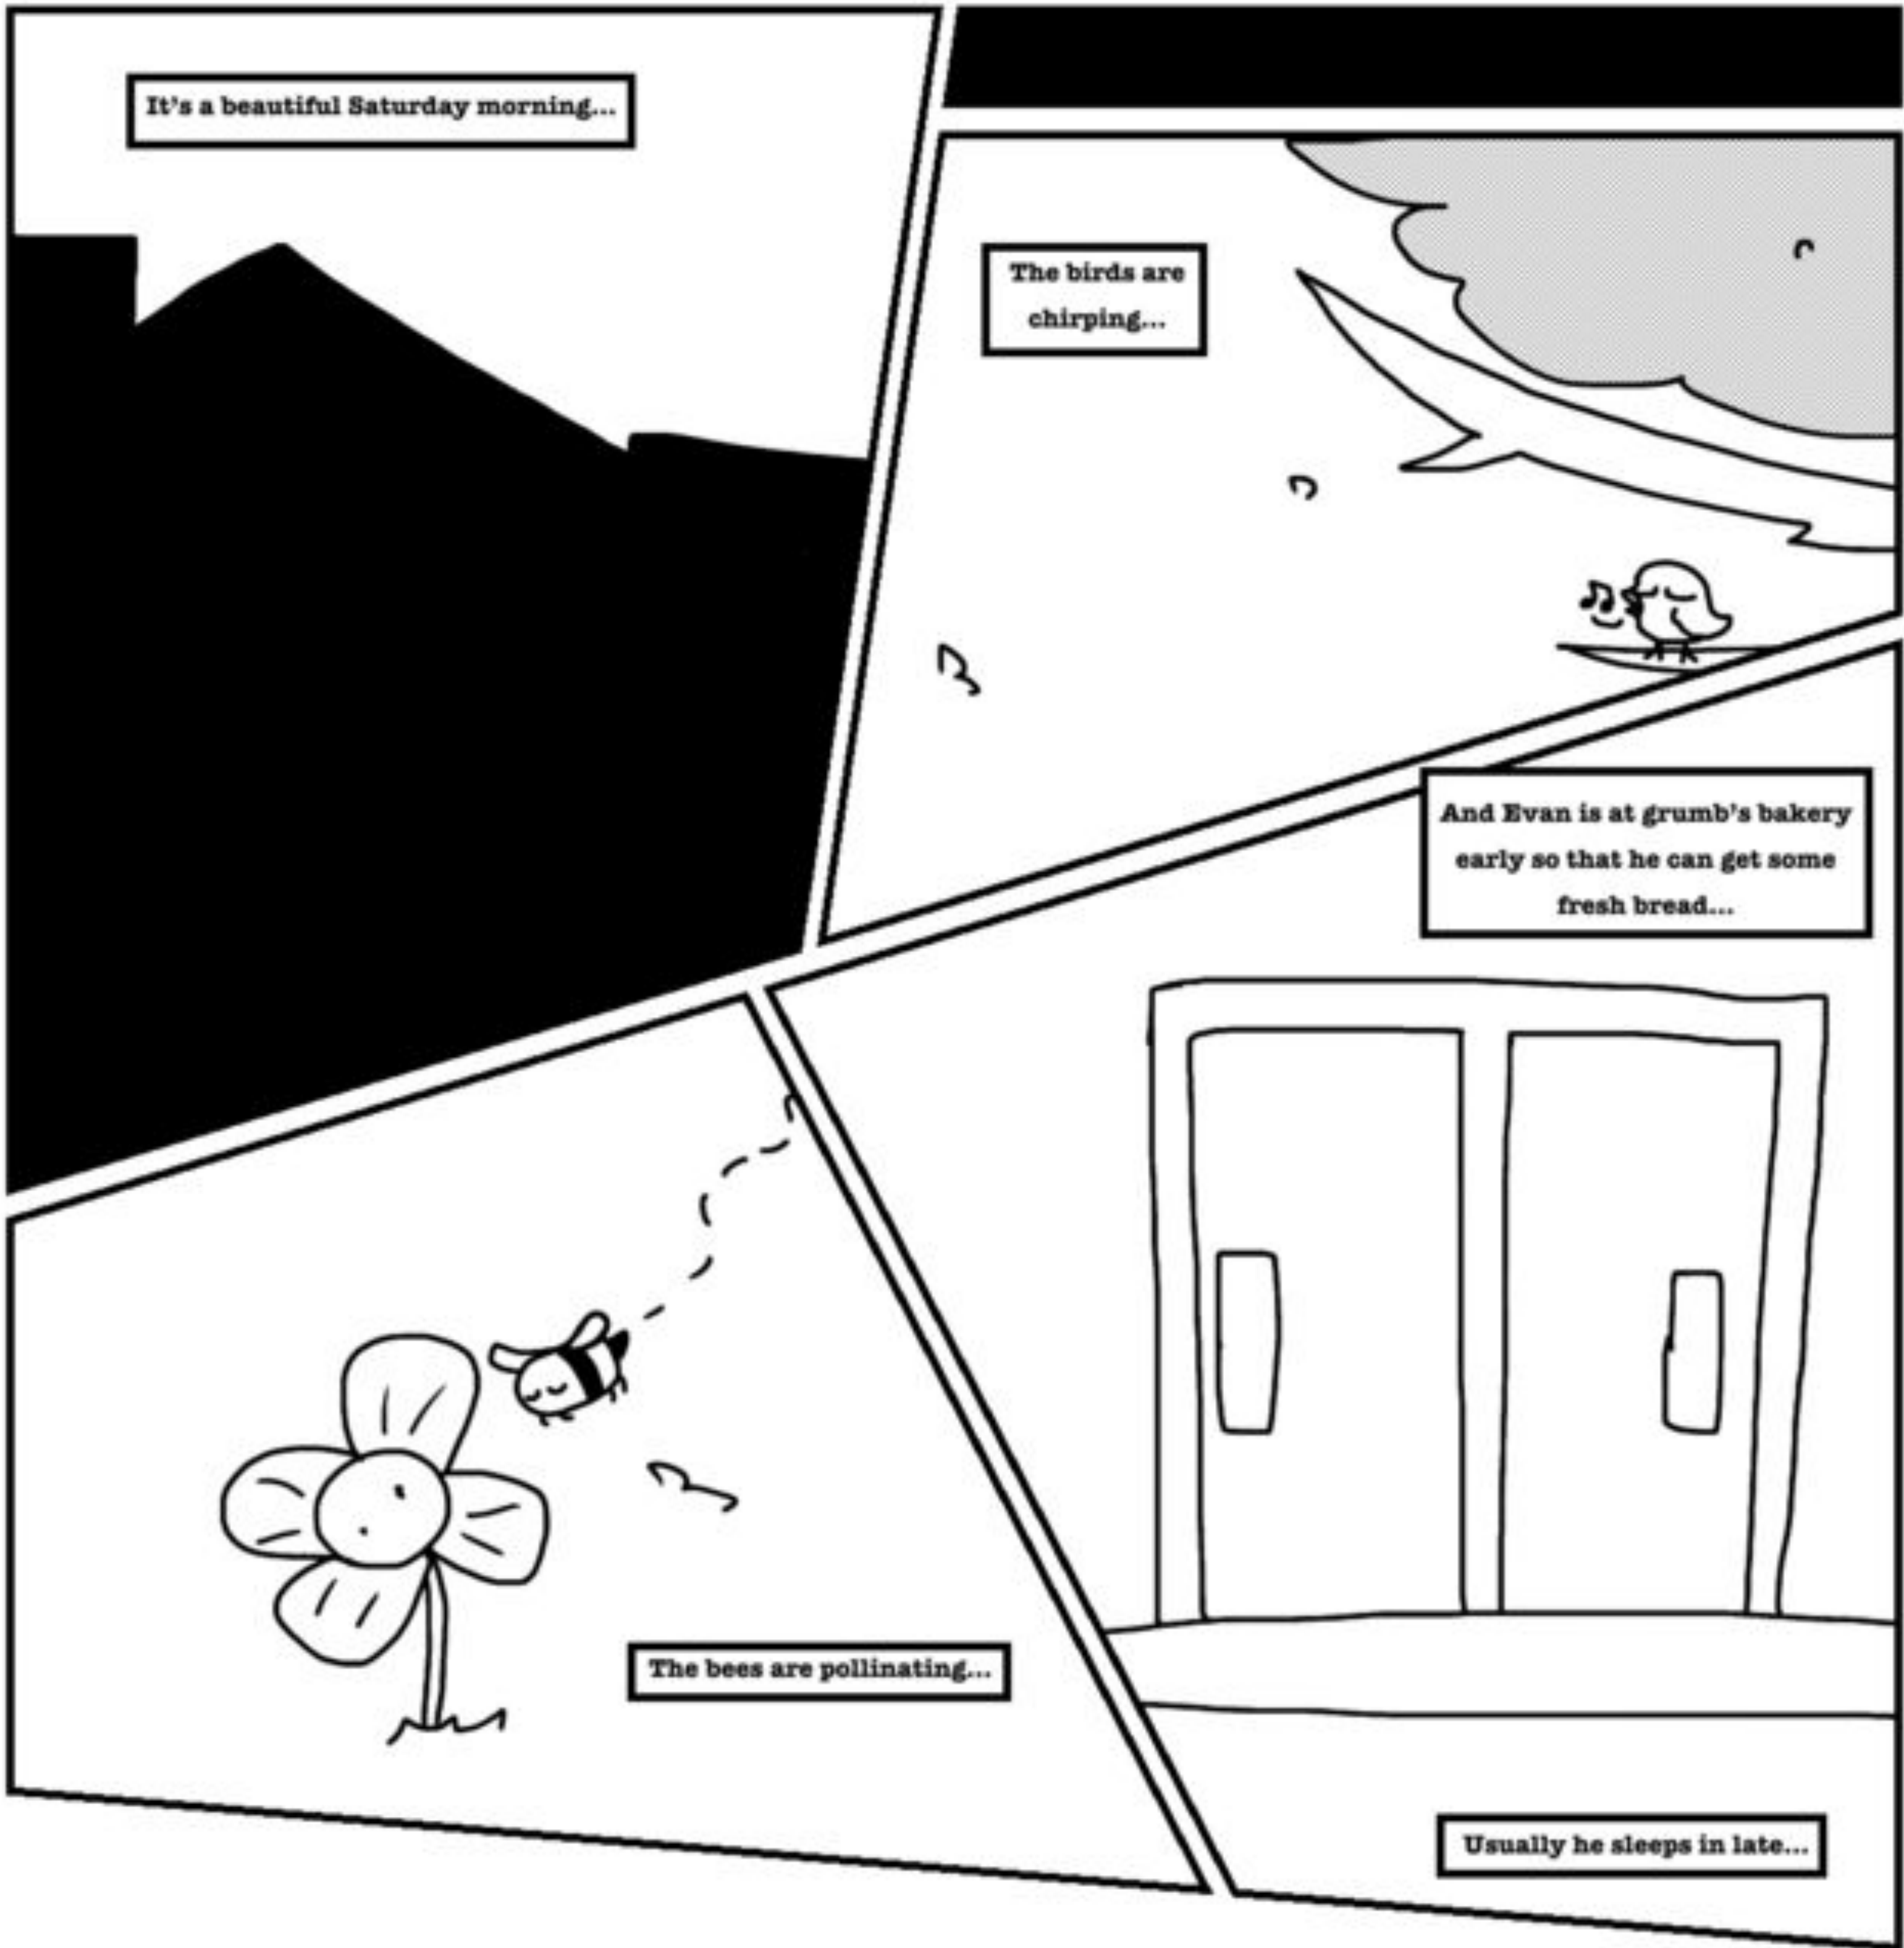

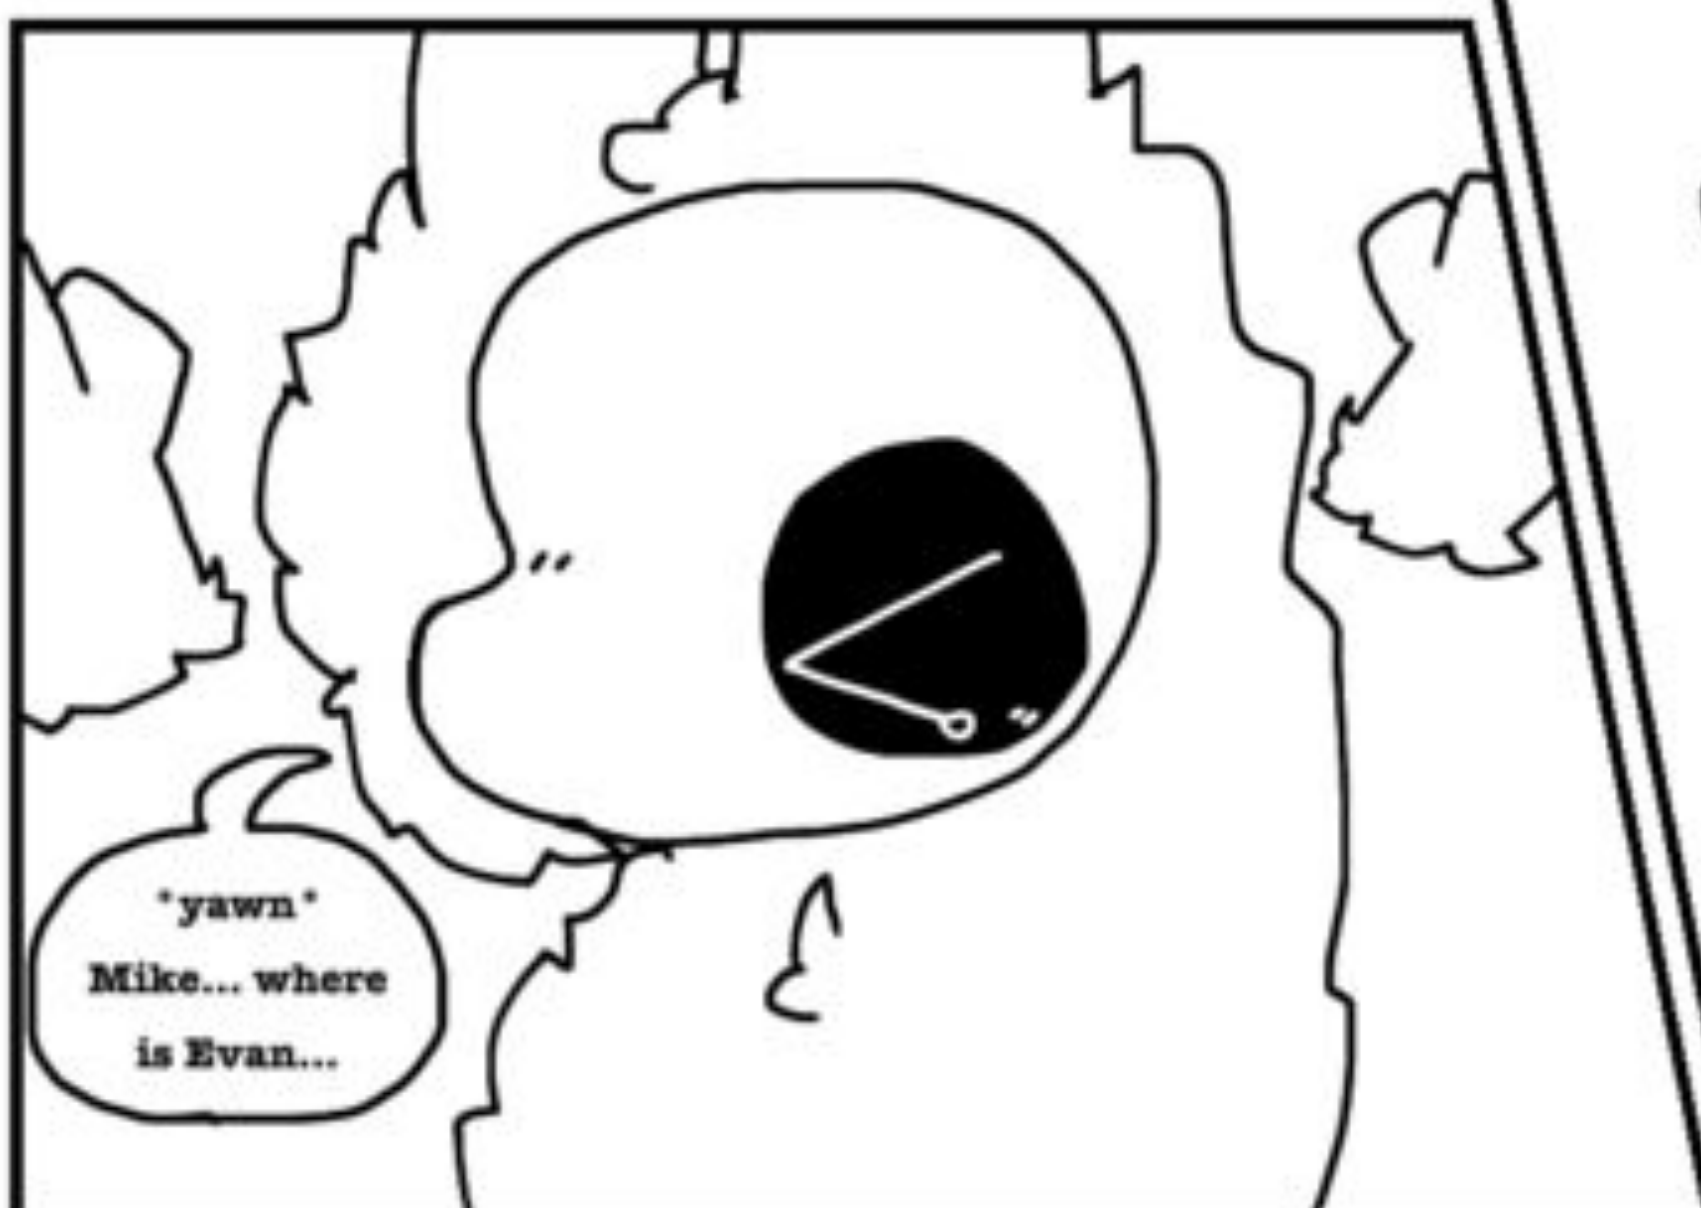

Oh.

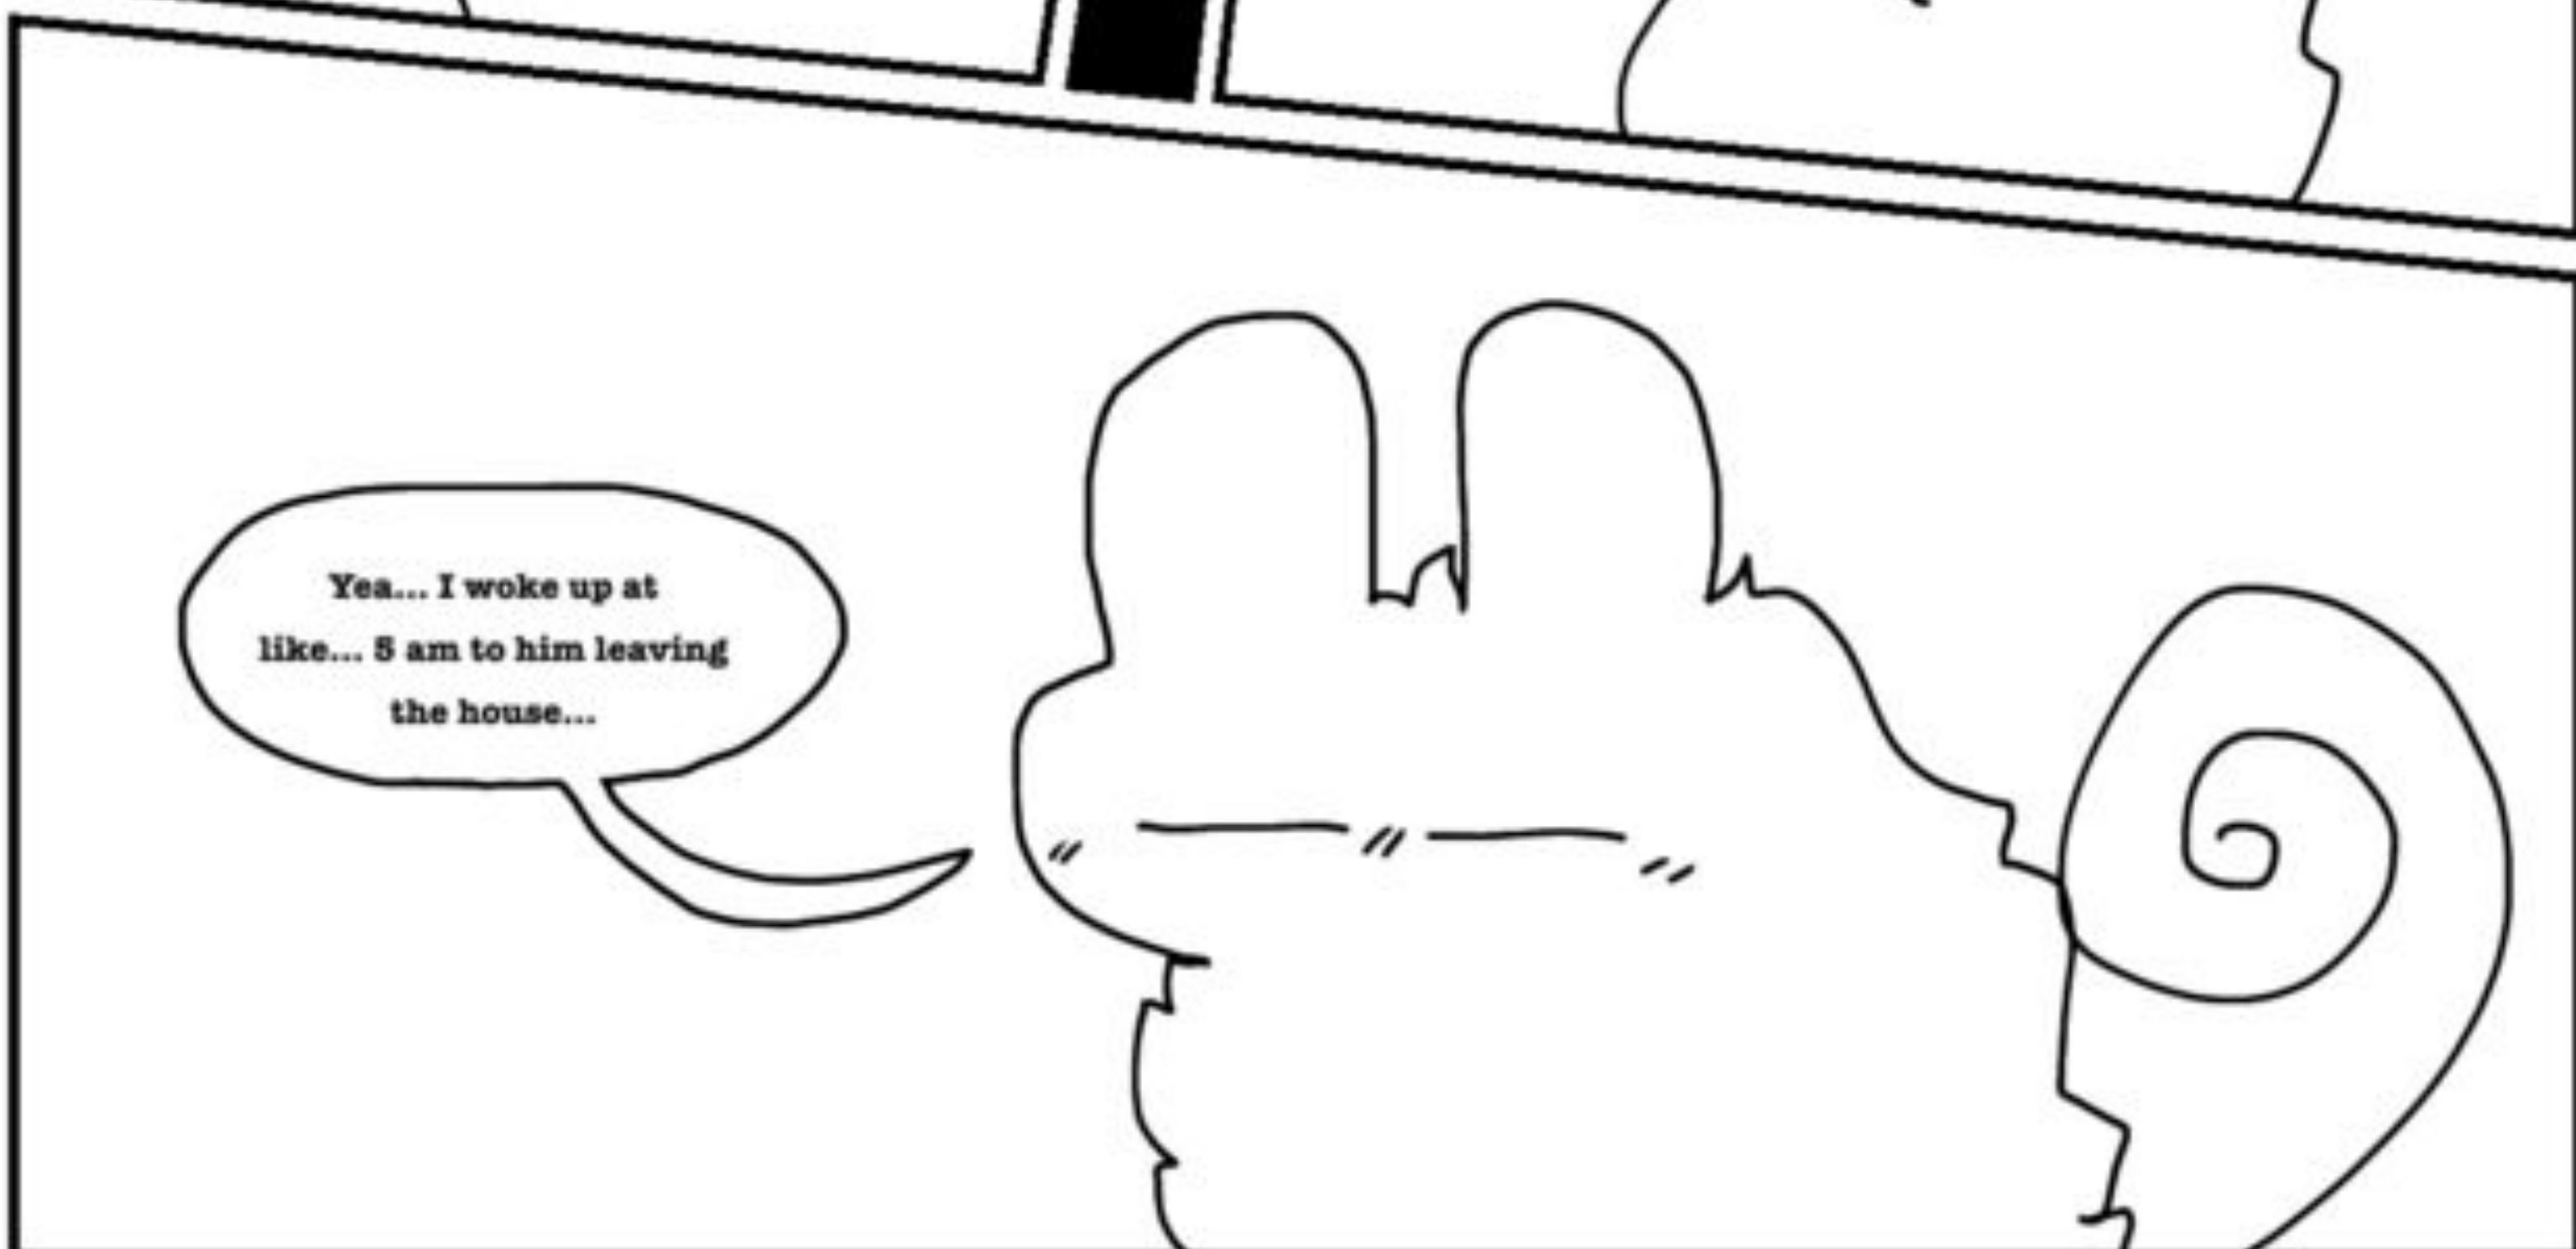

I dunno...

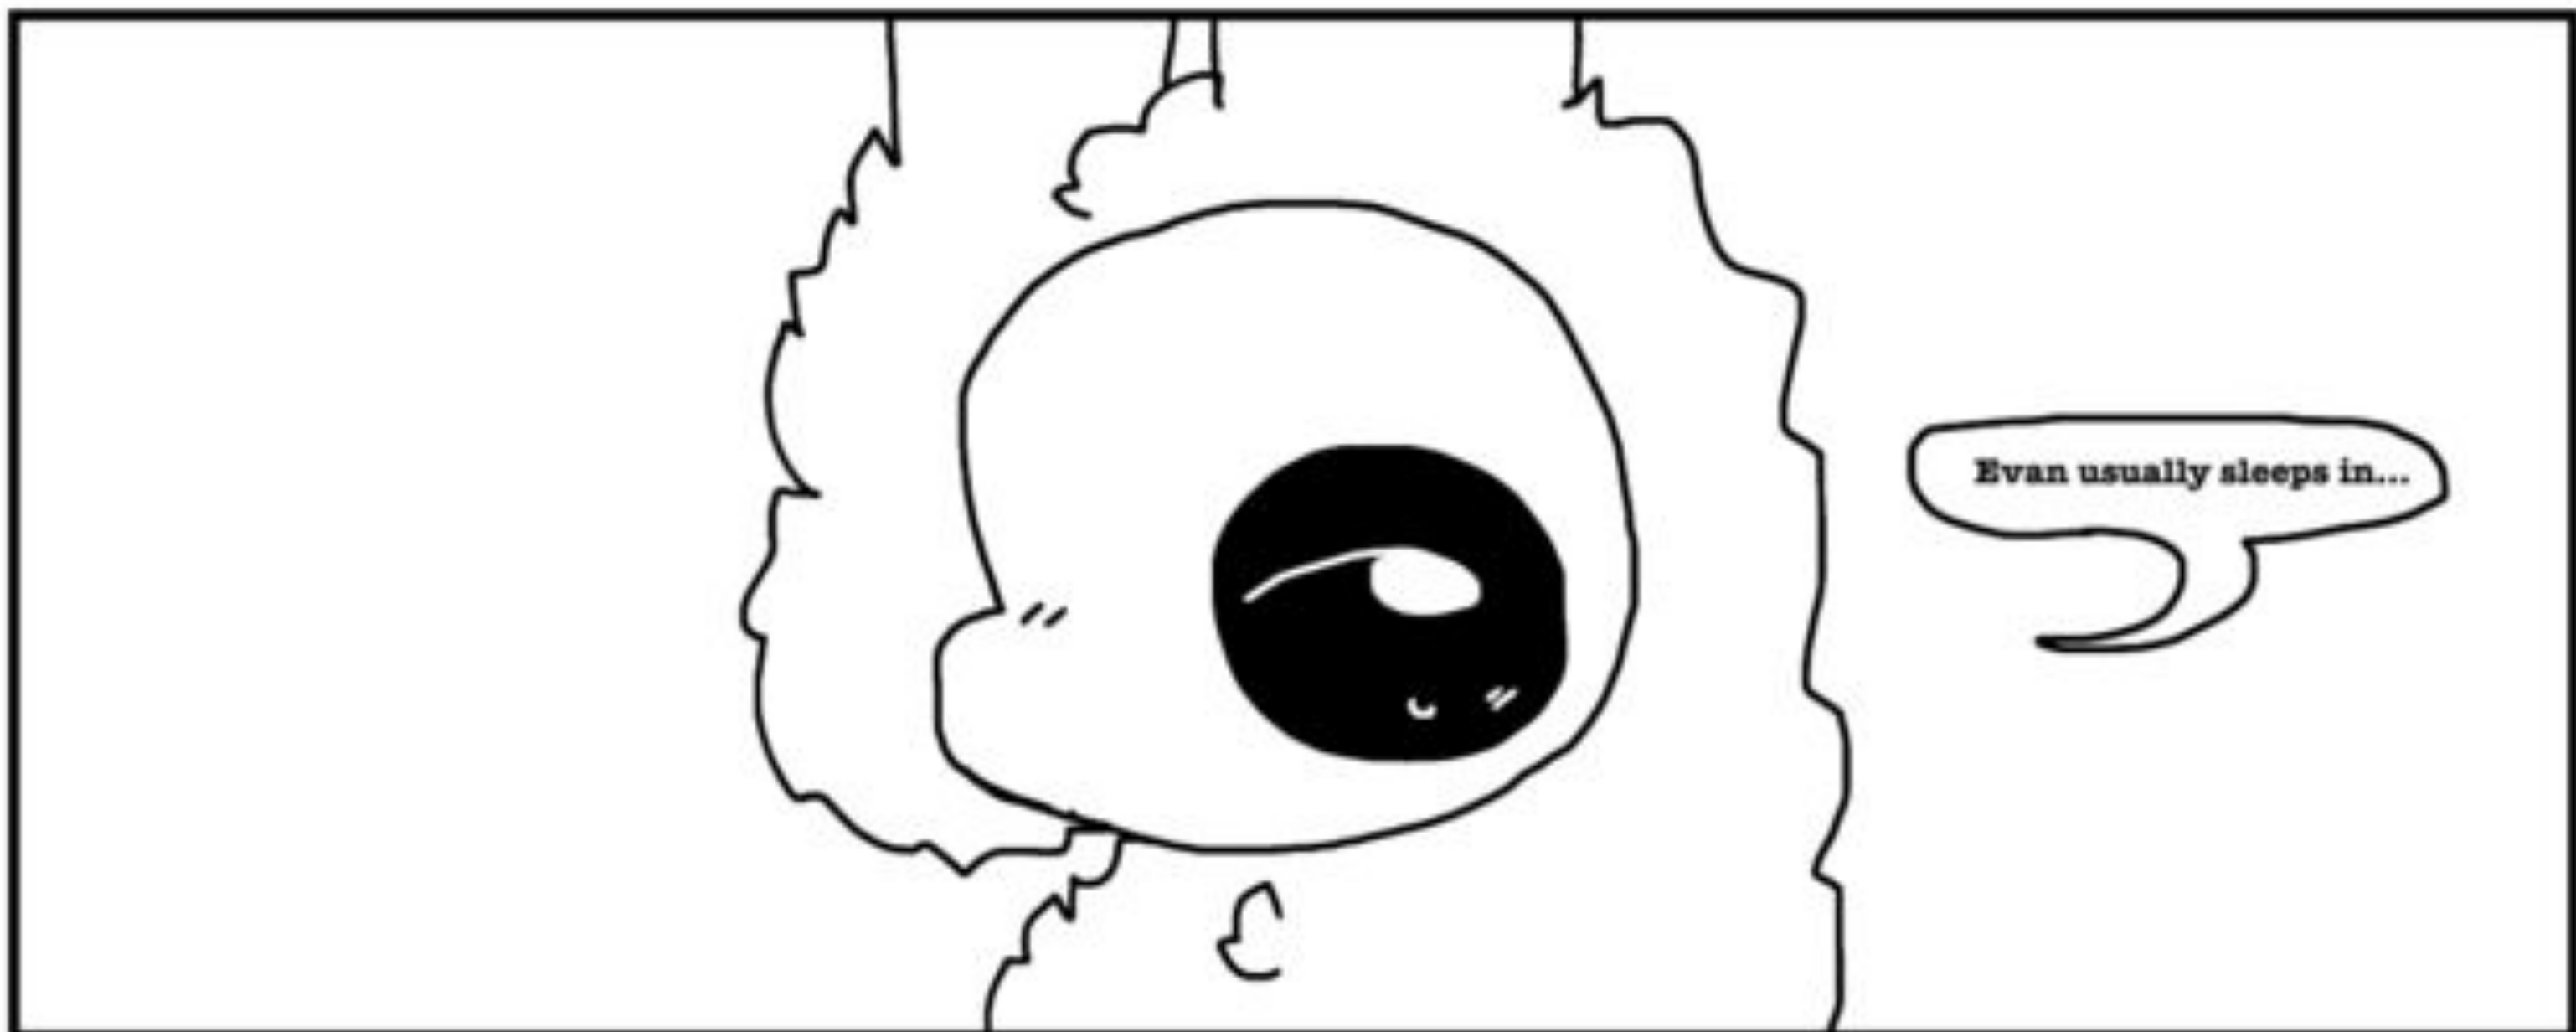

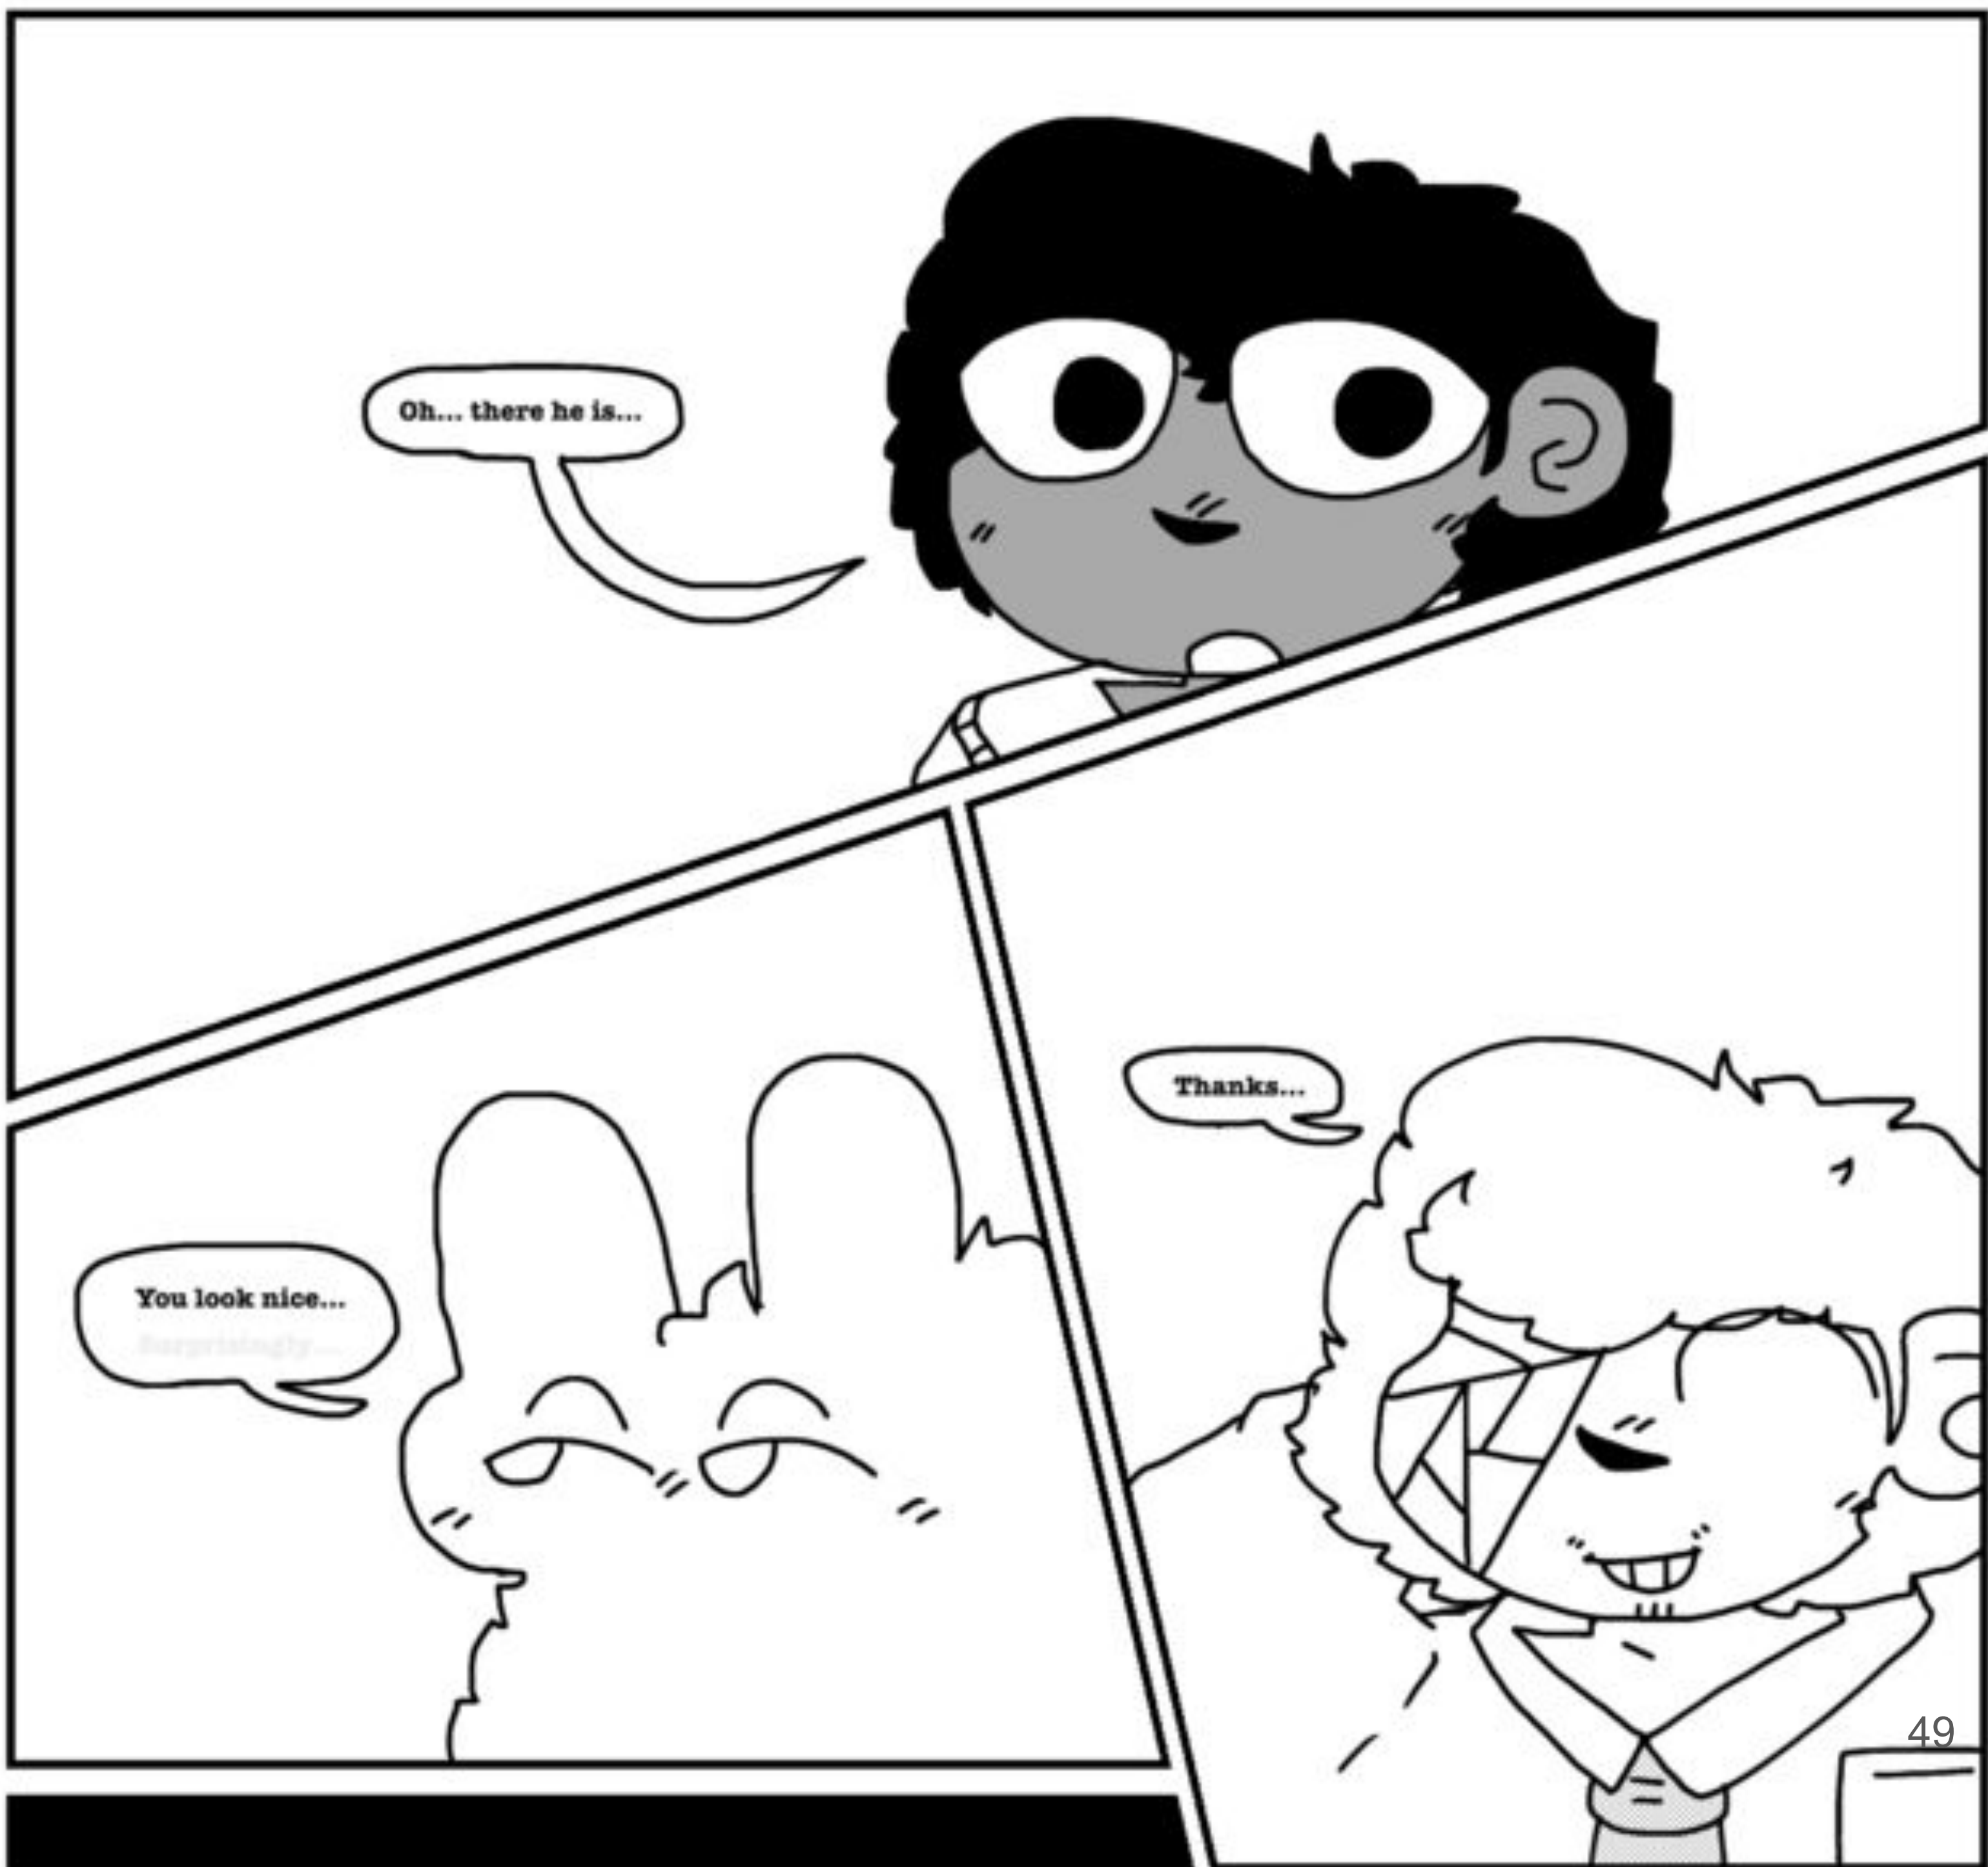

Damn! He must've
woken up early!

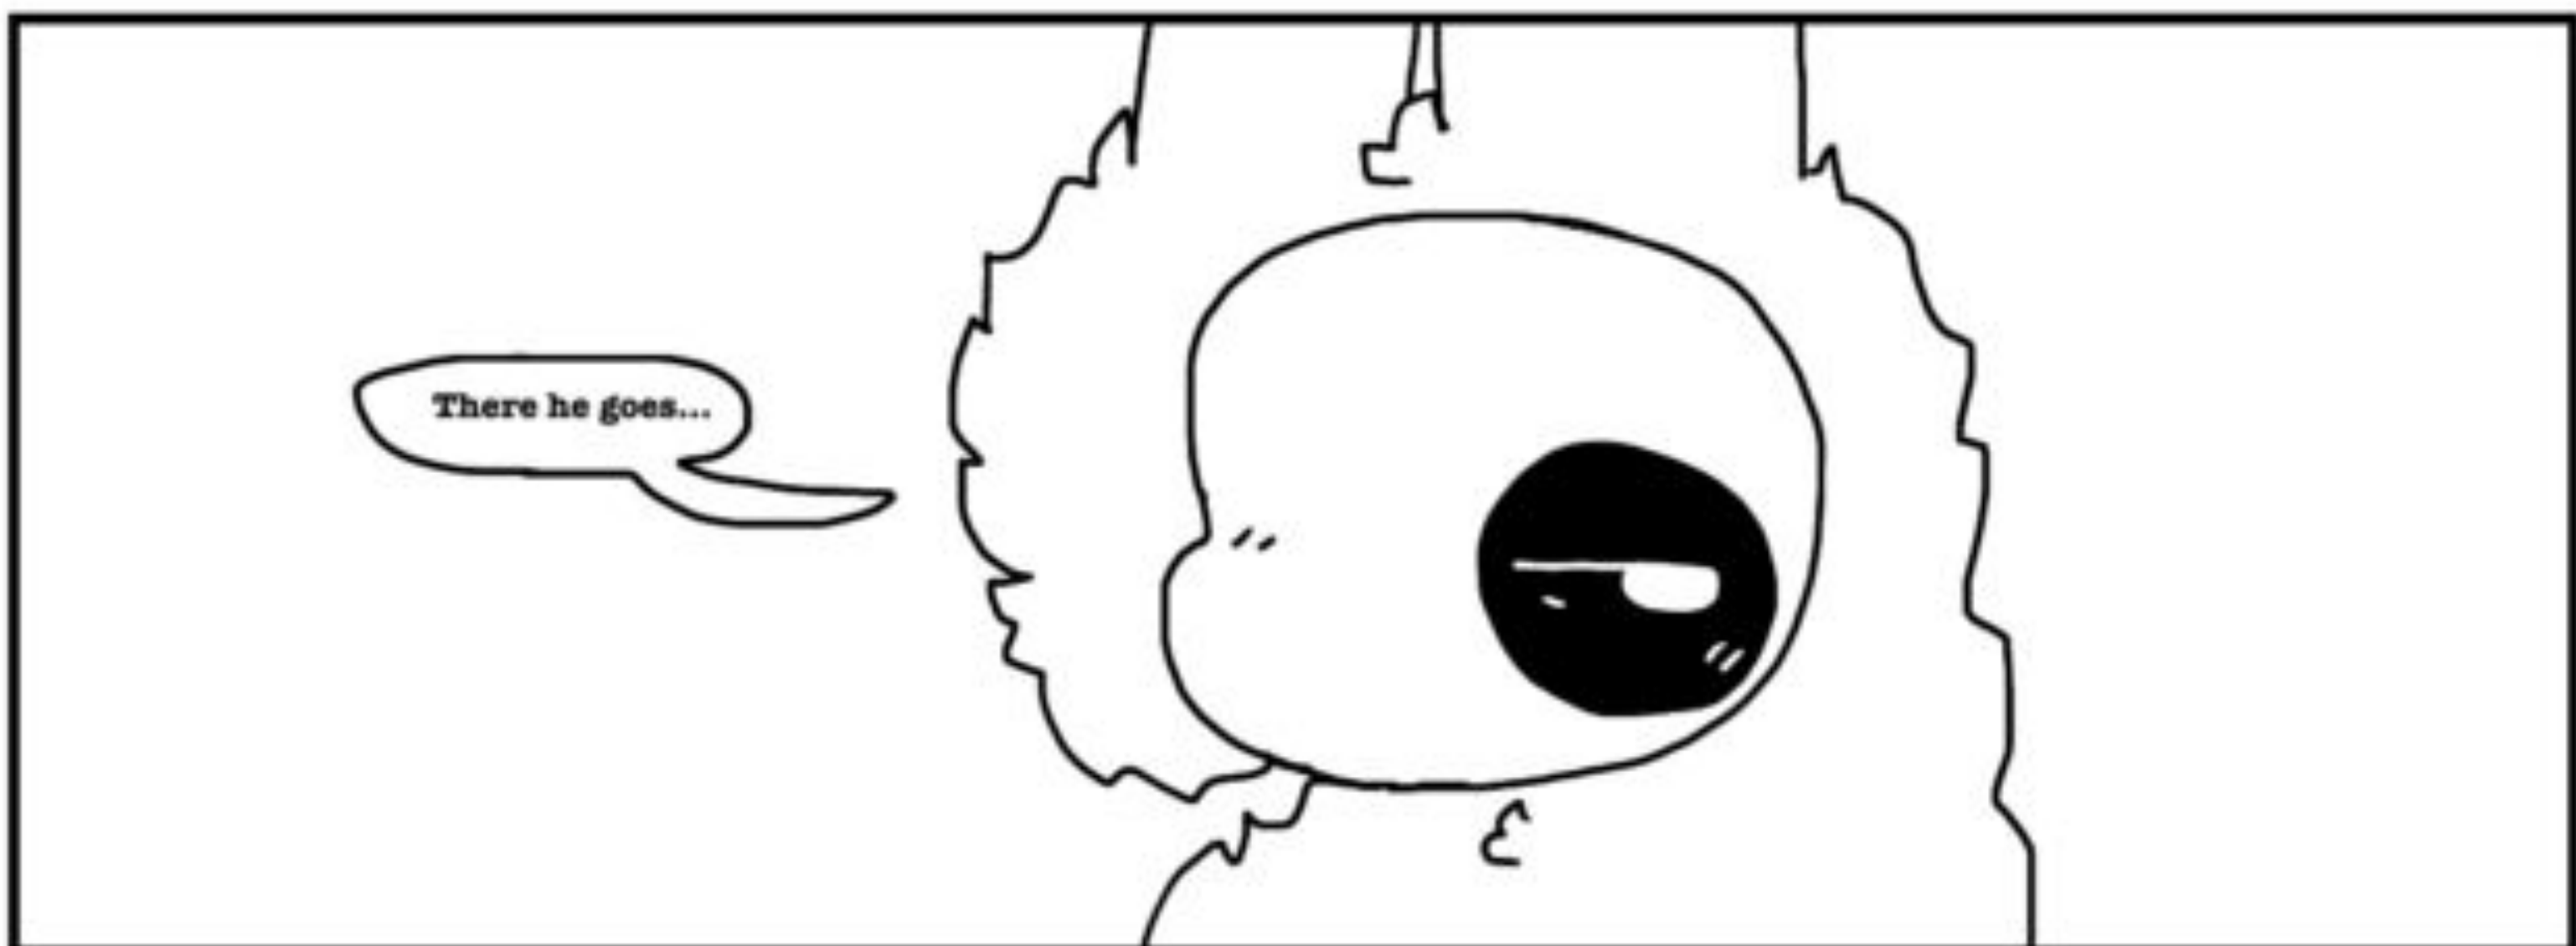

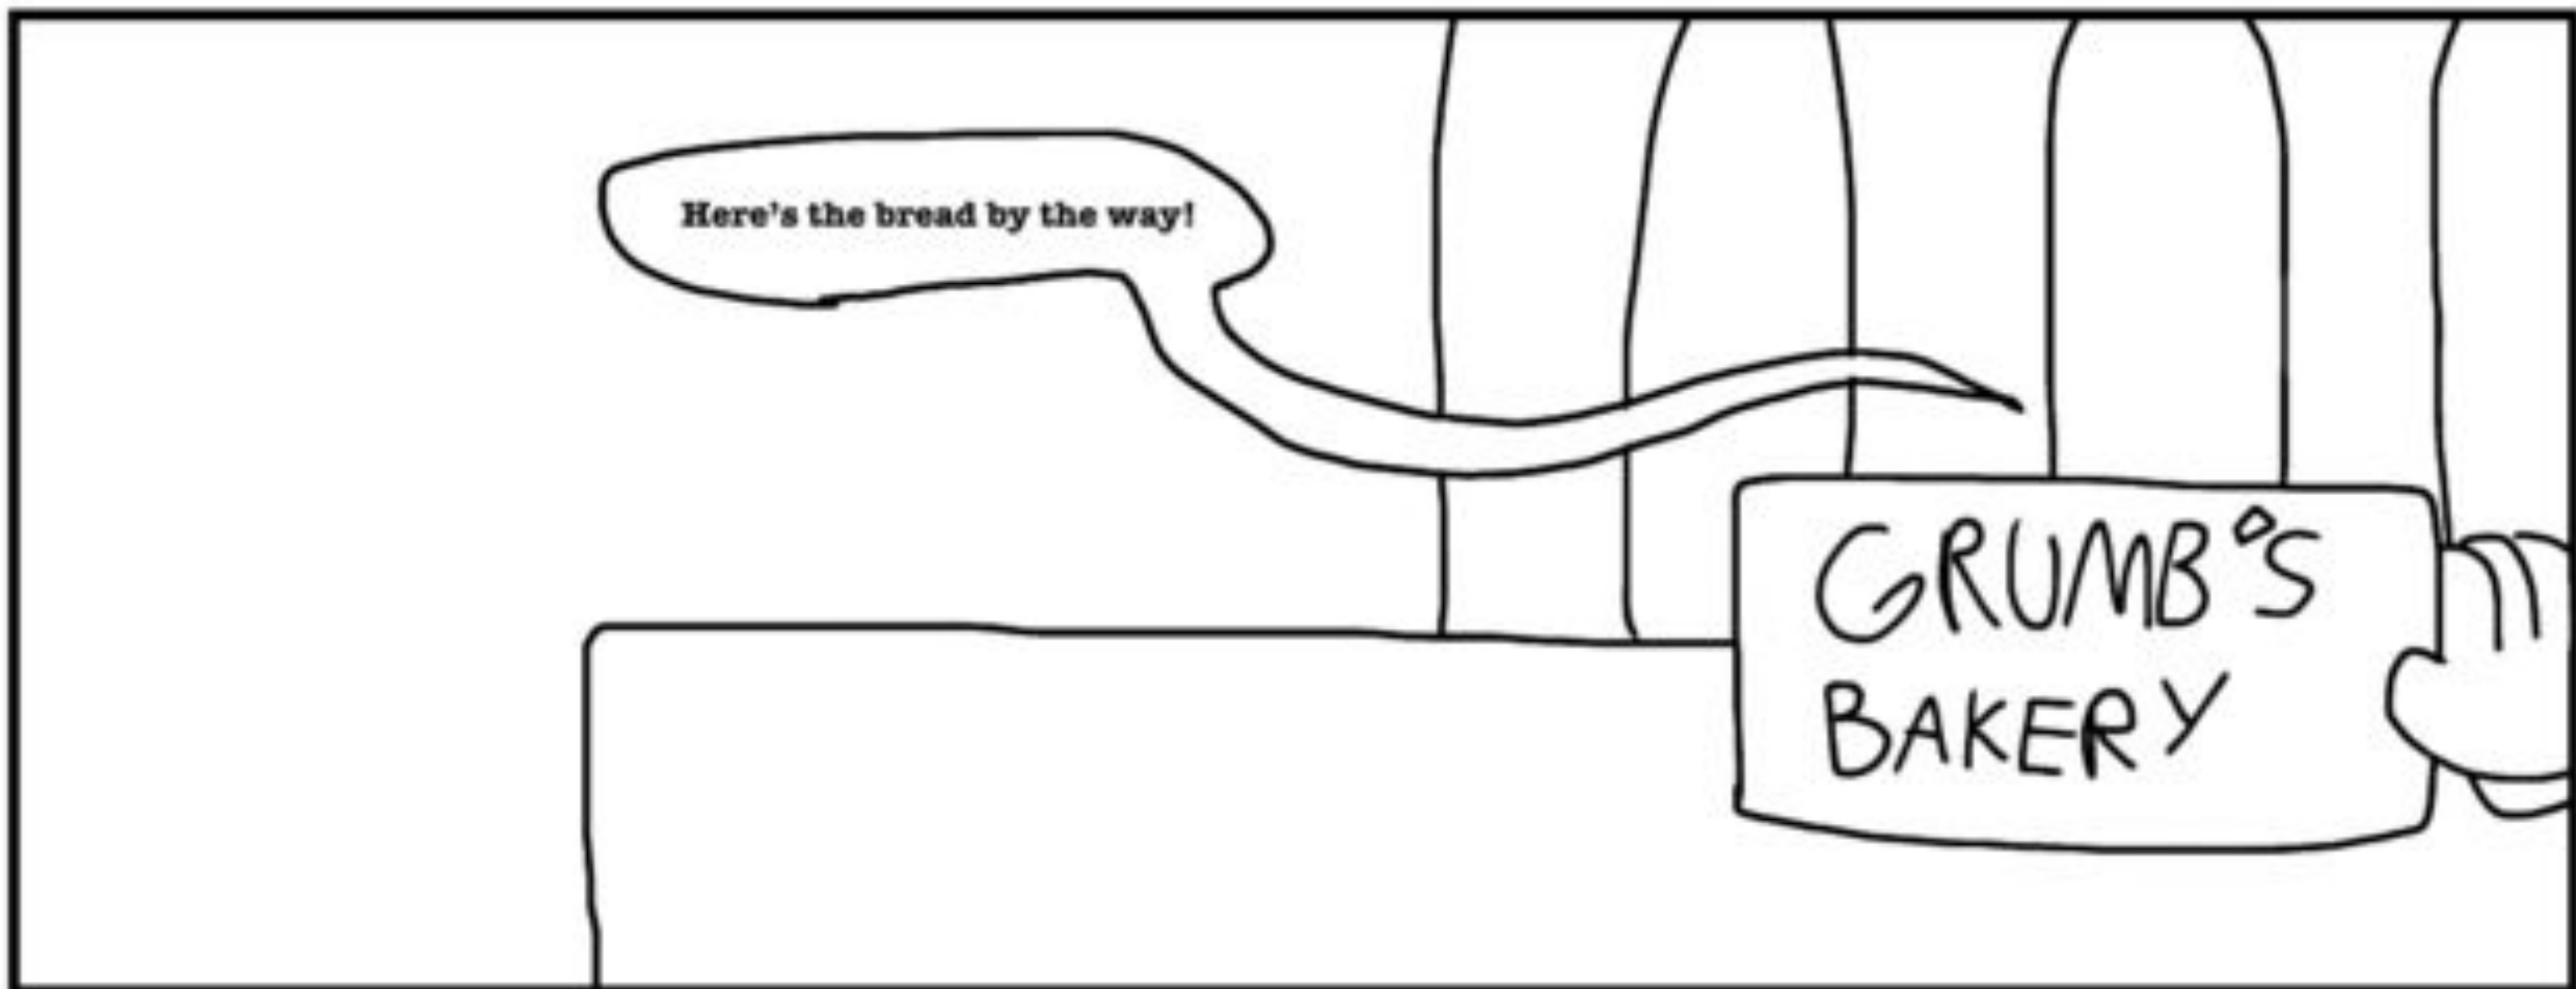

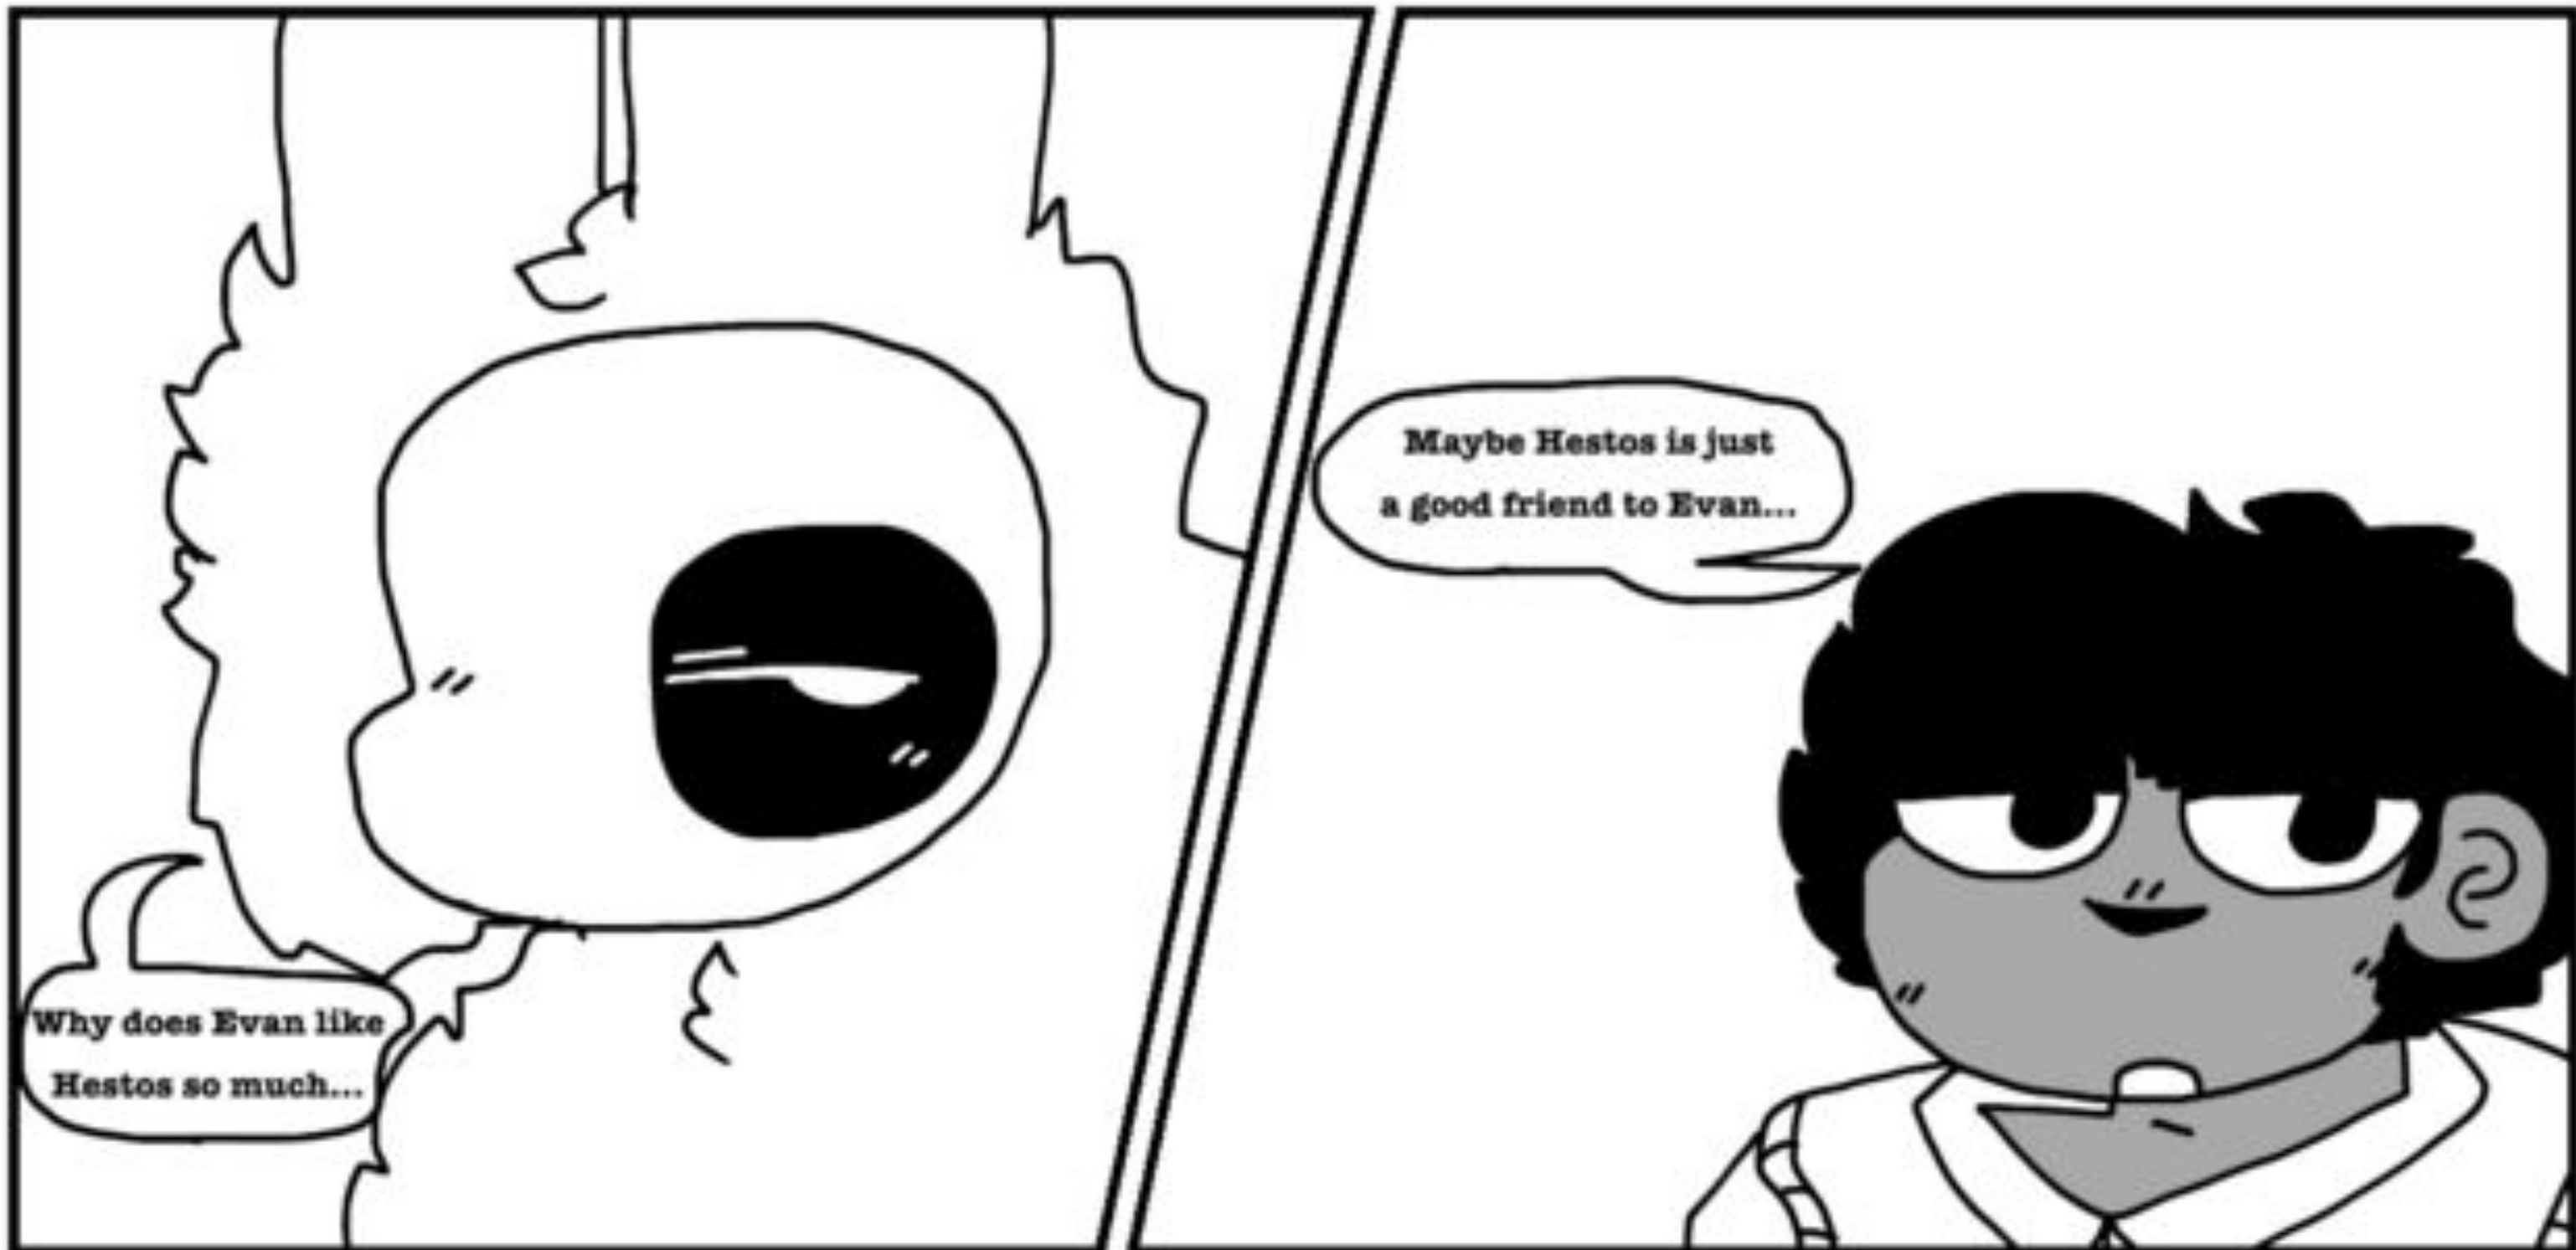

Yea... I woke up at

the house...

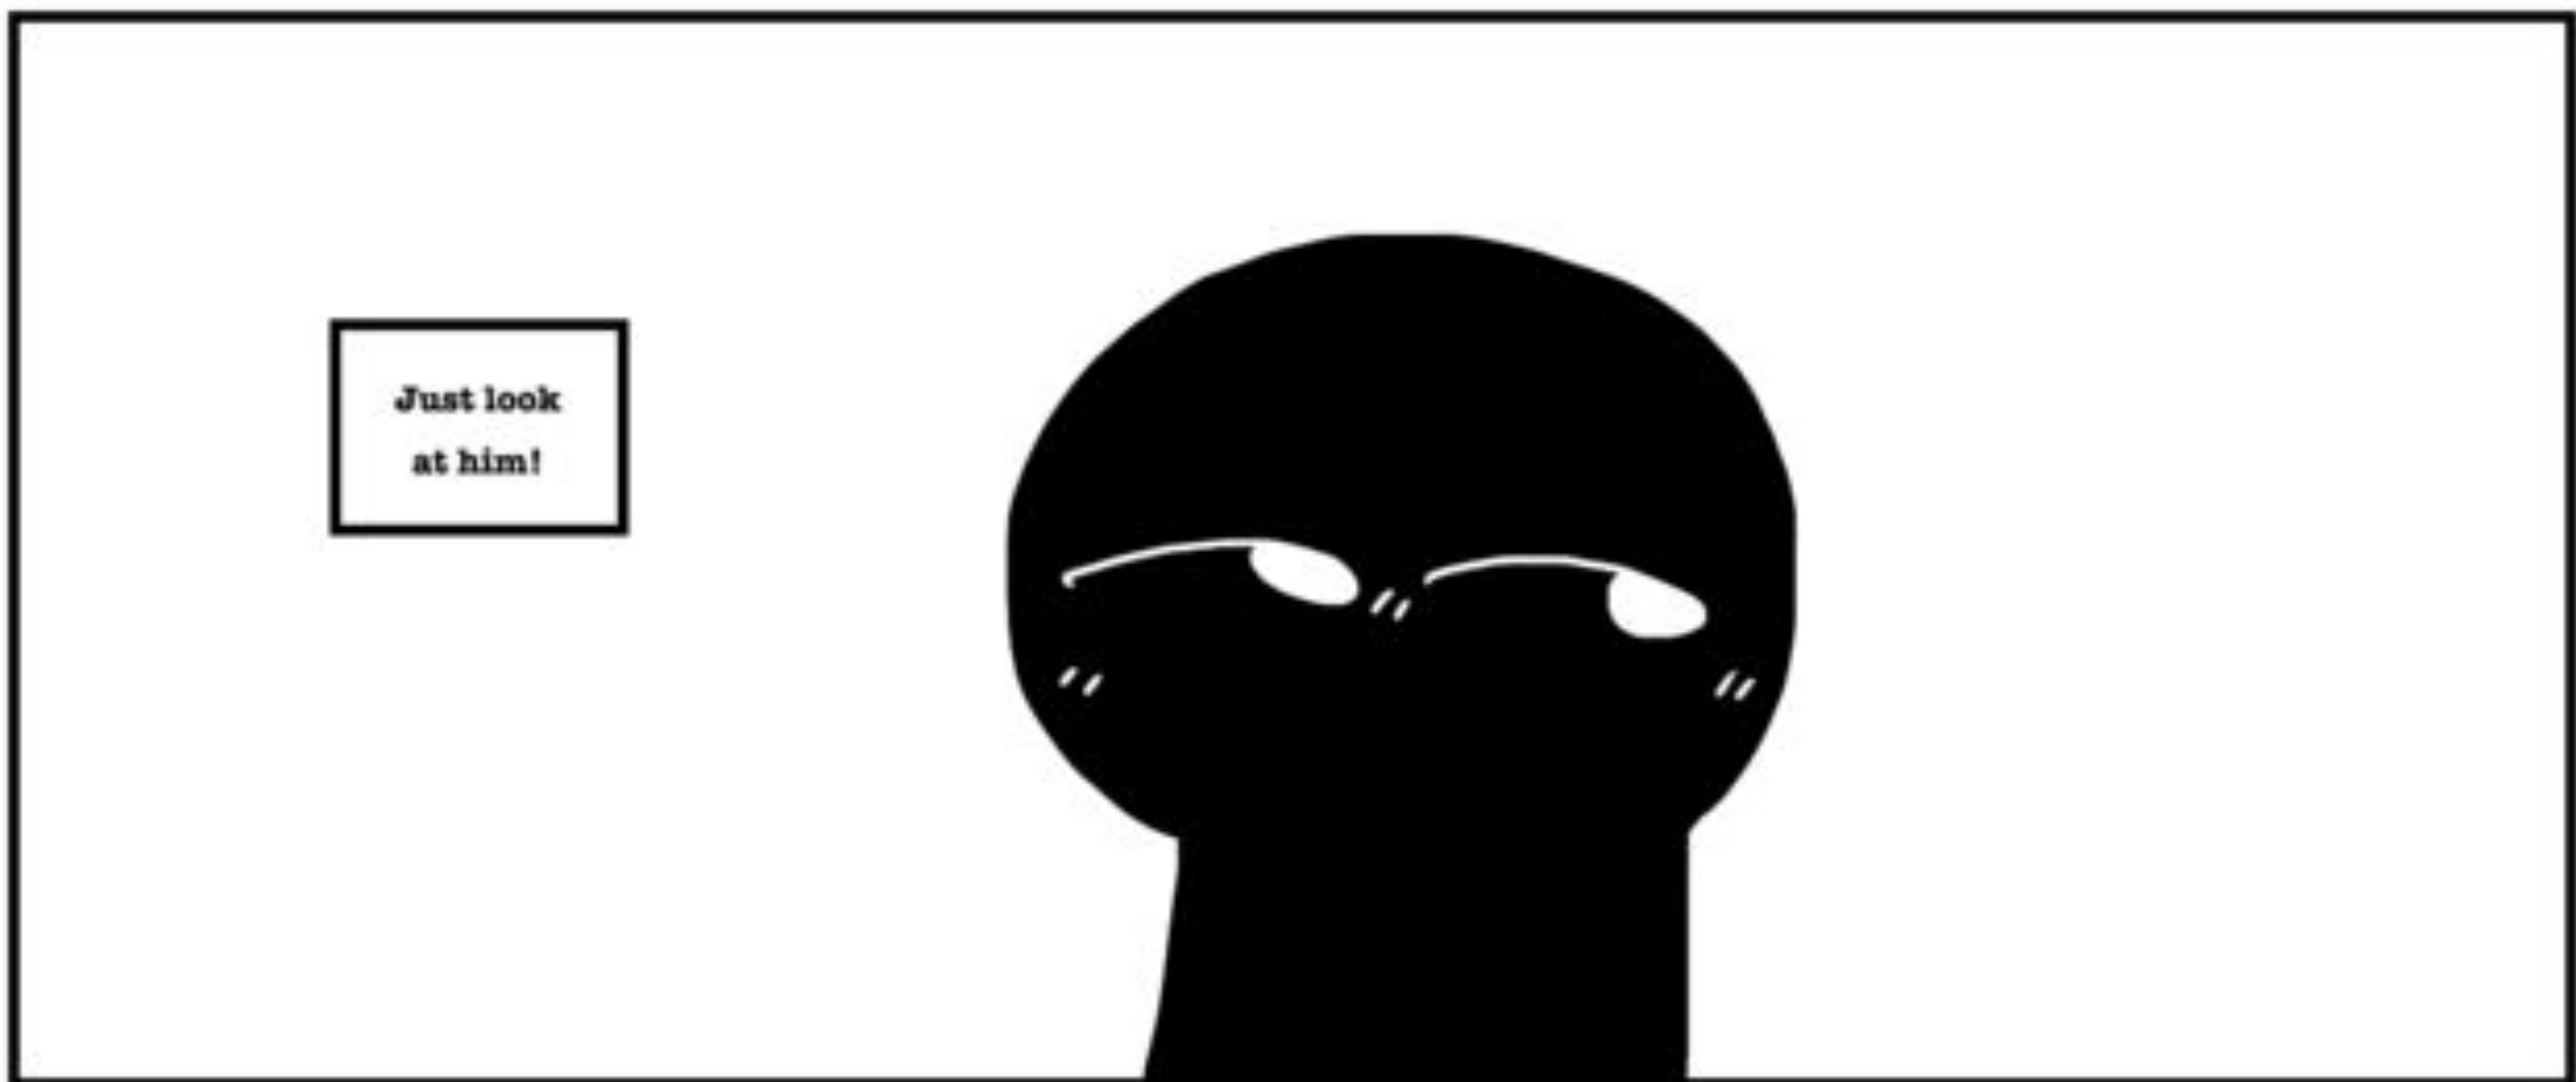

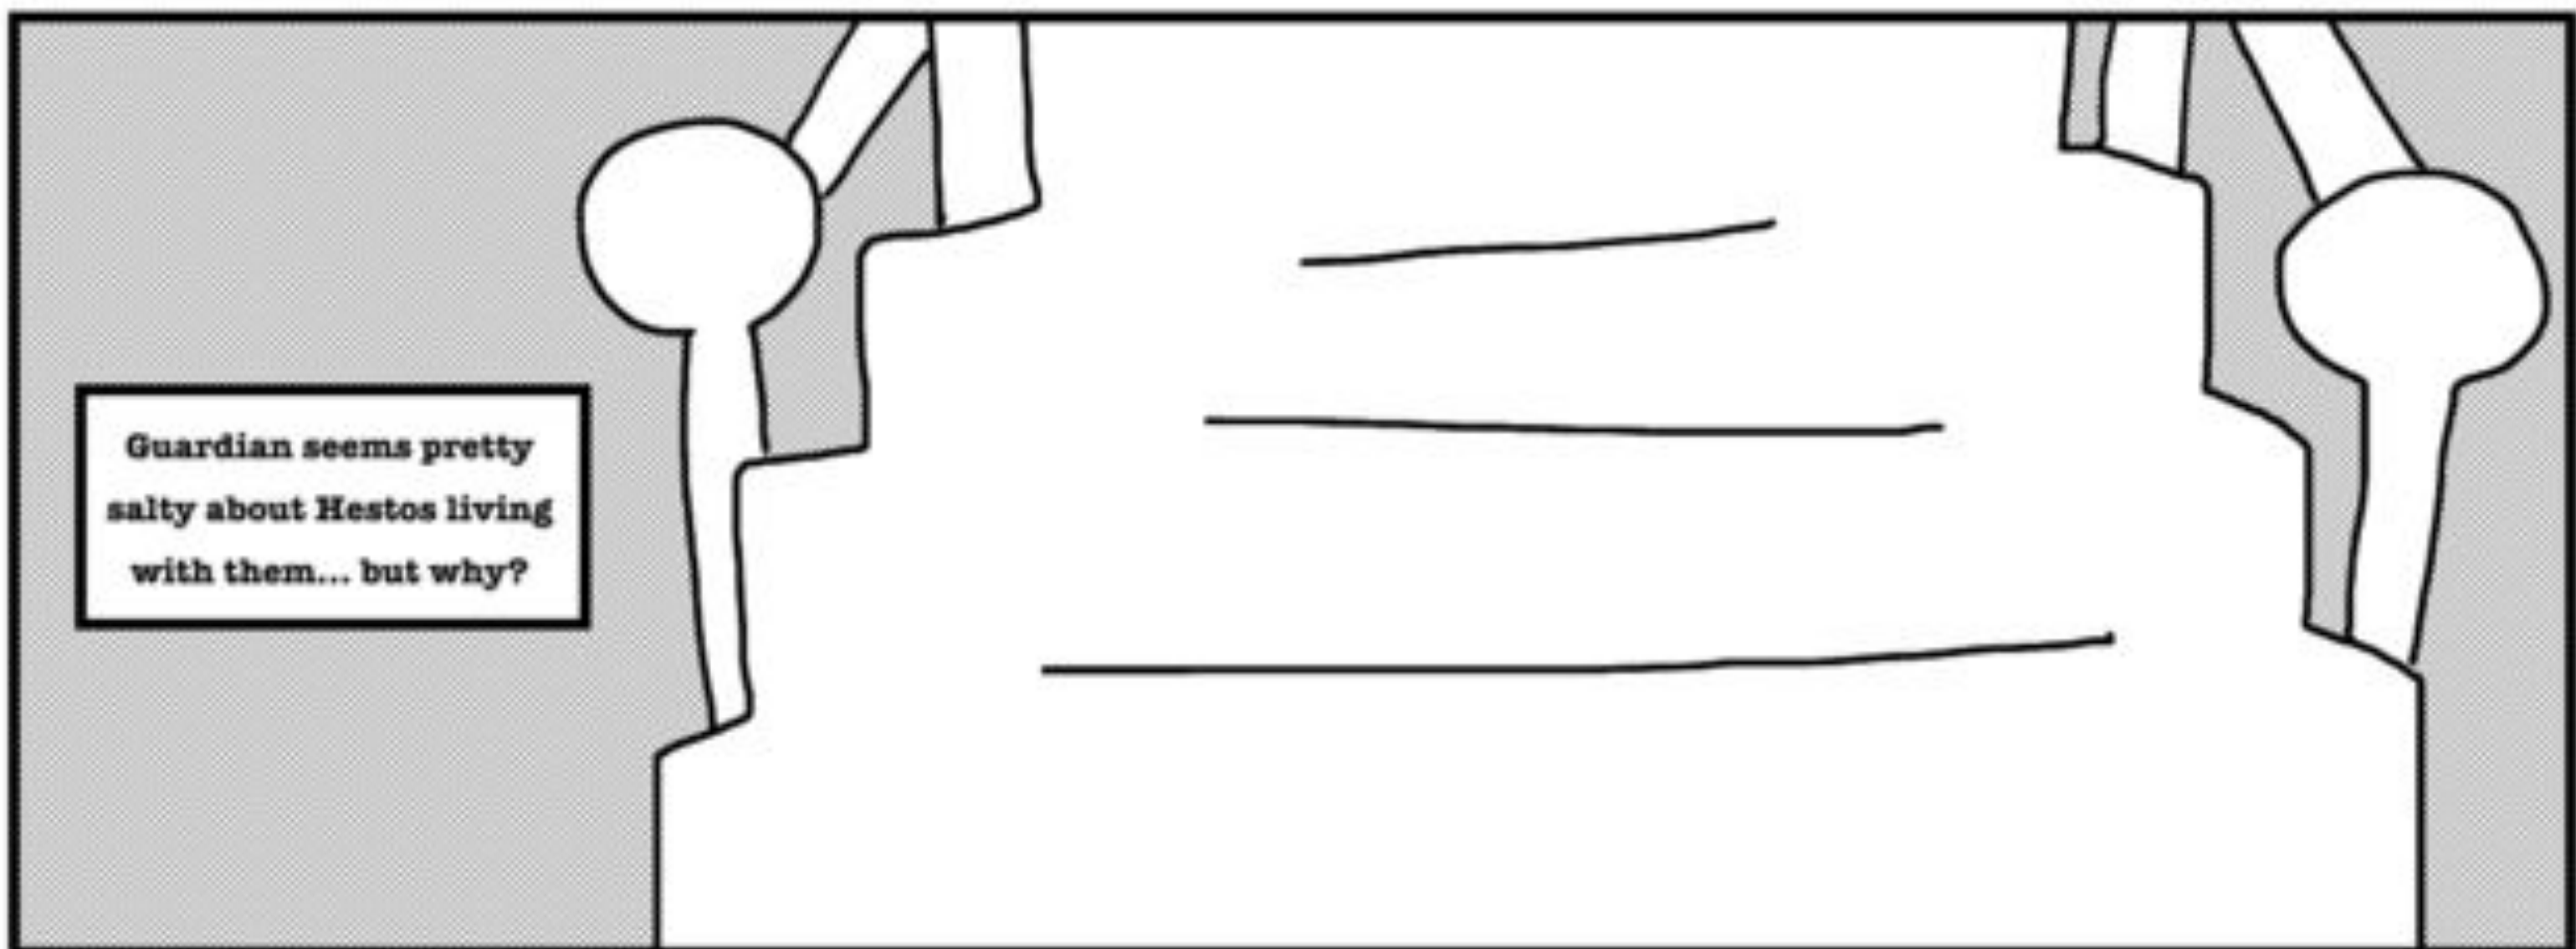

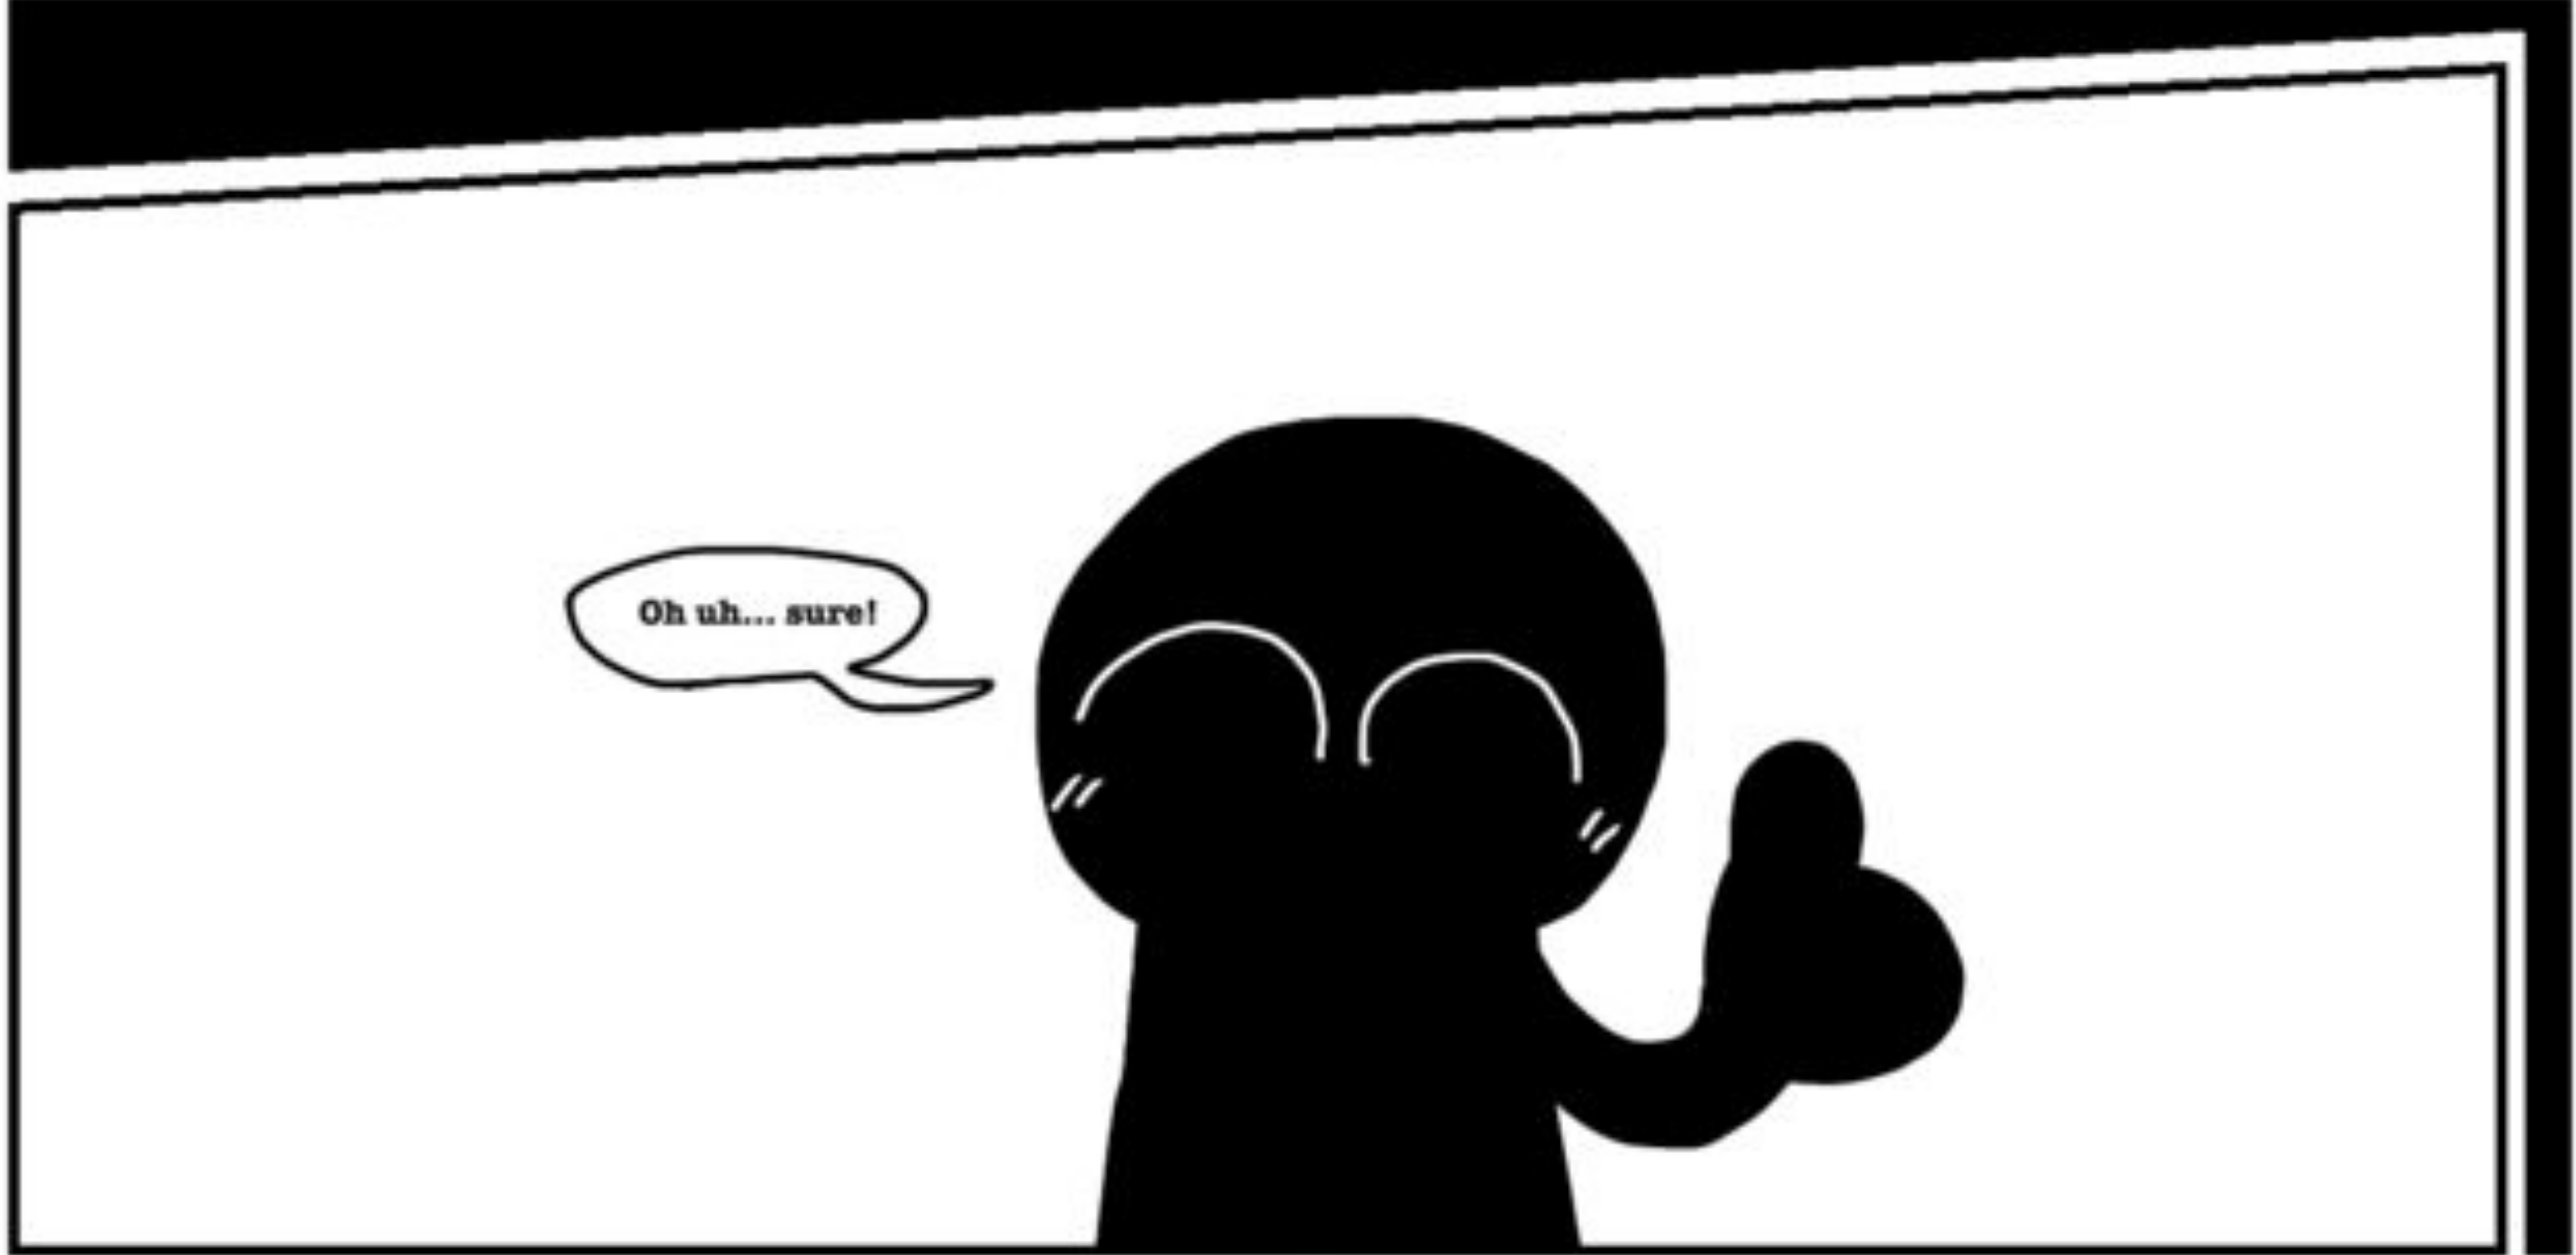

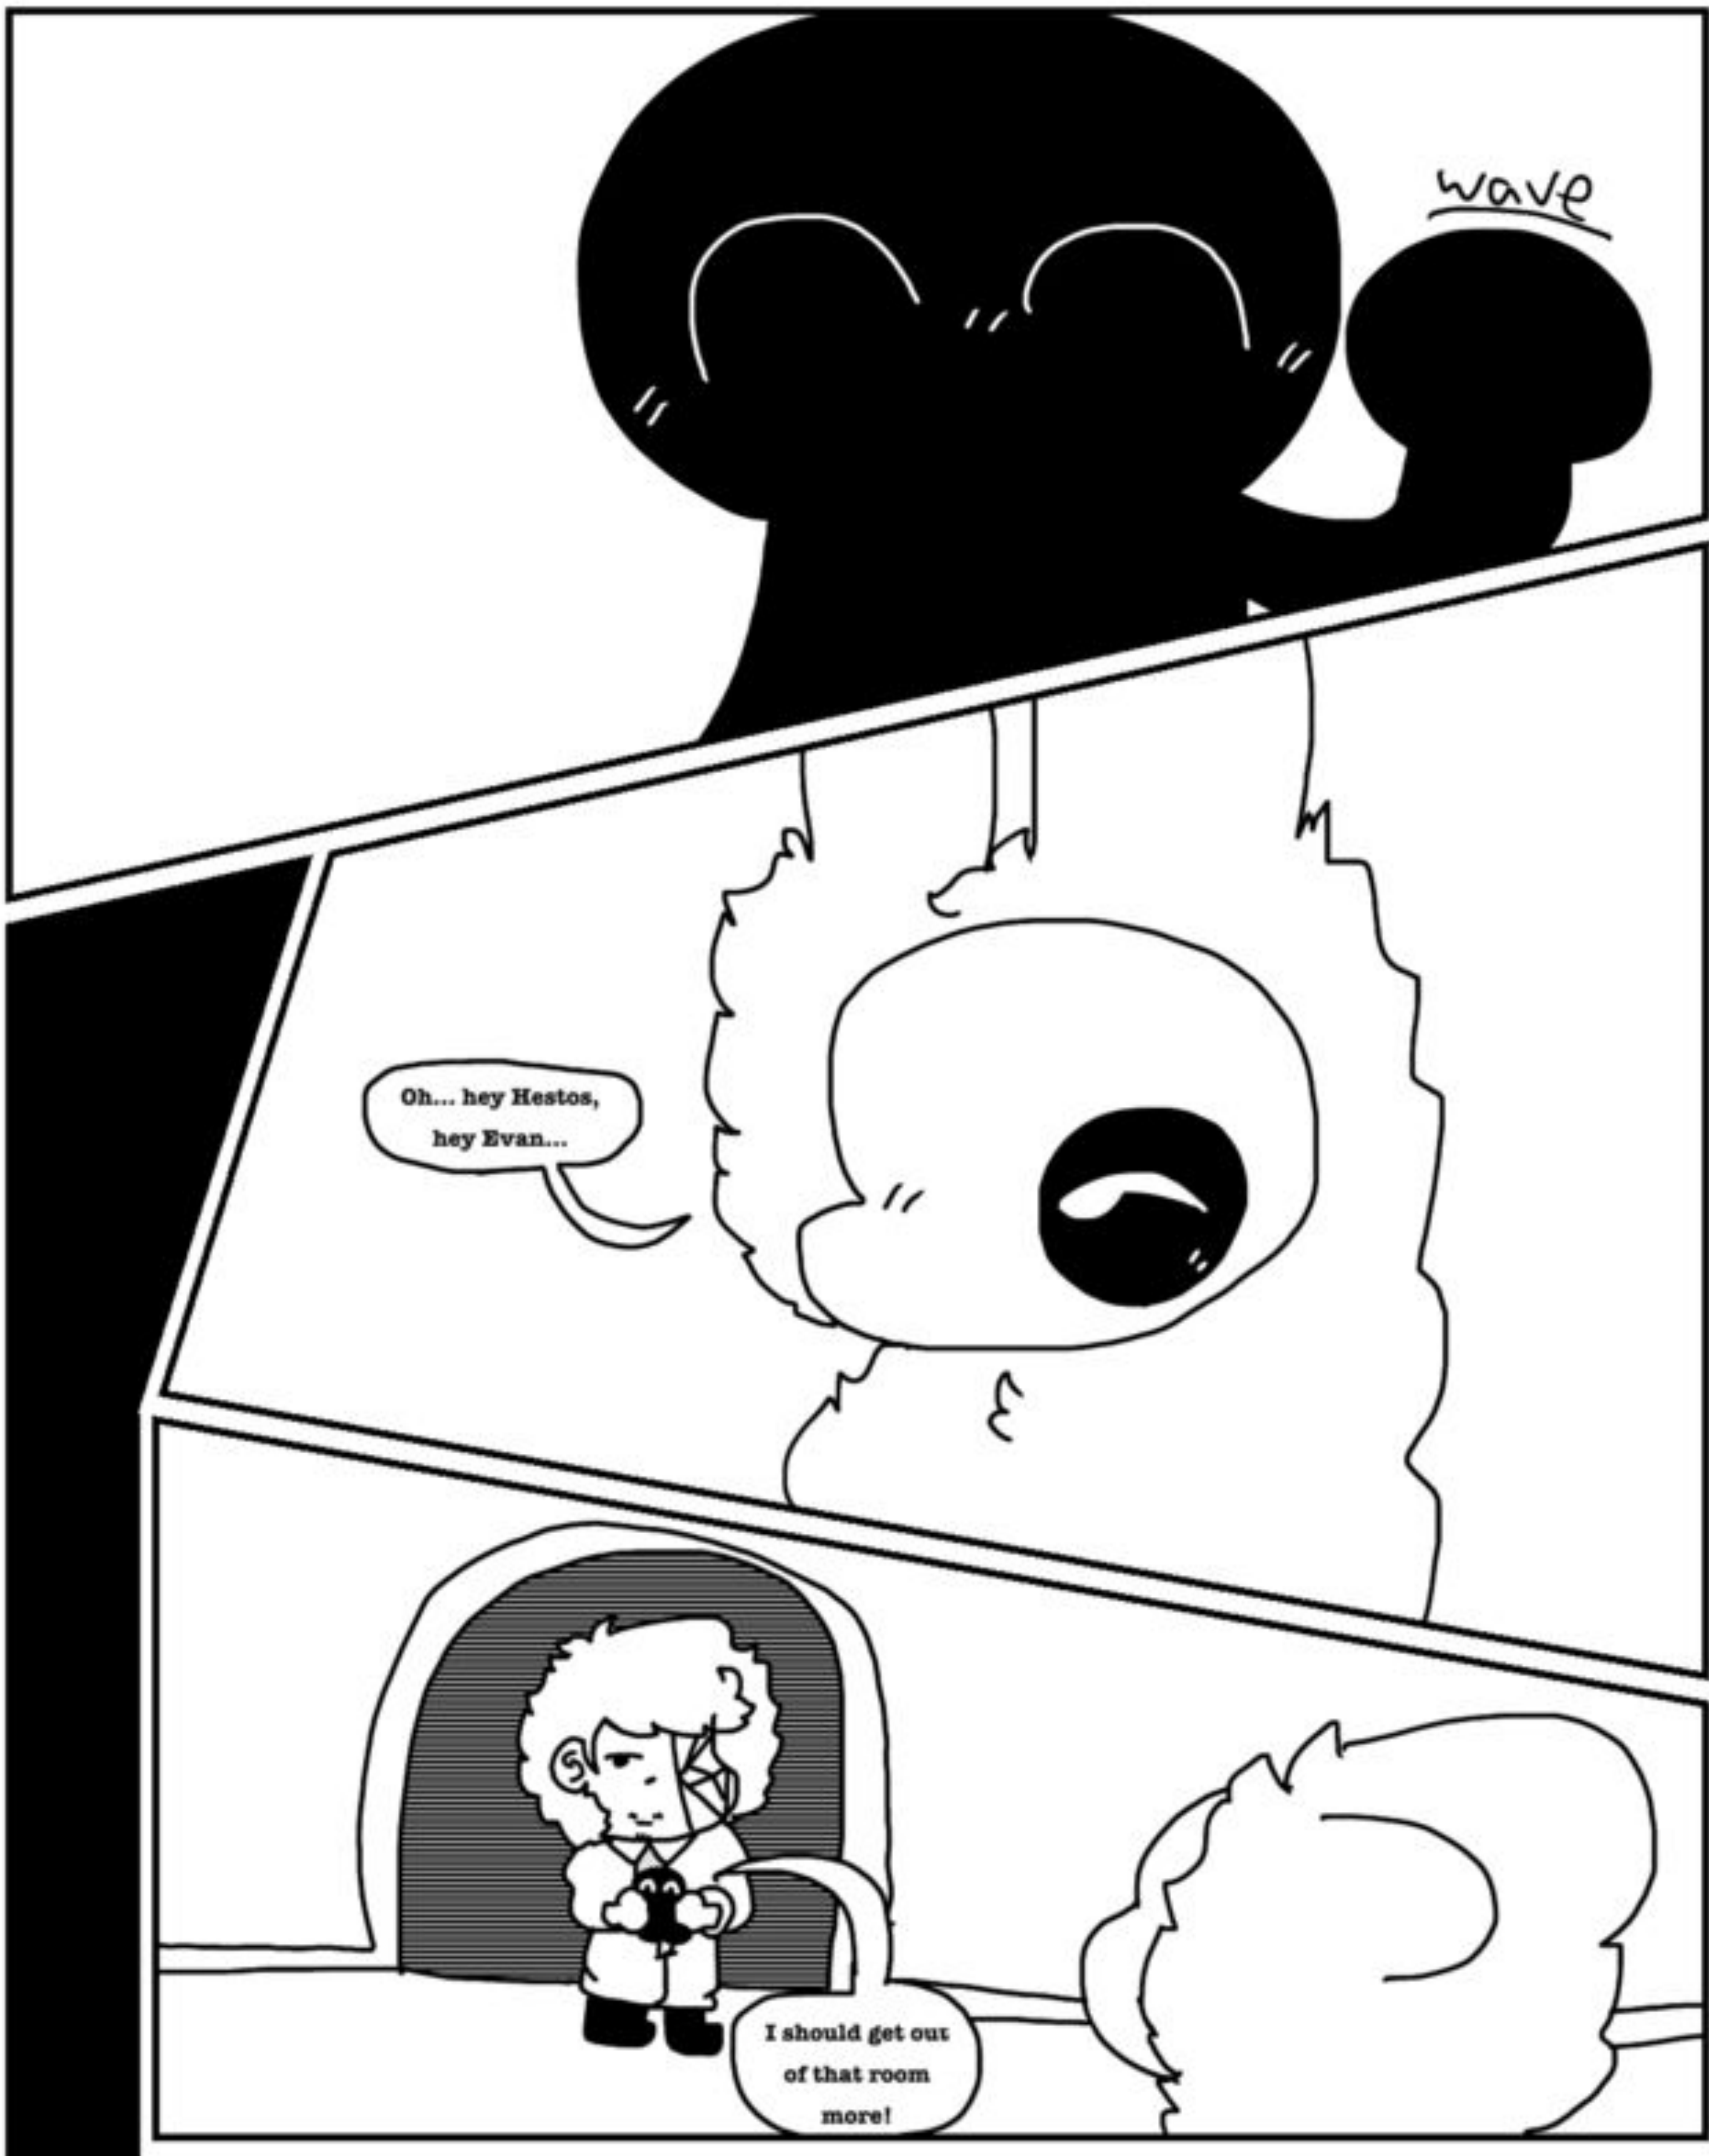

CHAPTER 21
AWKWARD

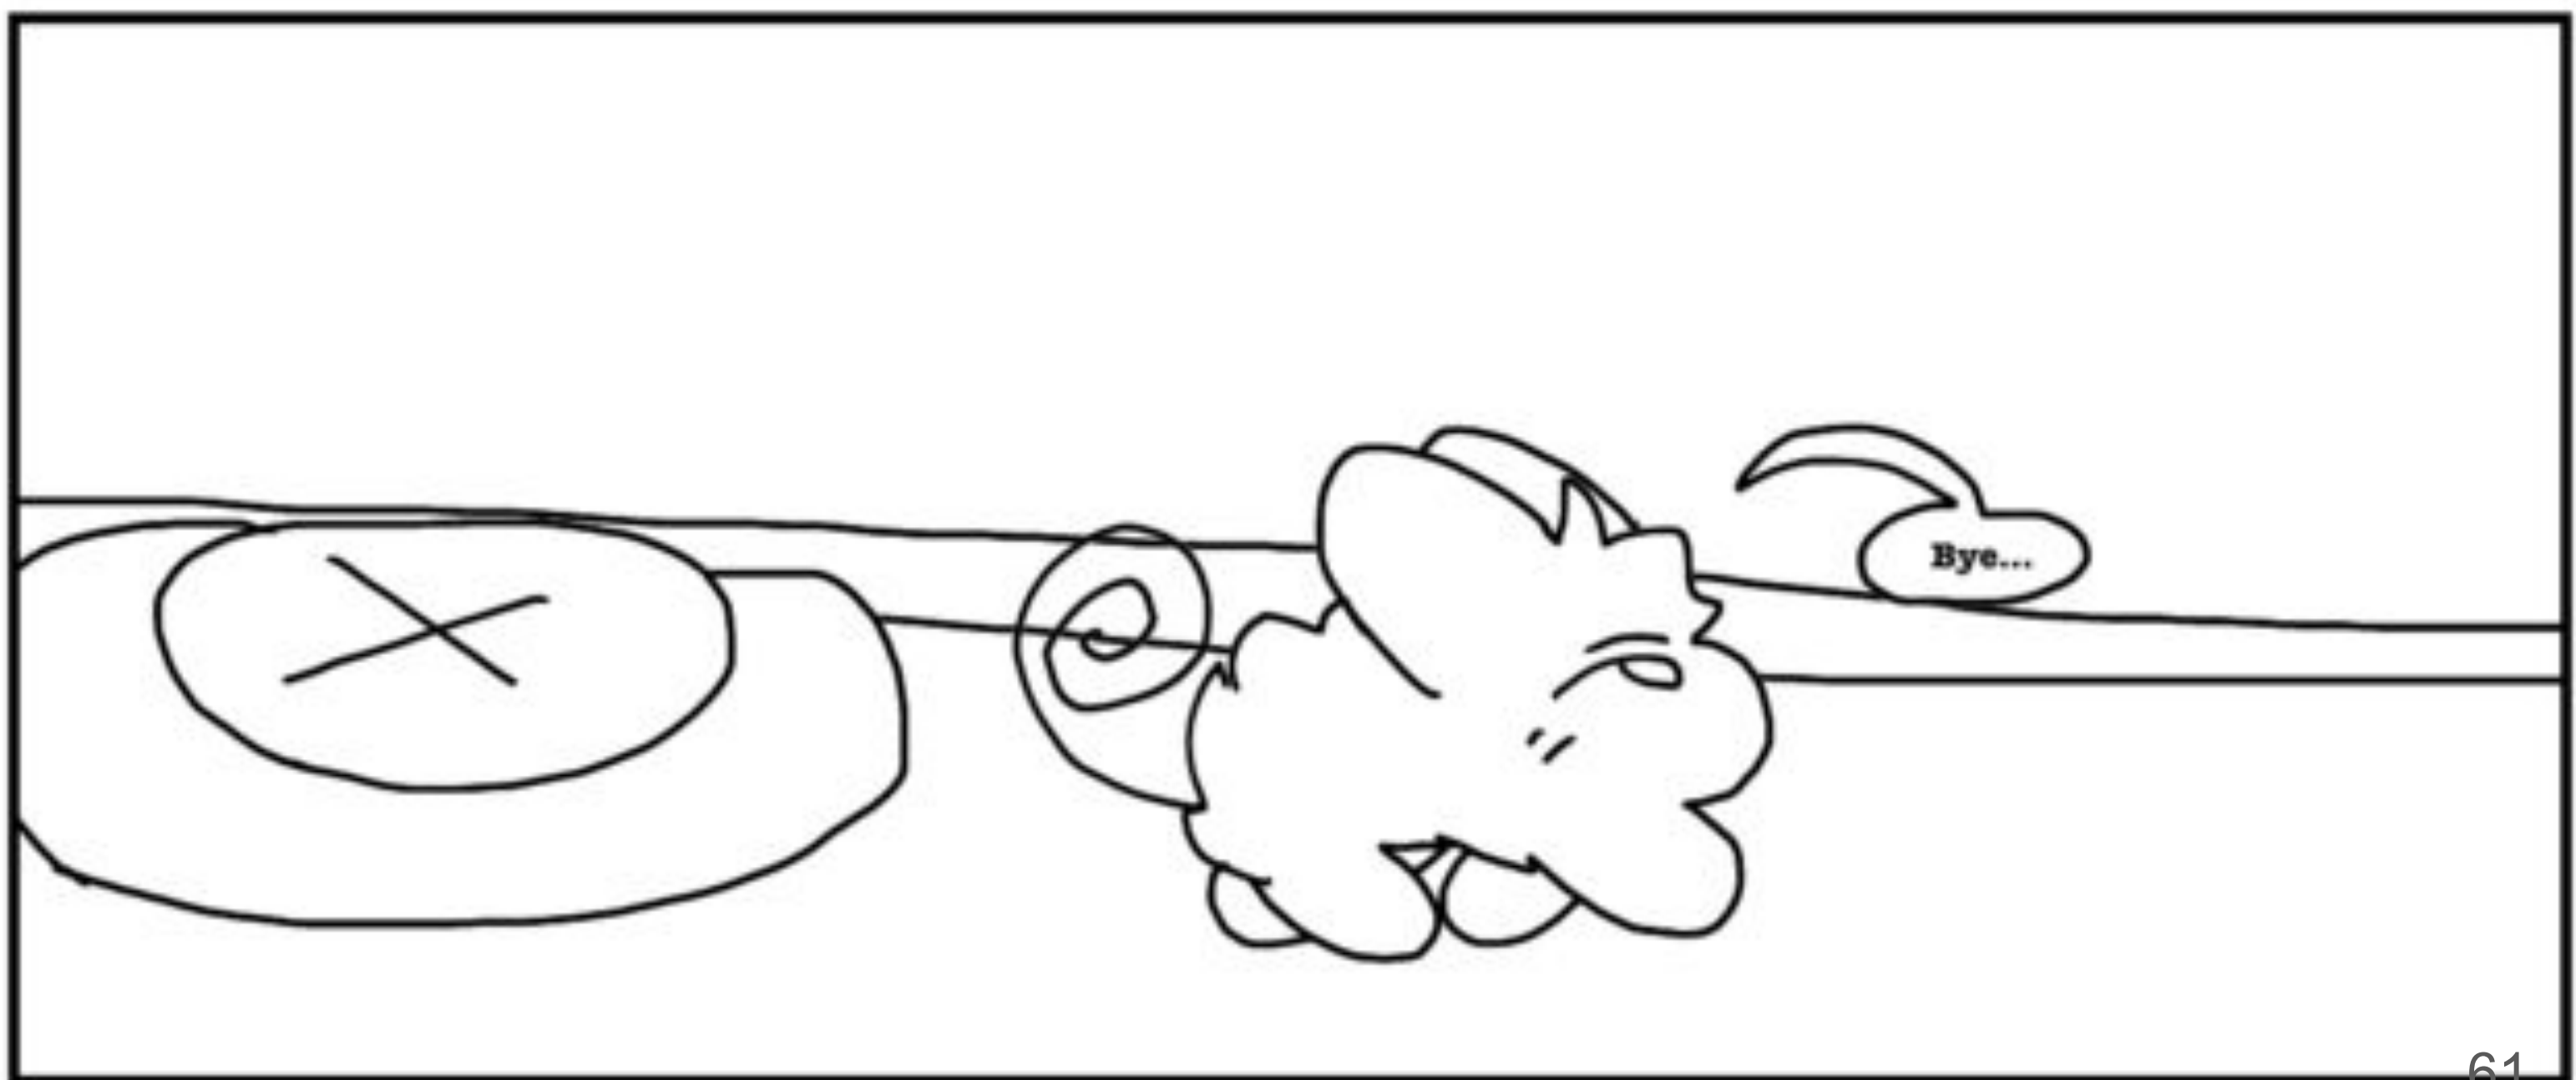

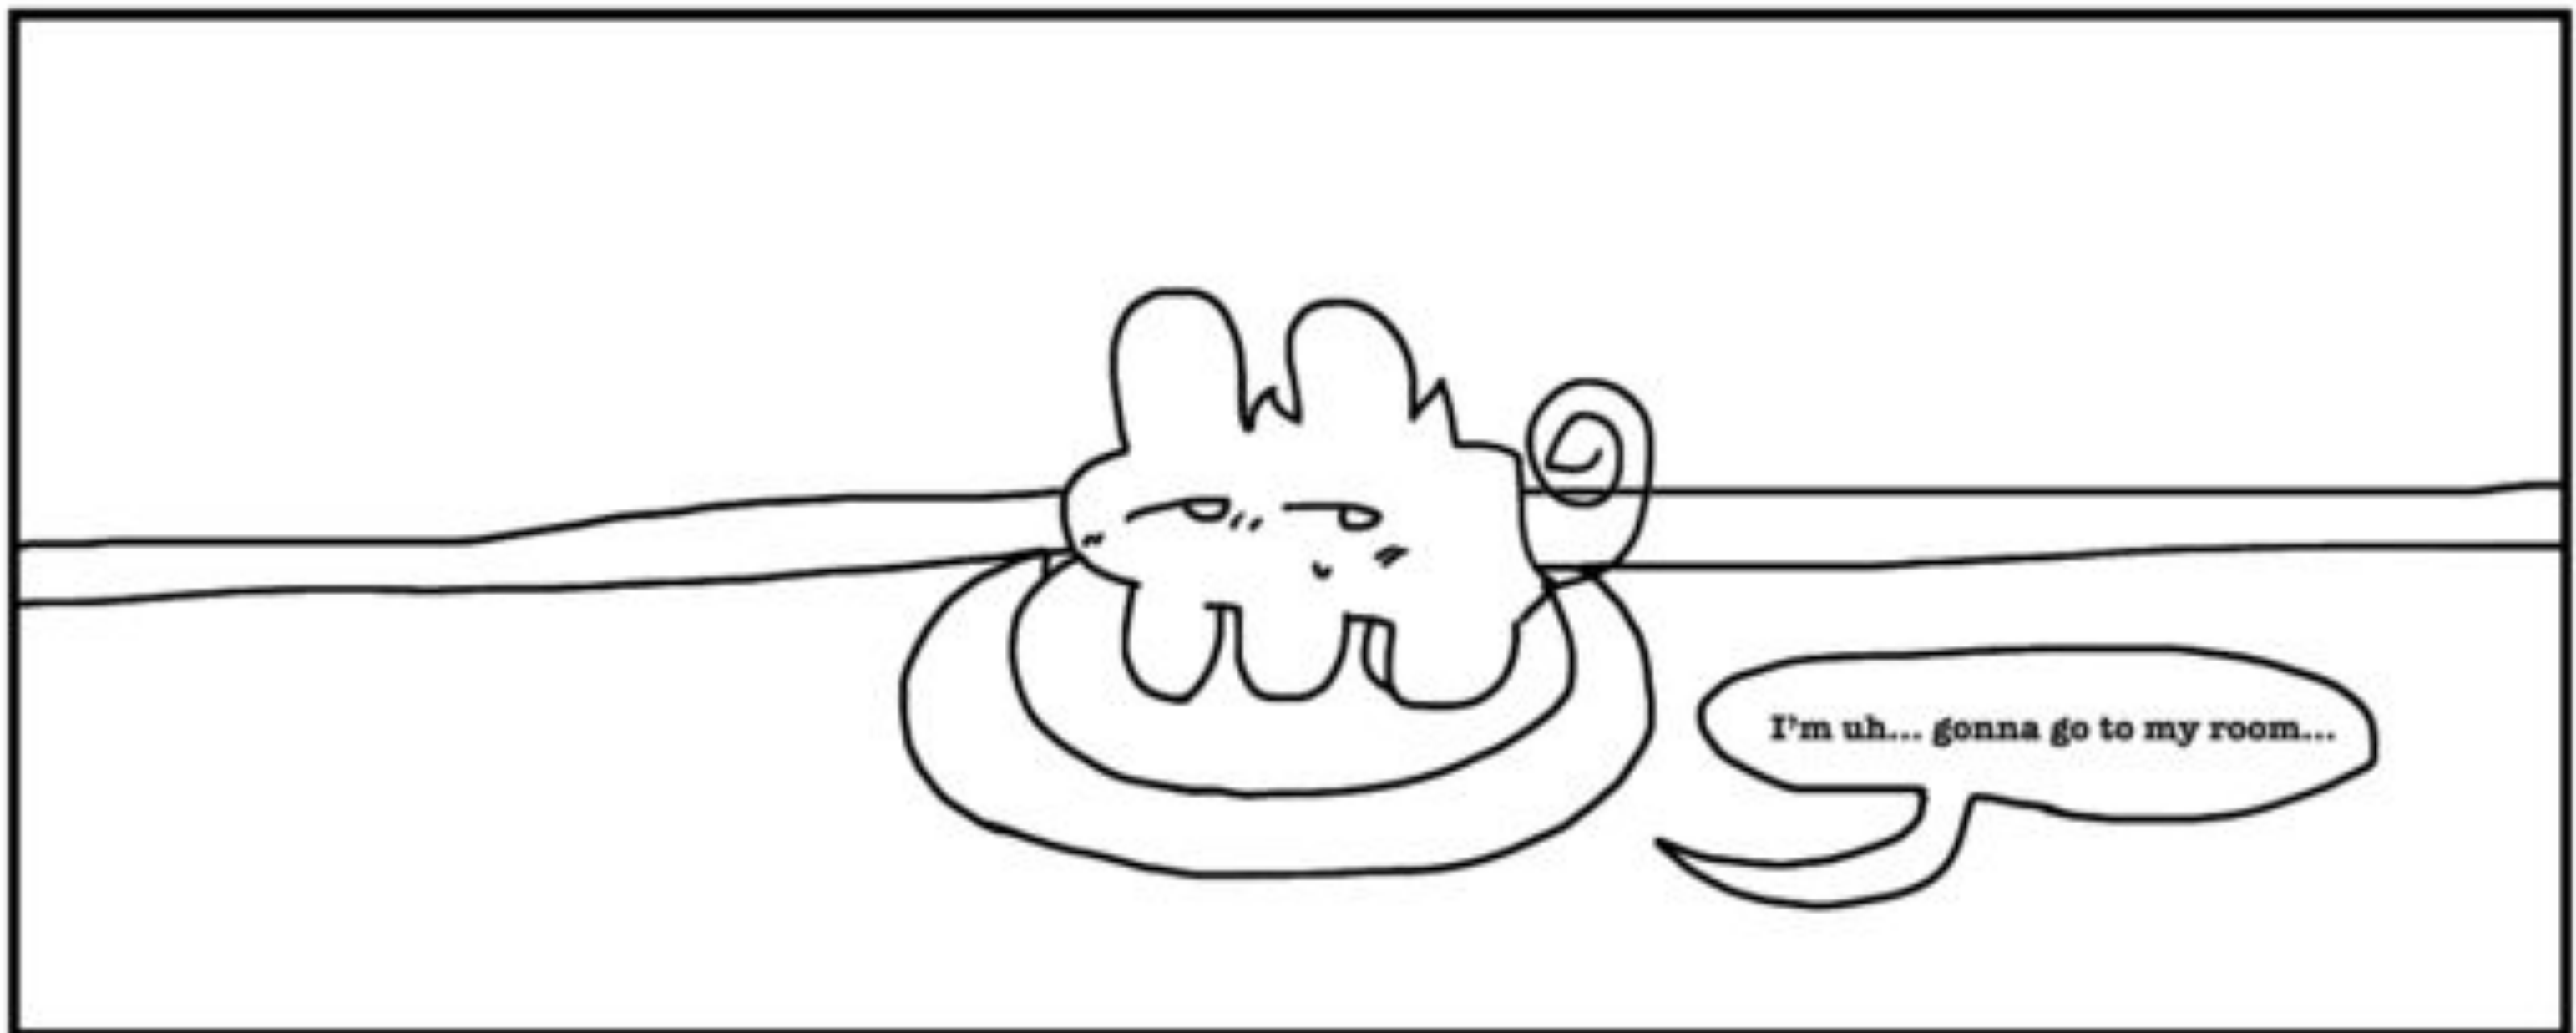

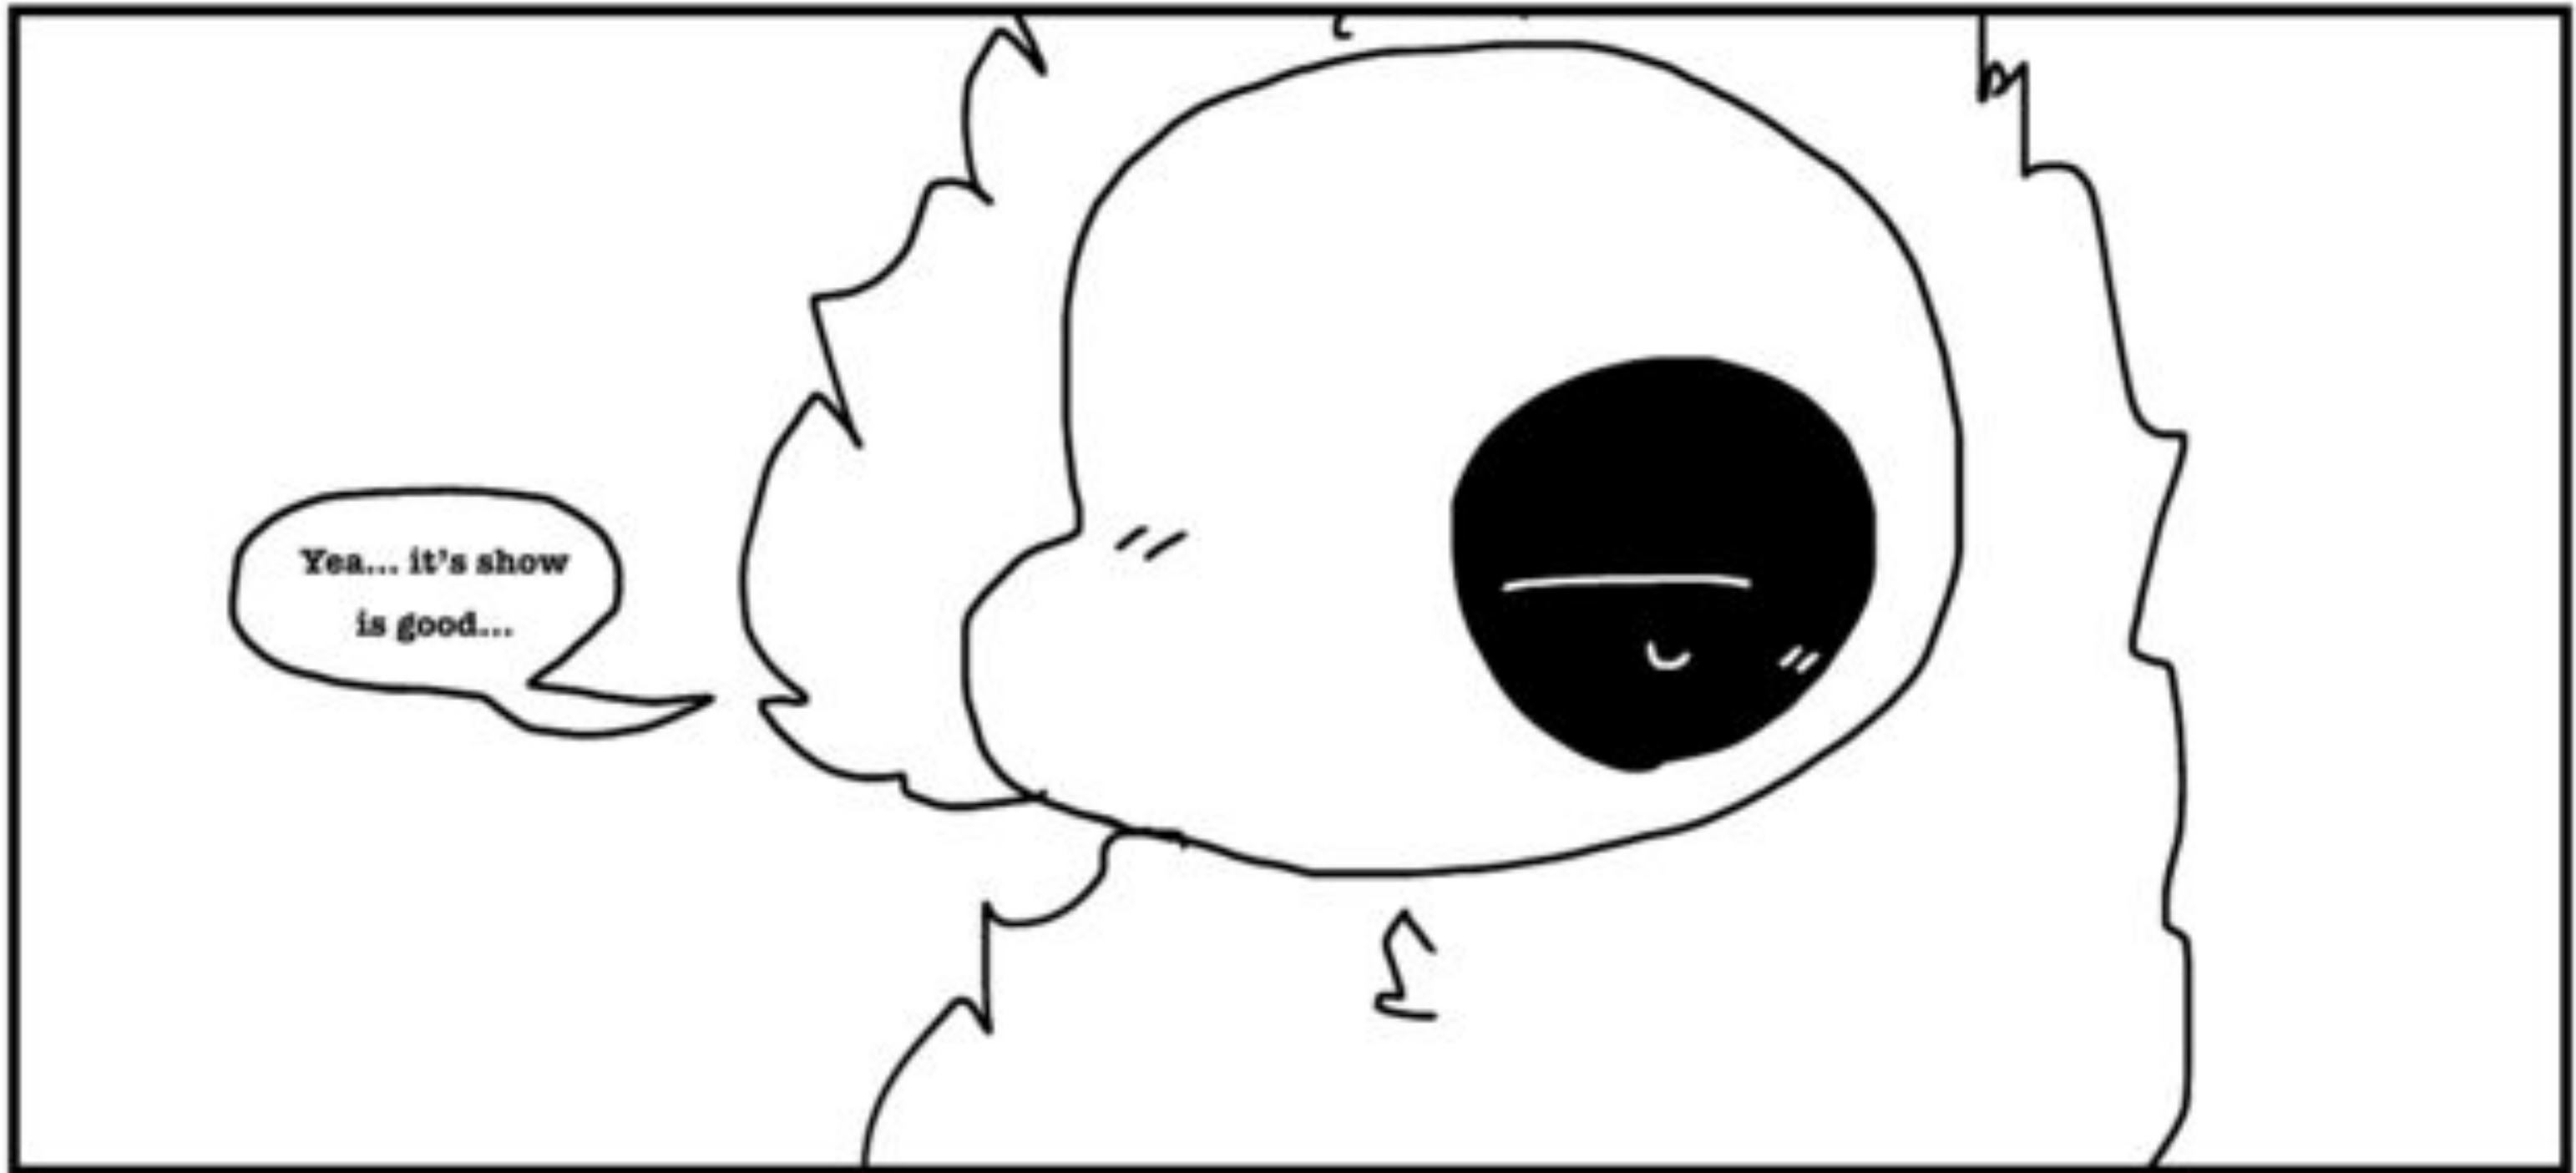

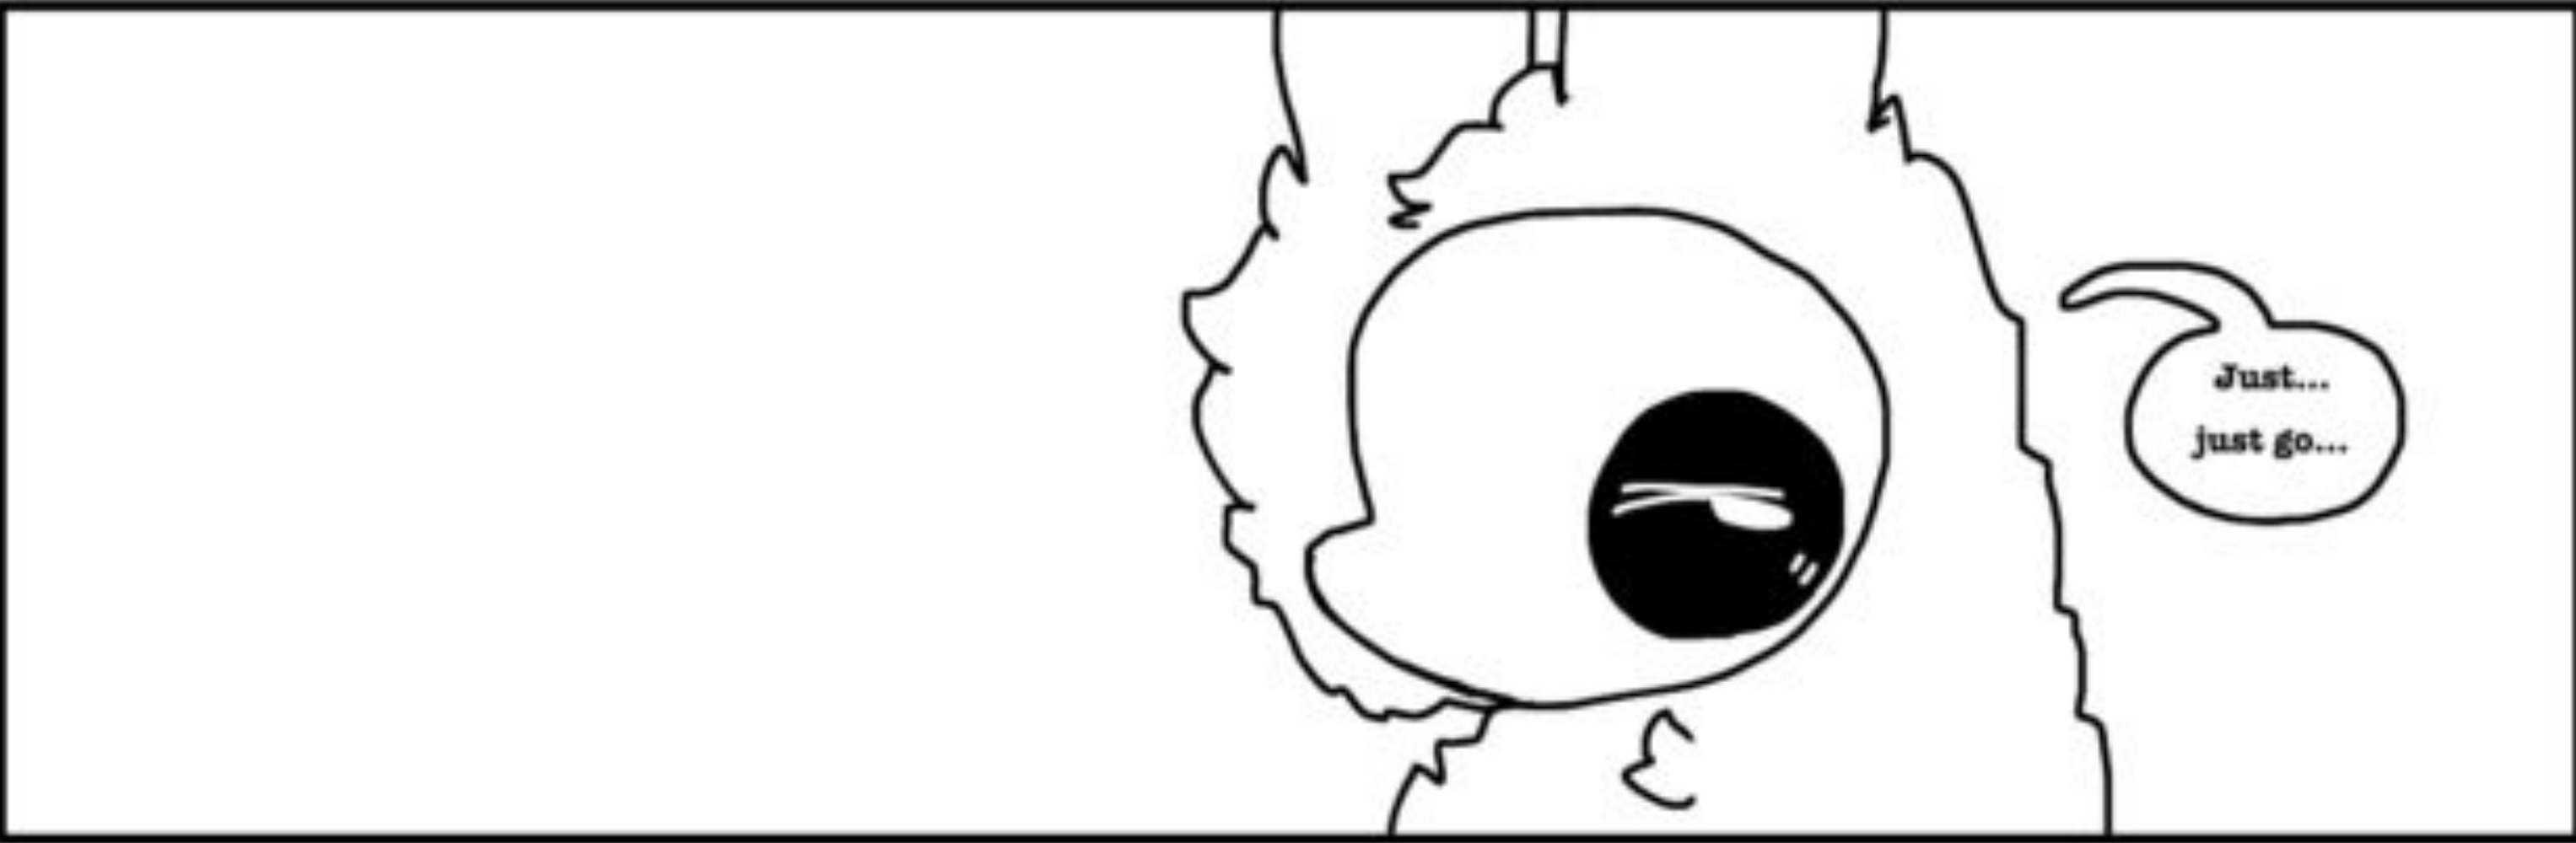

Yea...

this a great show!

I'm gonna go to bed...

Good night...

Hestos left.

Evan followed him.

Evan was lost...

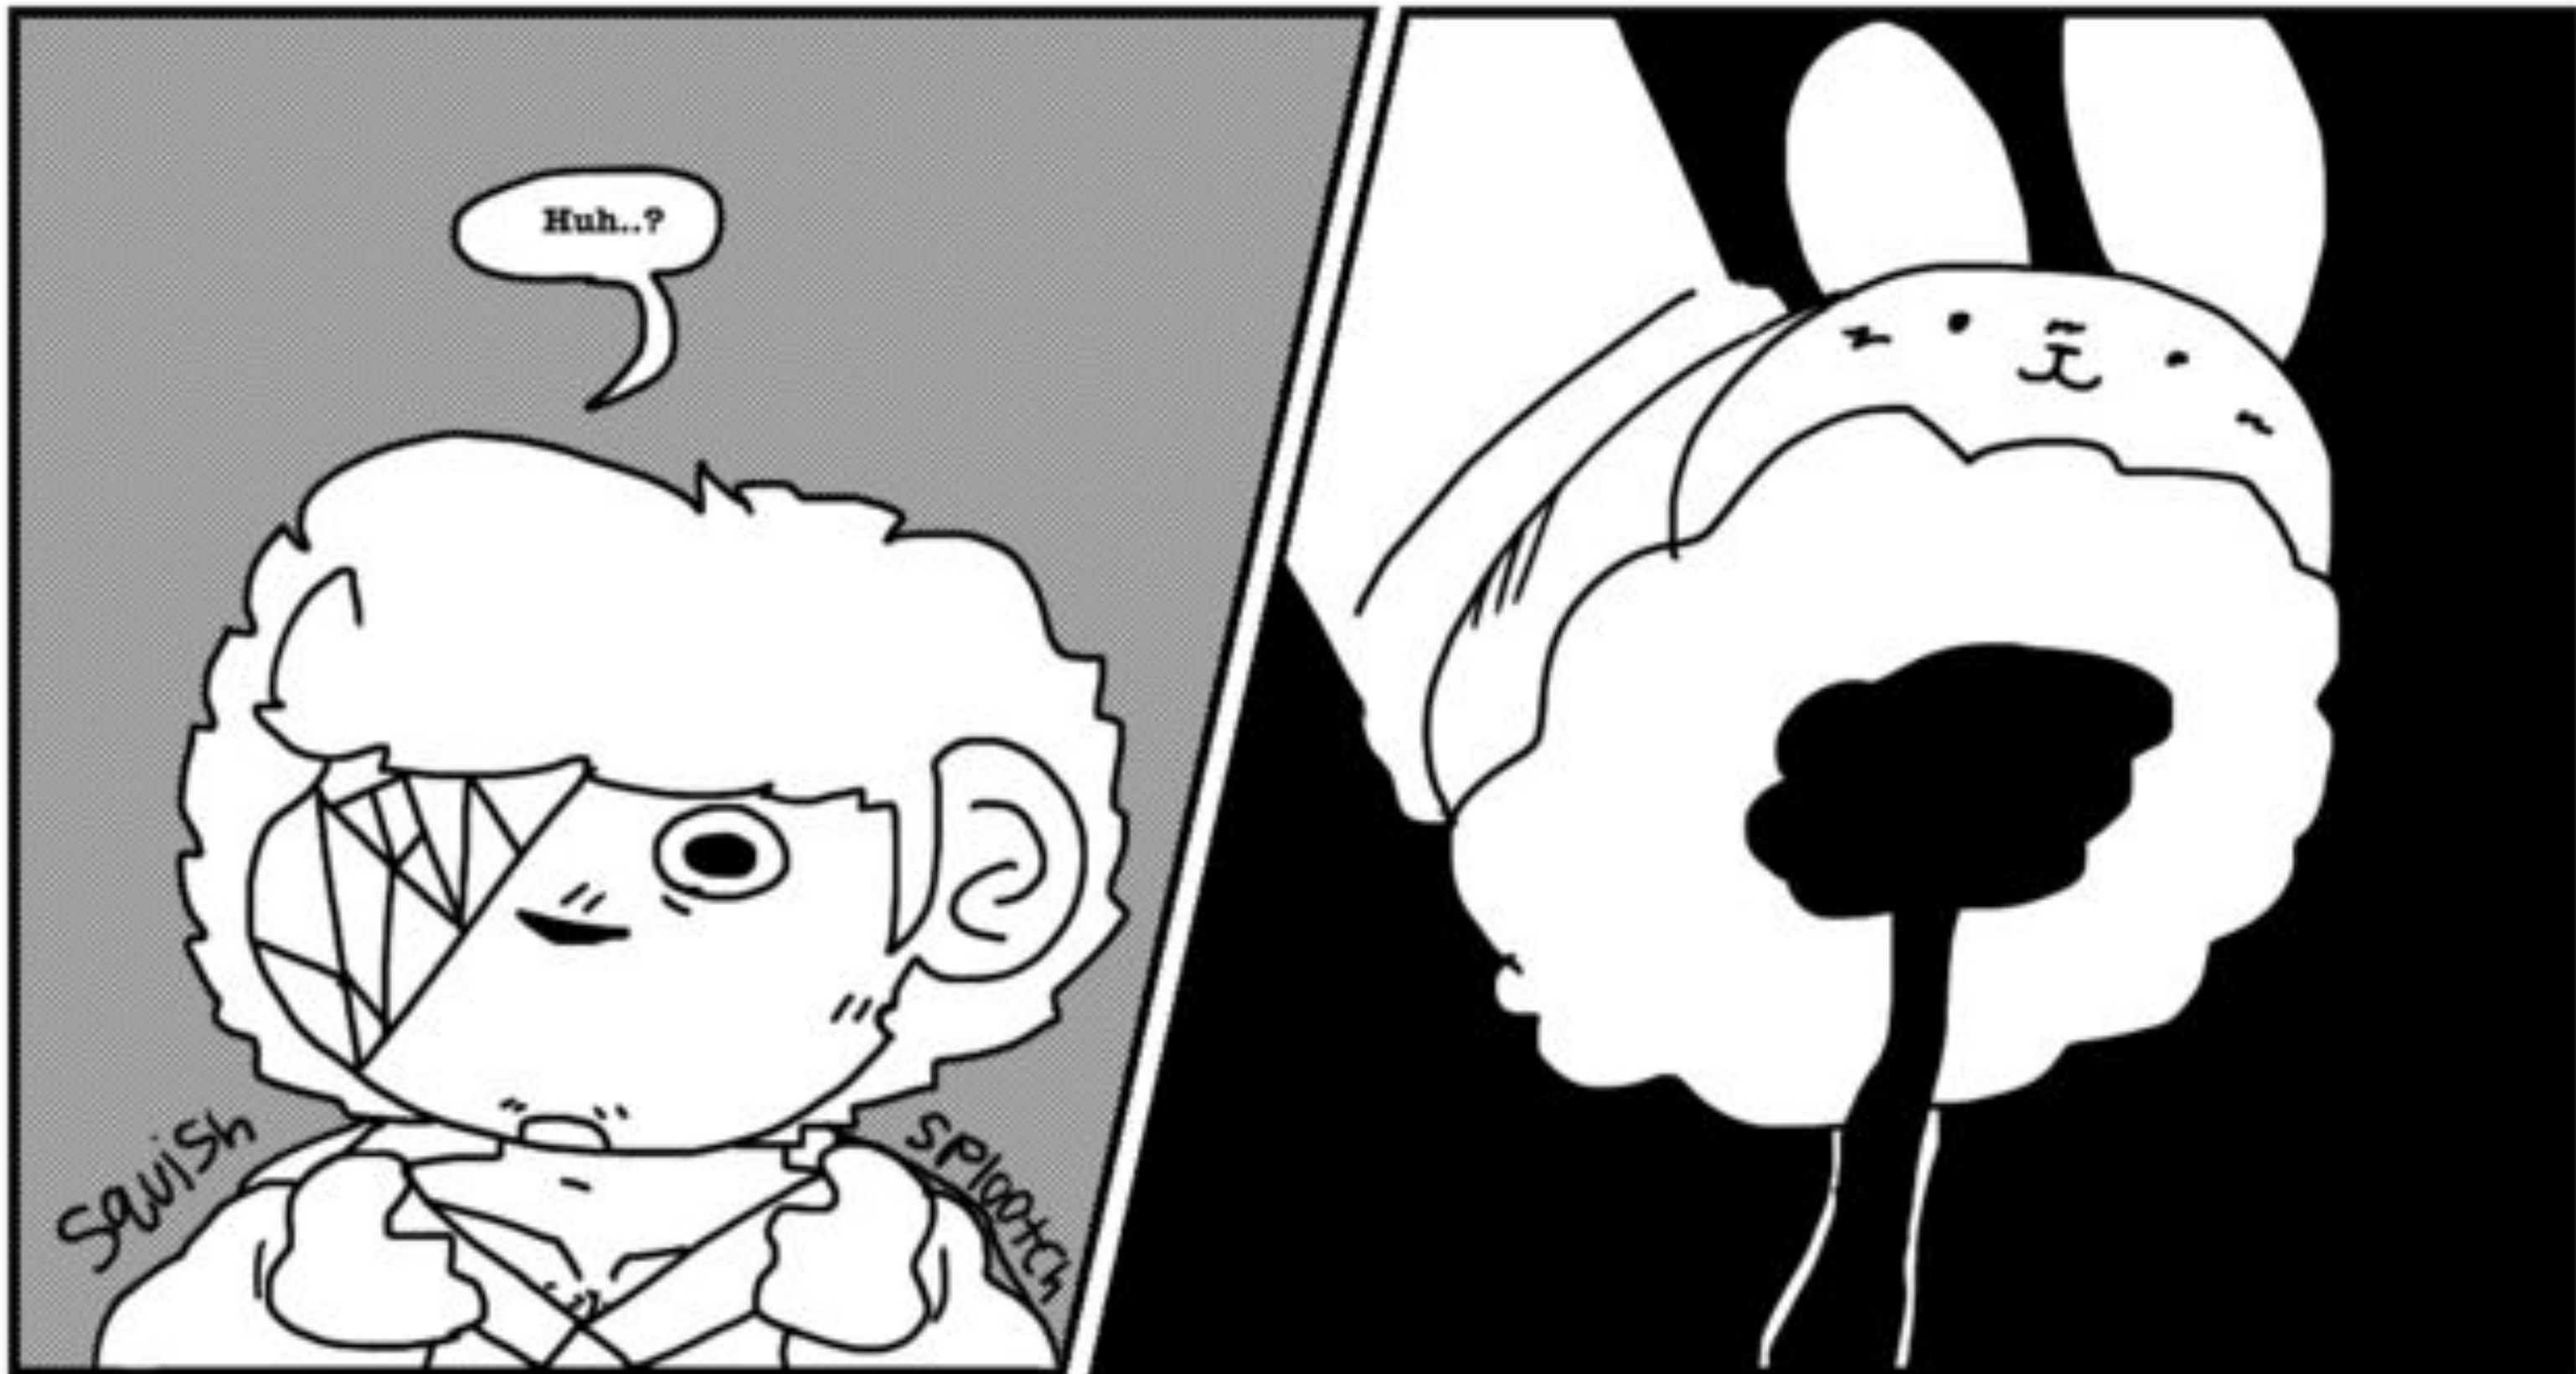

It was 3:36 am...

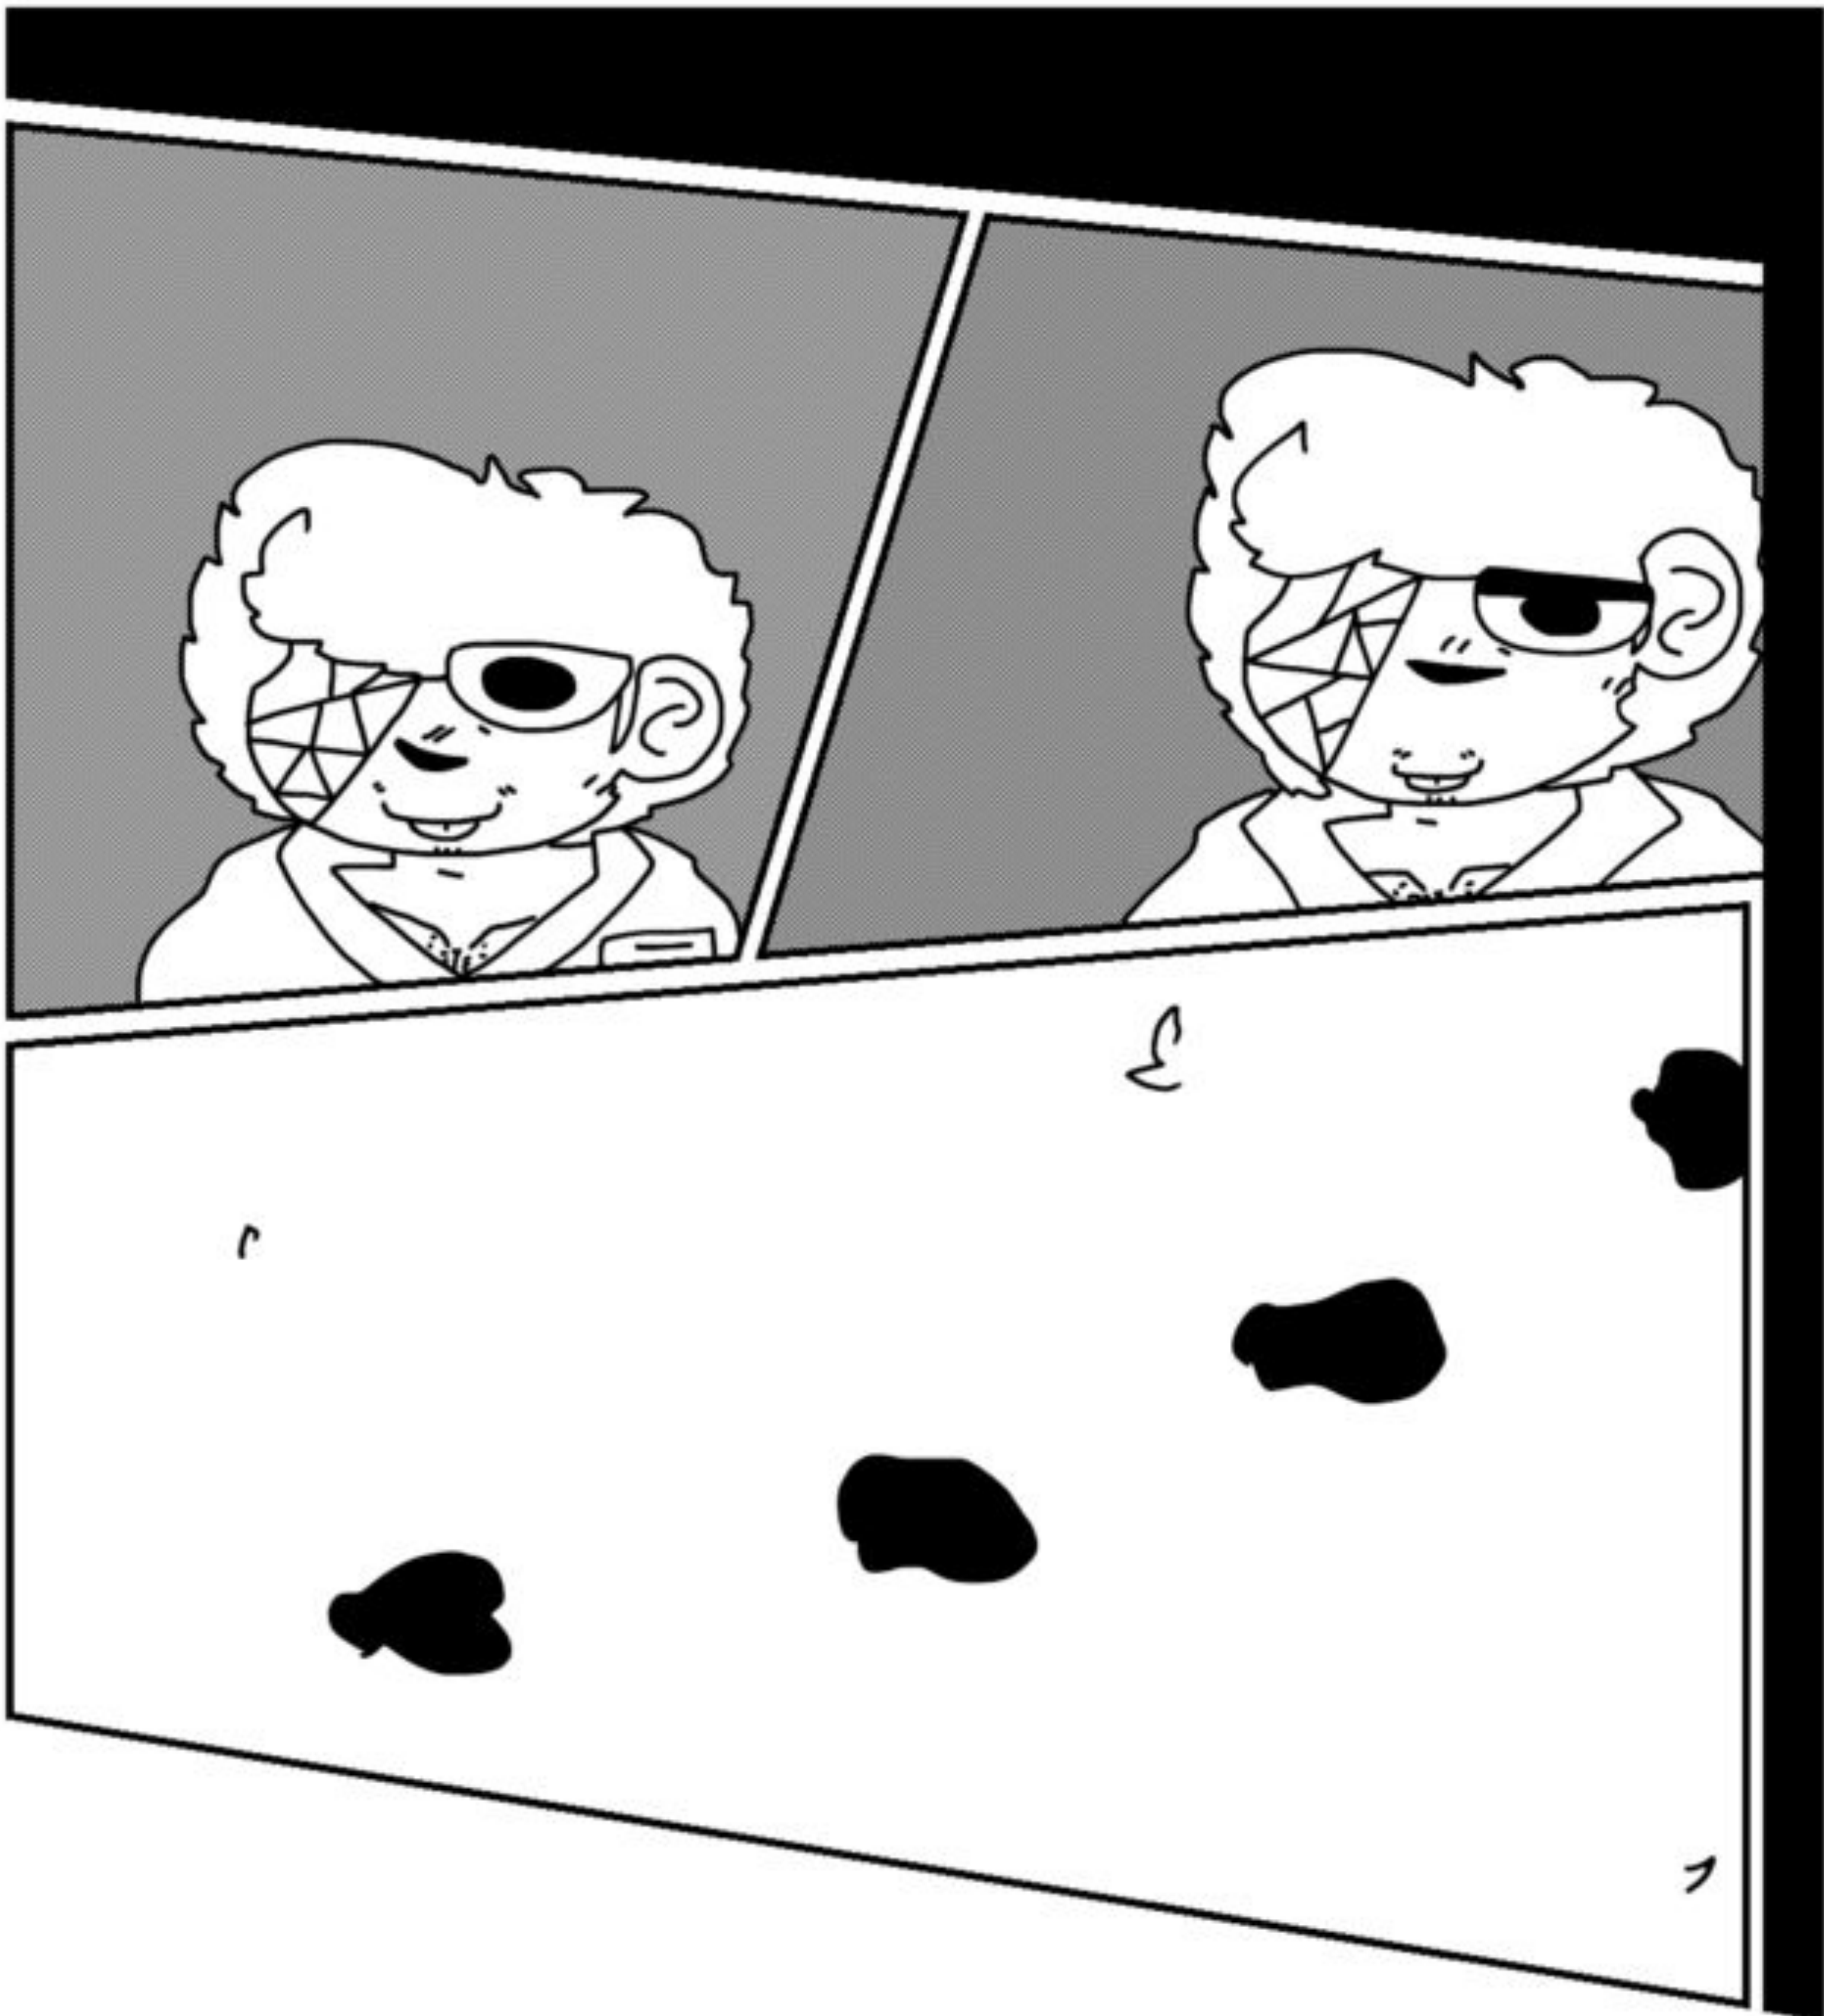

Not the time for a little black goo ball to be out...

CHAPTER 24
PEBIS' BIRTHDAY

The recent death of Jessica Morton has just been discovered to be connected to a group titled "S.O.C". The website "oshikamapro.com" has also been found to be related to the group

Where is Hestos,
yamaguchi

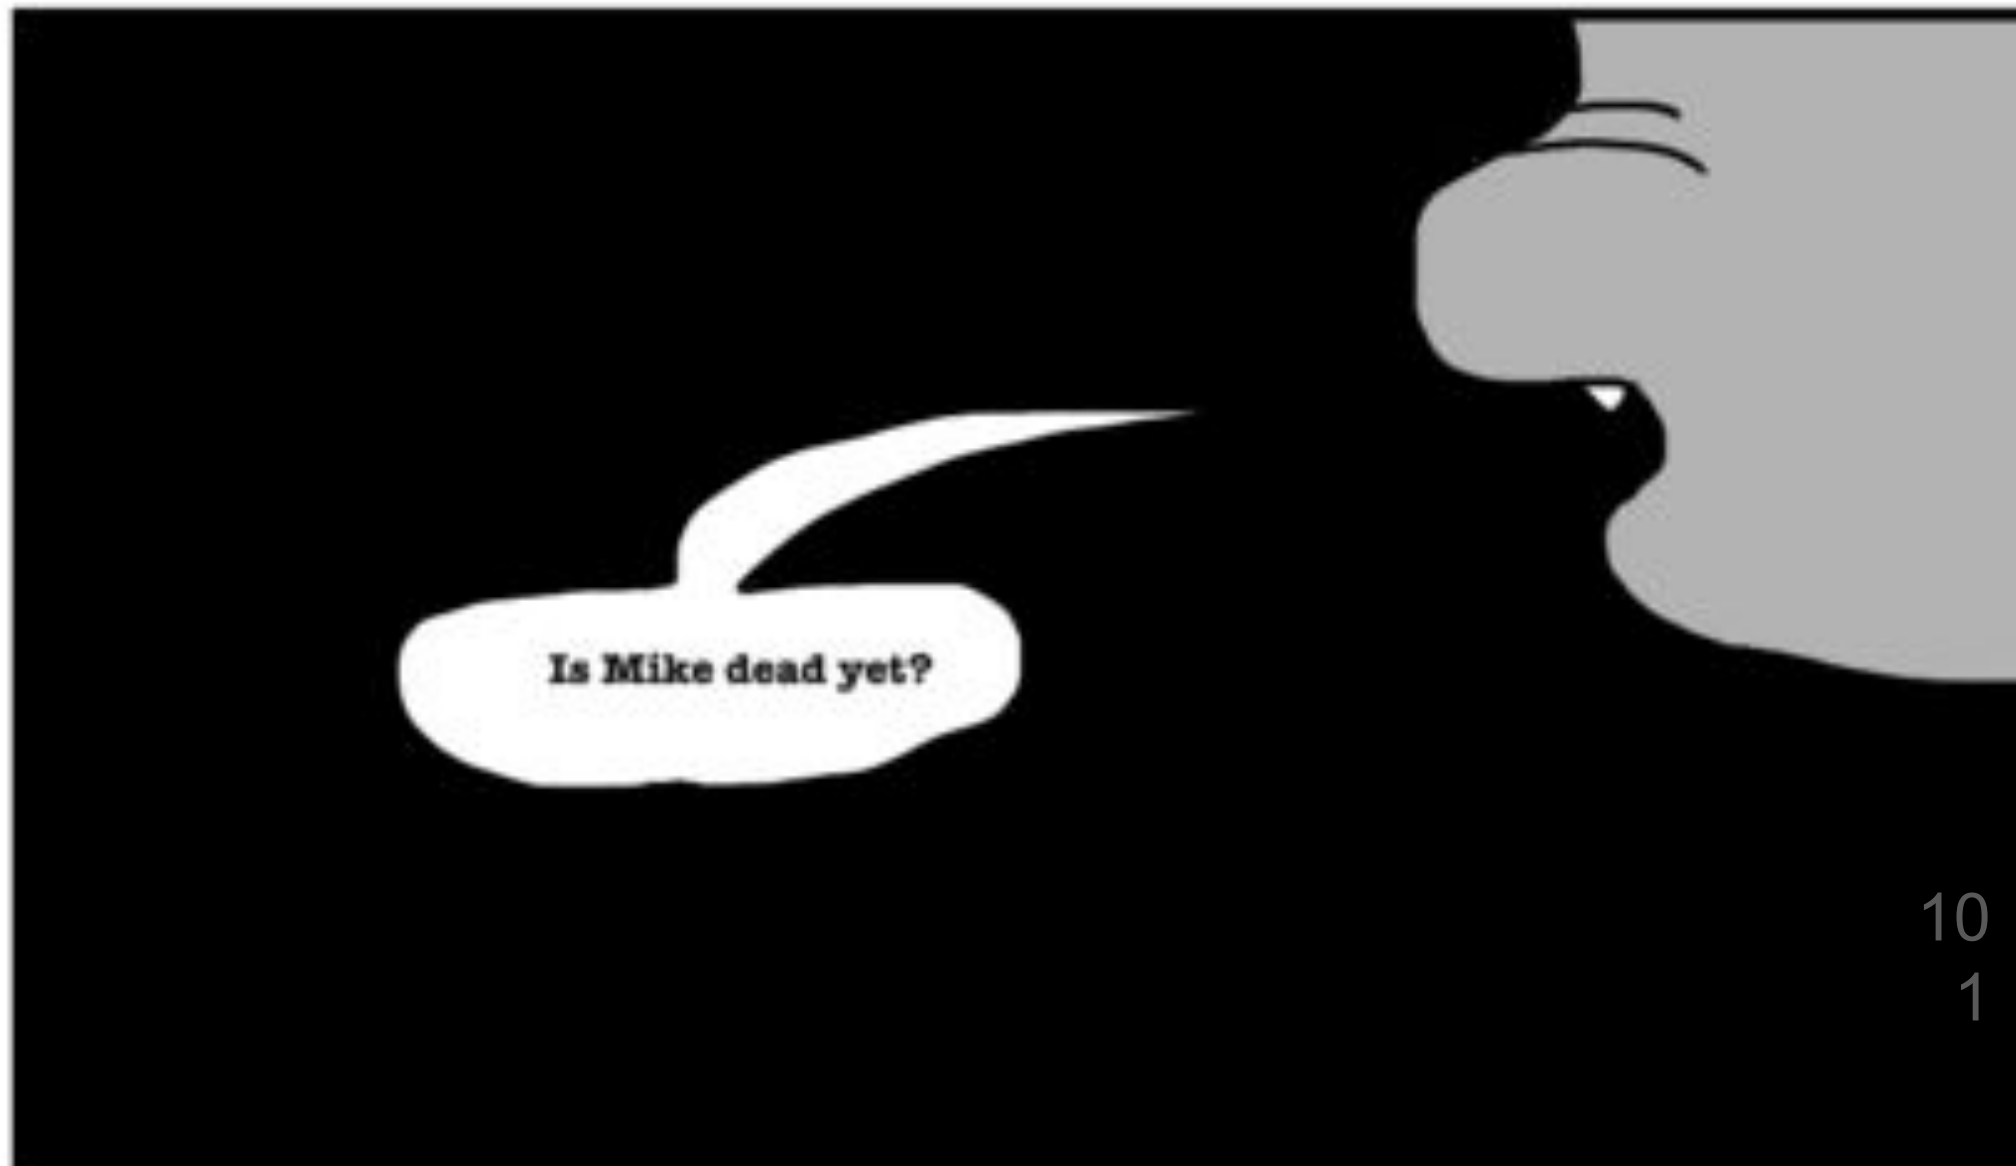

Uh... he's currently in Italy...

Why?

I... don't know...

Is Mike dead yet?

Uhh... let me check...

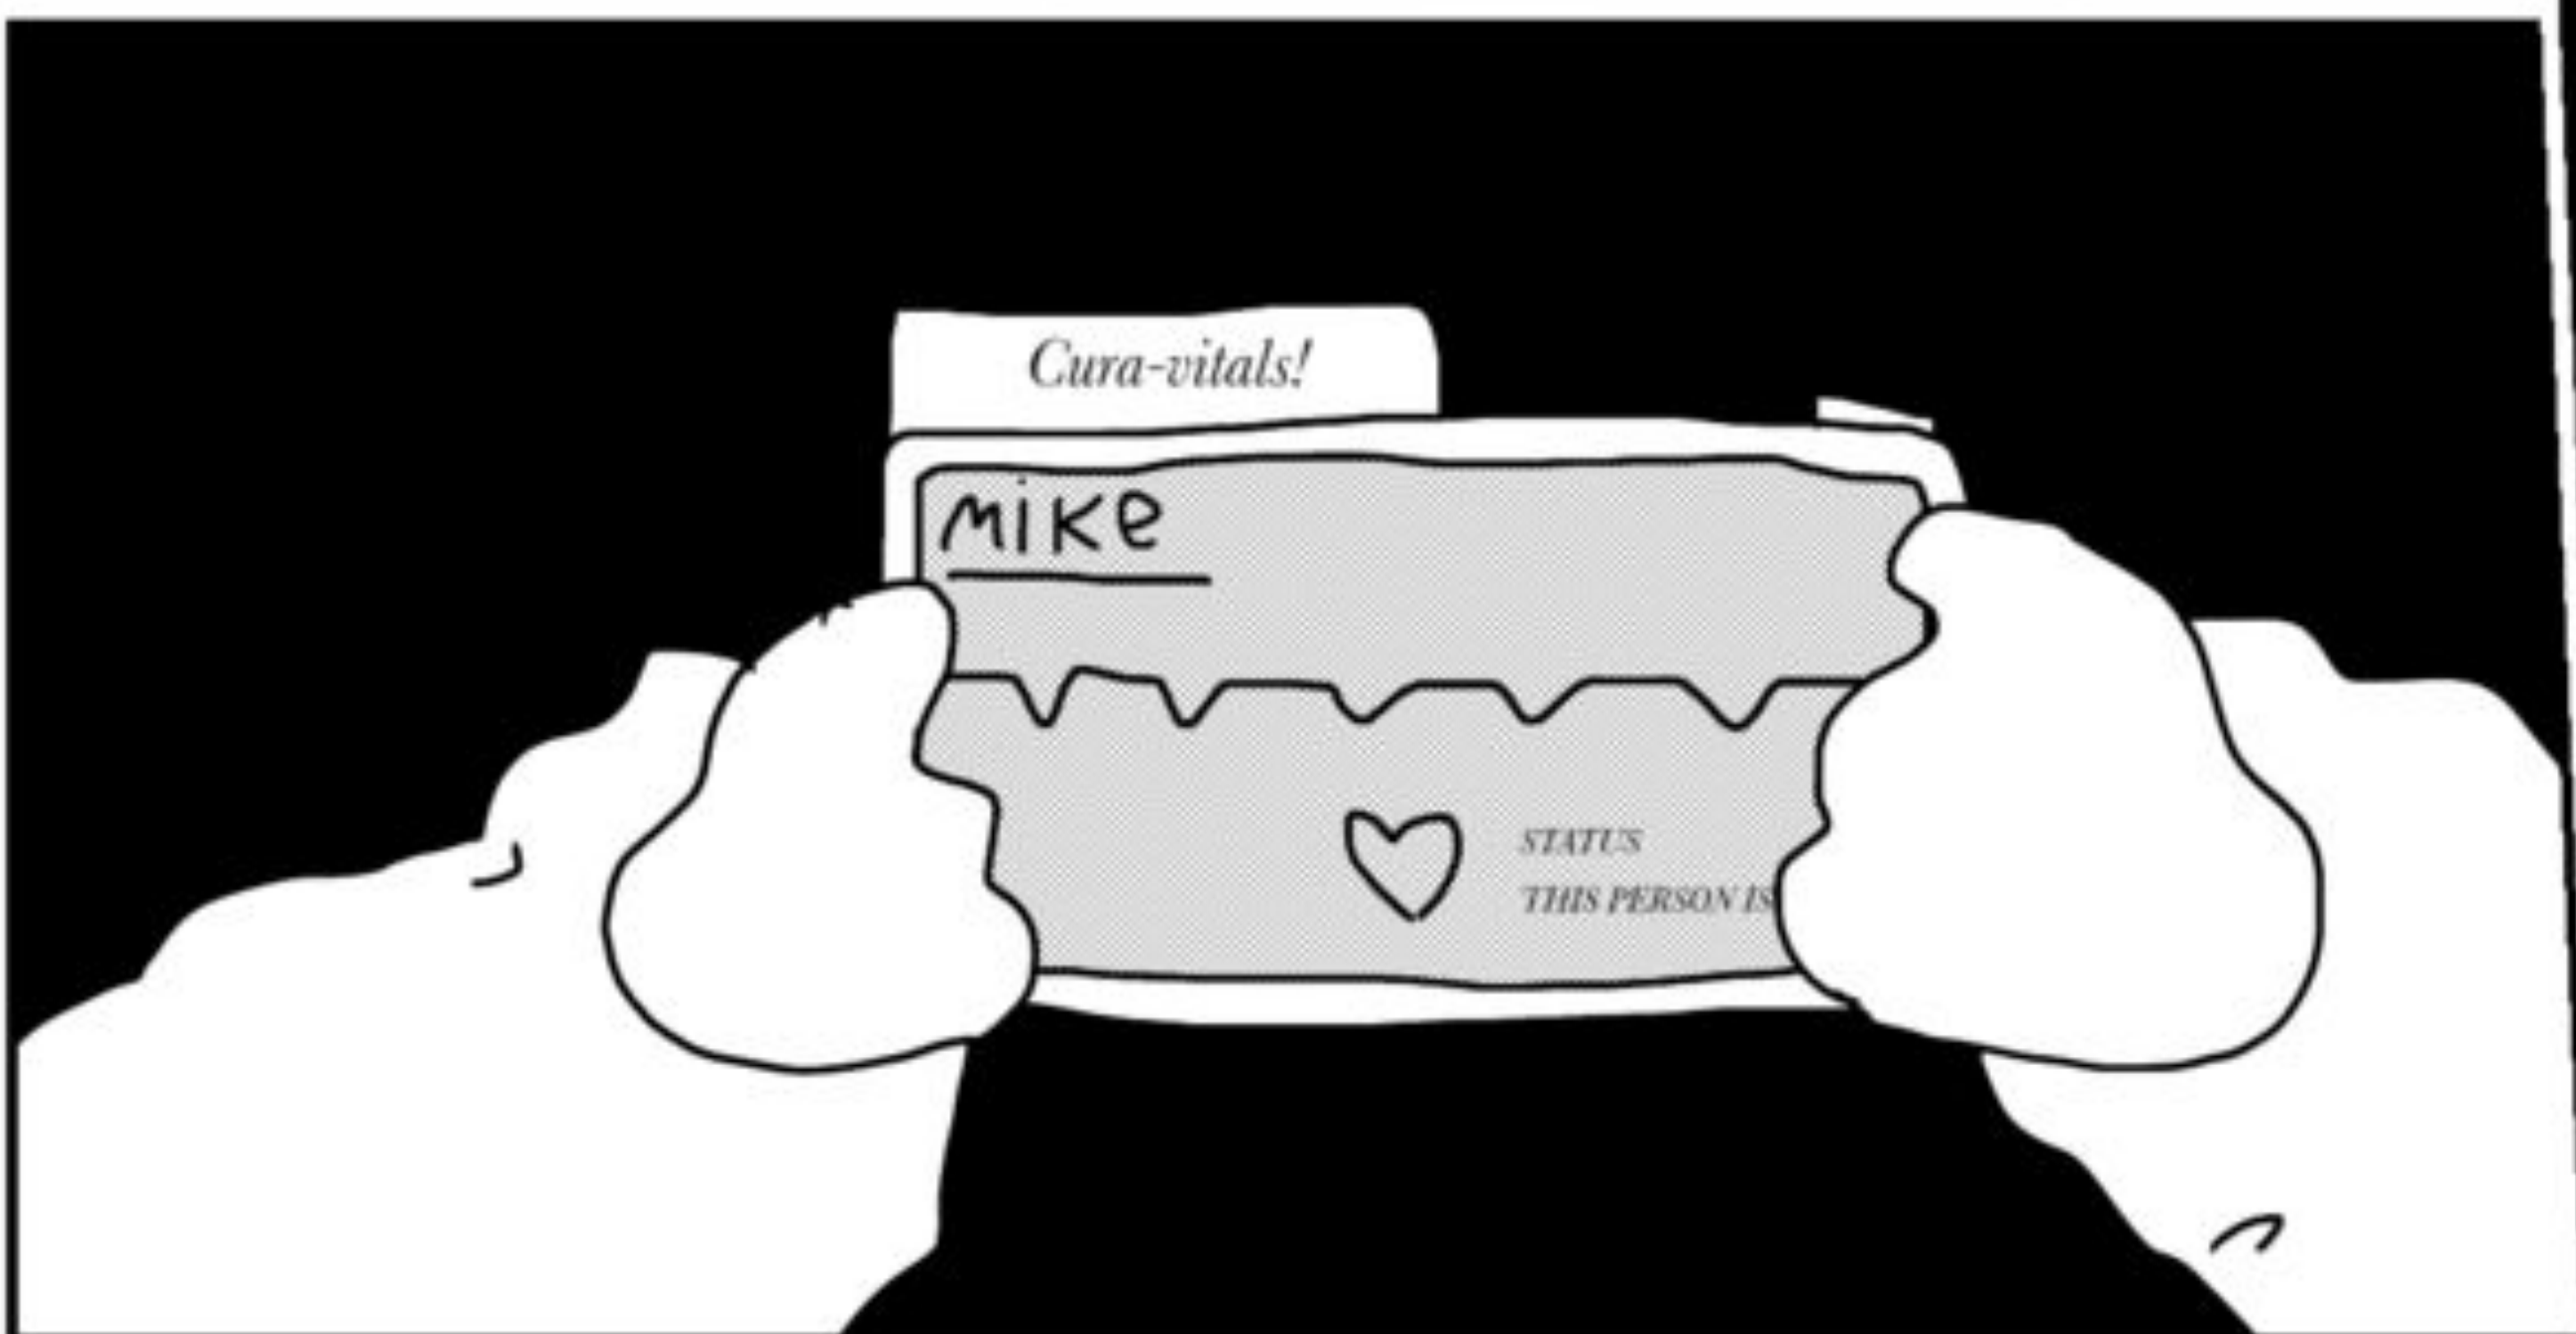

Cura-vitals!

MIKE

Ugh... I guess I'll have to take this into my own hands... won't I?

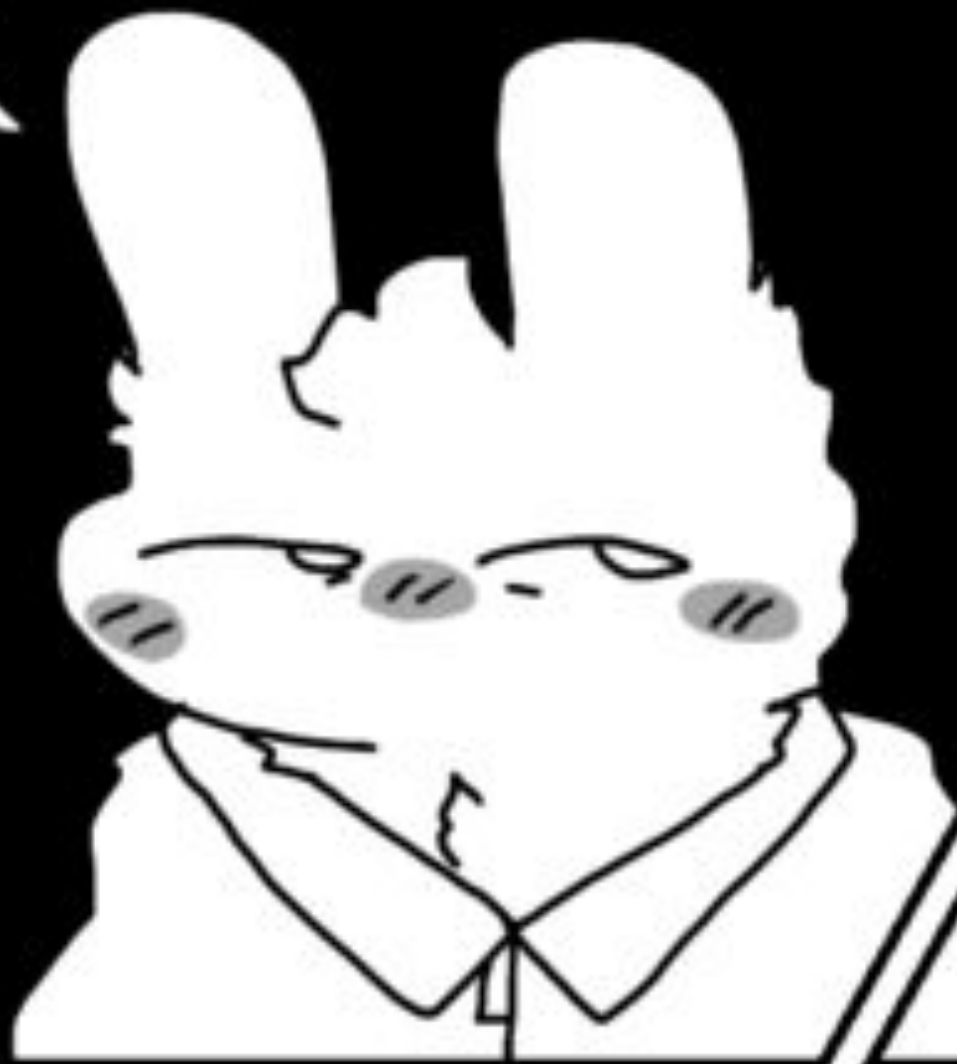

Good morning...
guardian told me
it's your birthday!

Hey guys...

Yea... that also means
I can be an asshole again...
My favorite activity...

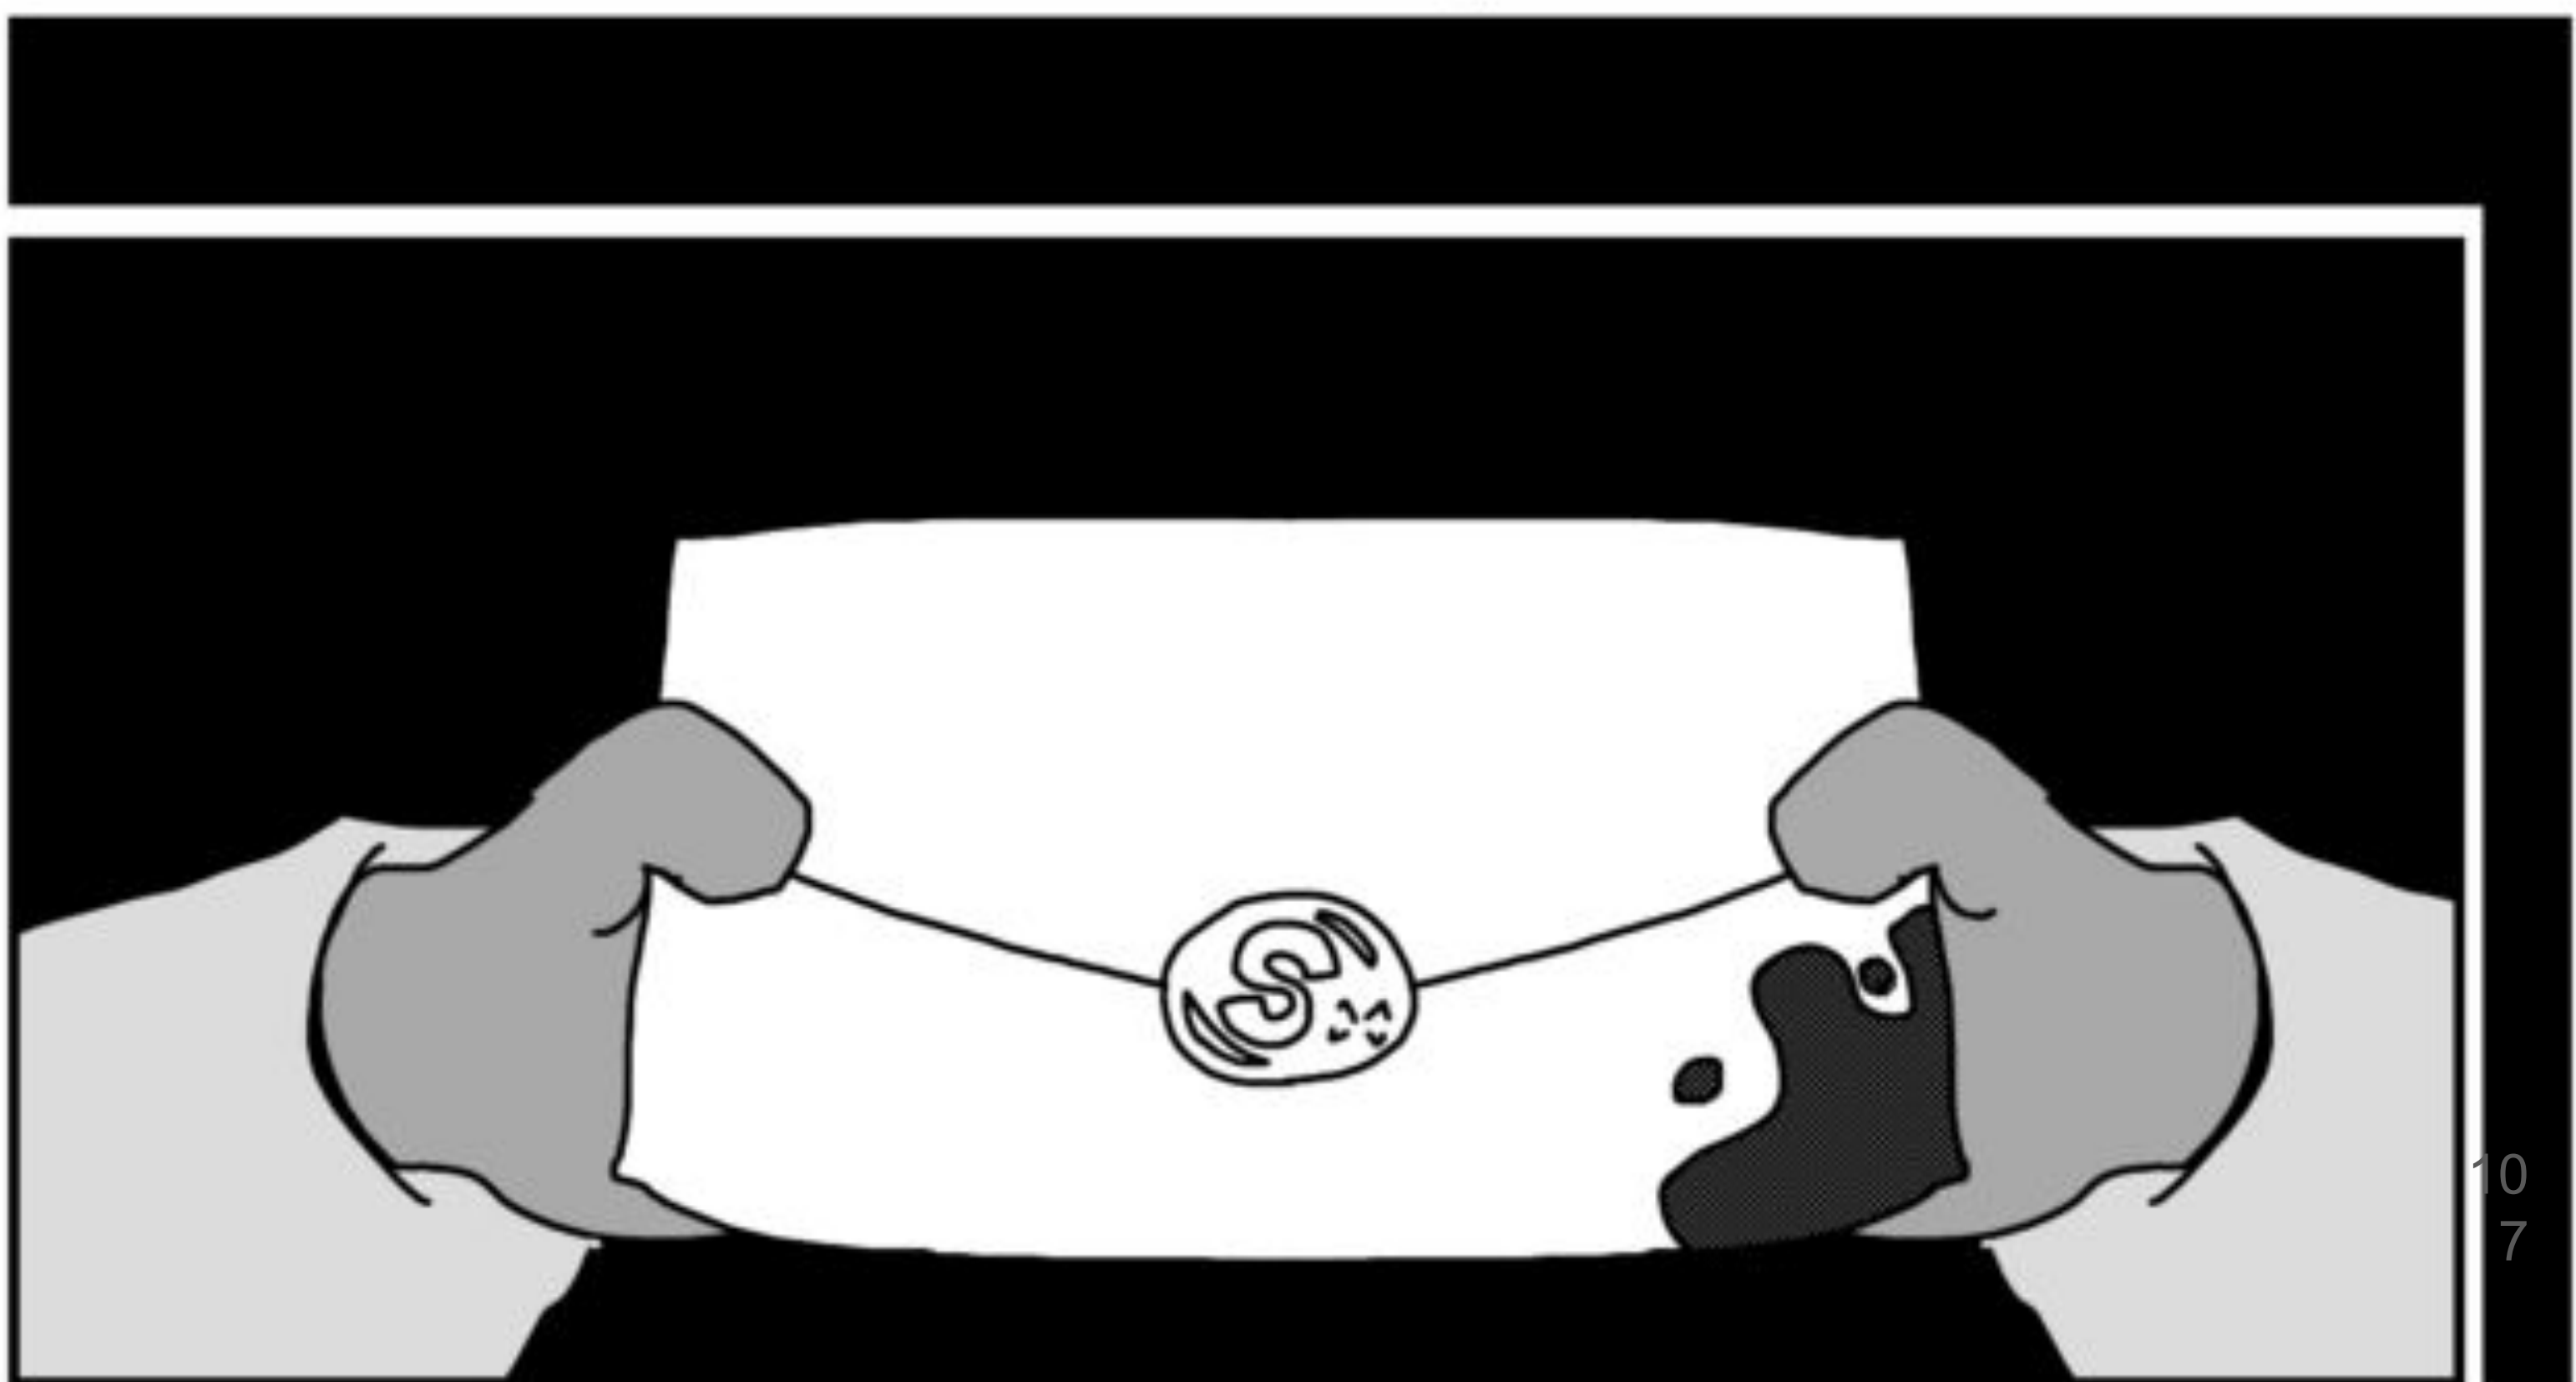

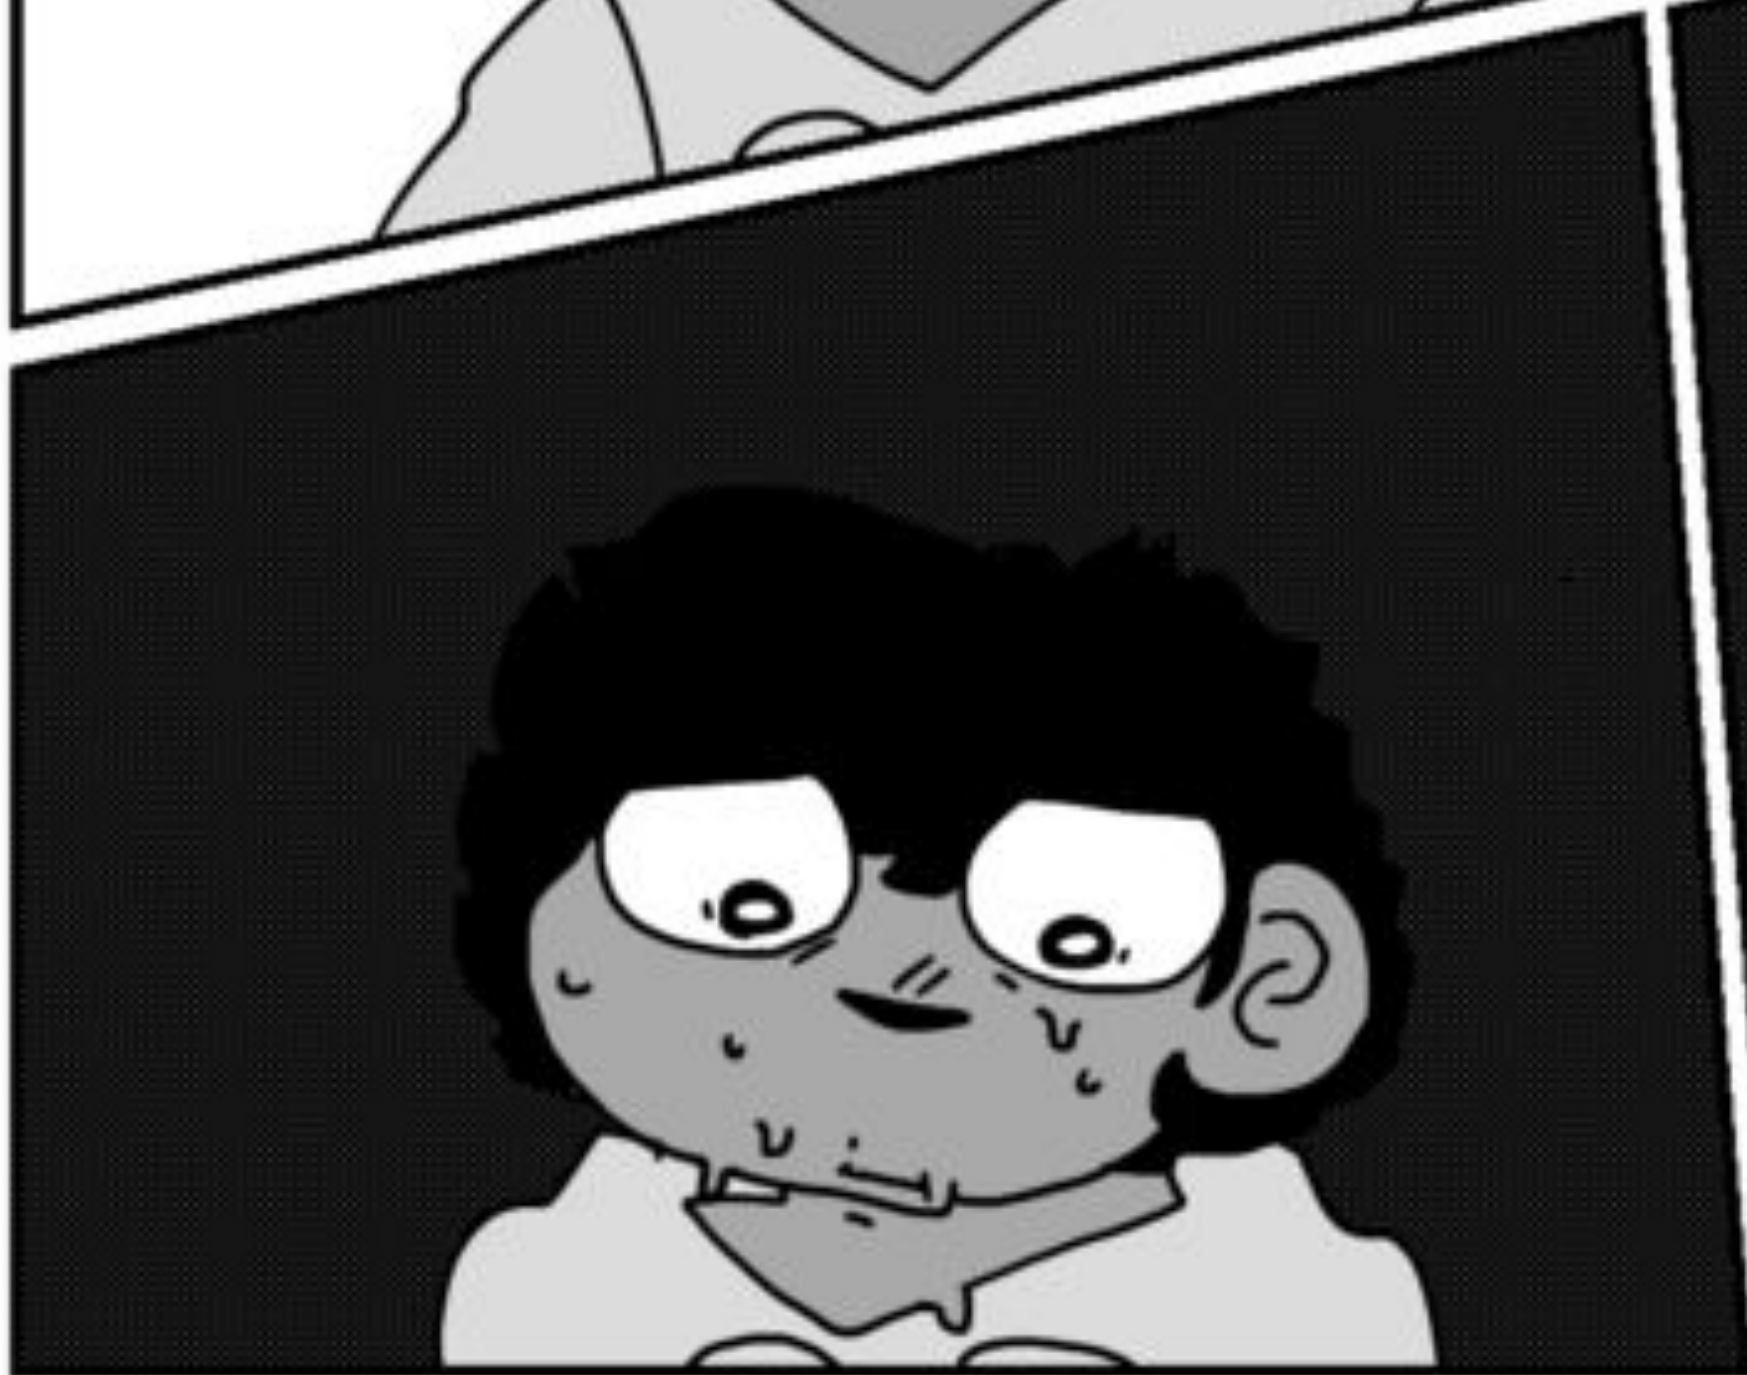

Hey Pebis, I invited
cok and his parents
to the party... so expect
them to be here soon!

Guardian... c-can

Oh... sure!

After some explaining...

I-I'm... s-sorry

t-that I never told
you...

sigh ... it's
fine... I guess...

But... why tell me
this now?

This....

Dear Micheal Moreno,

Would you be so kind to attend
a private meeting? Just us... unless... you bring
guests... haha...

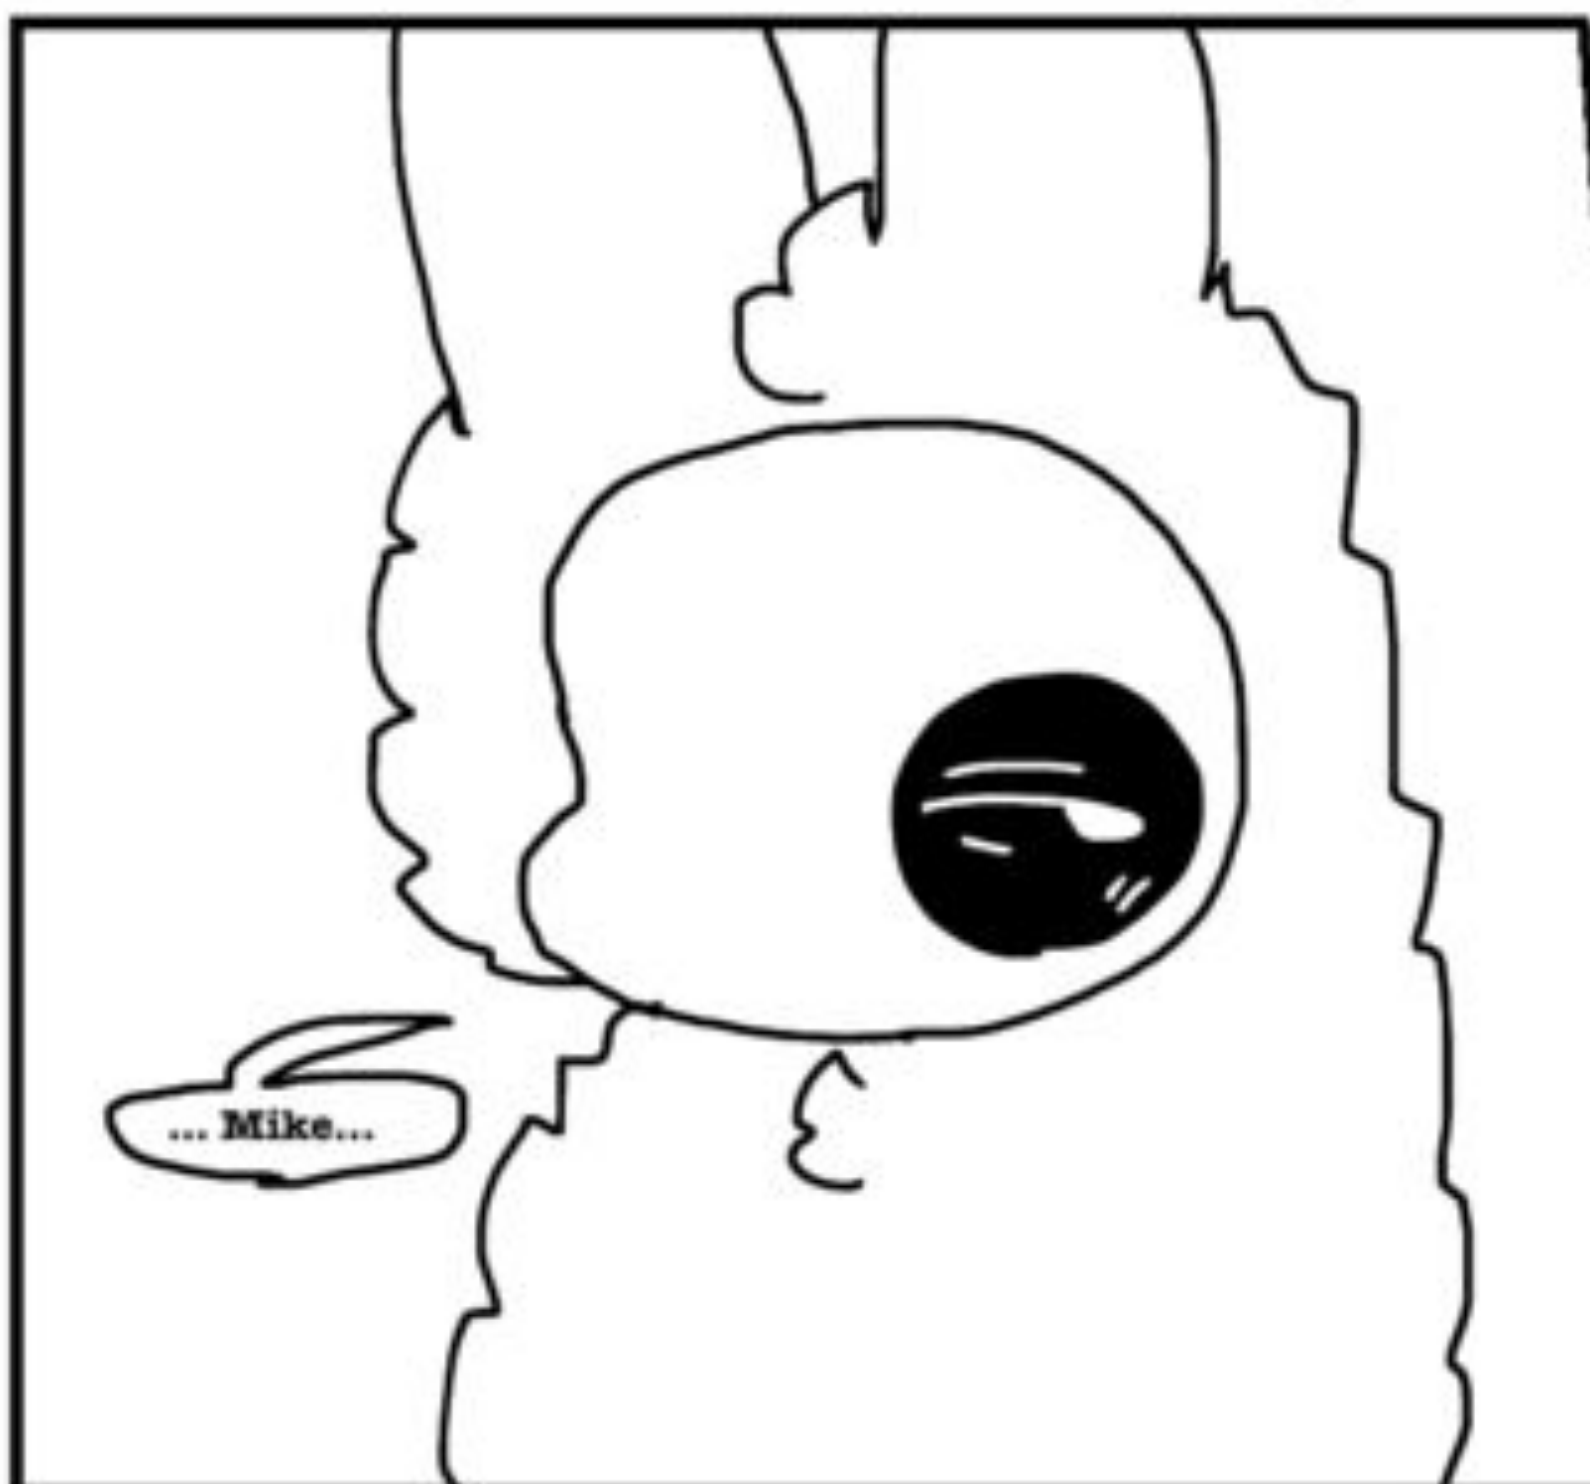

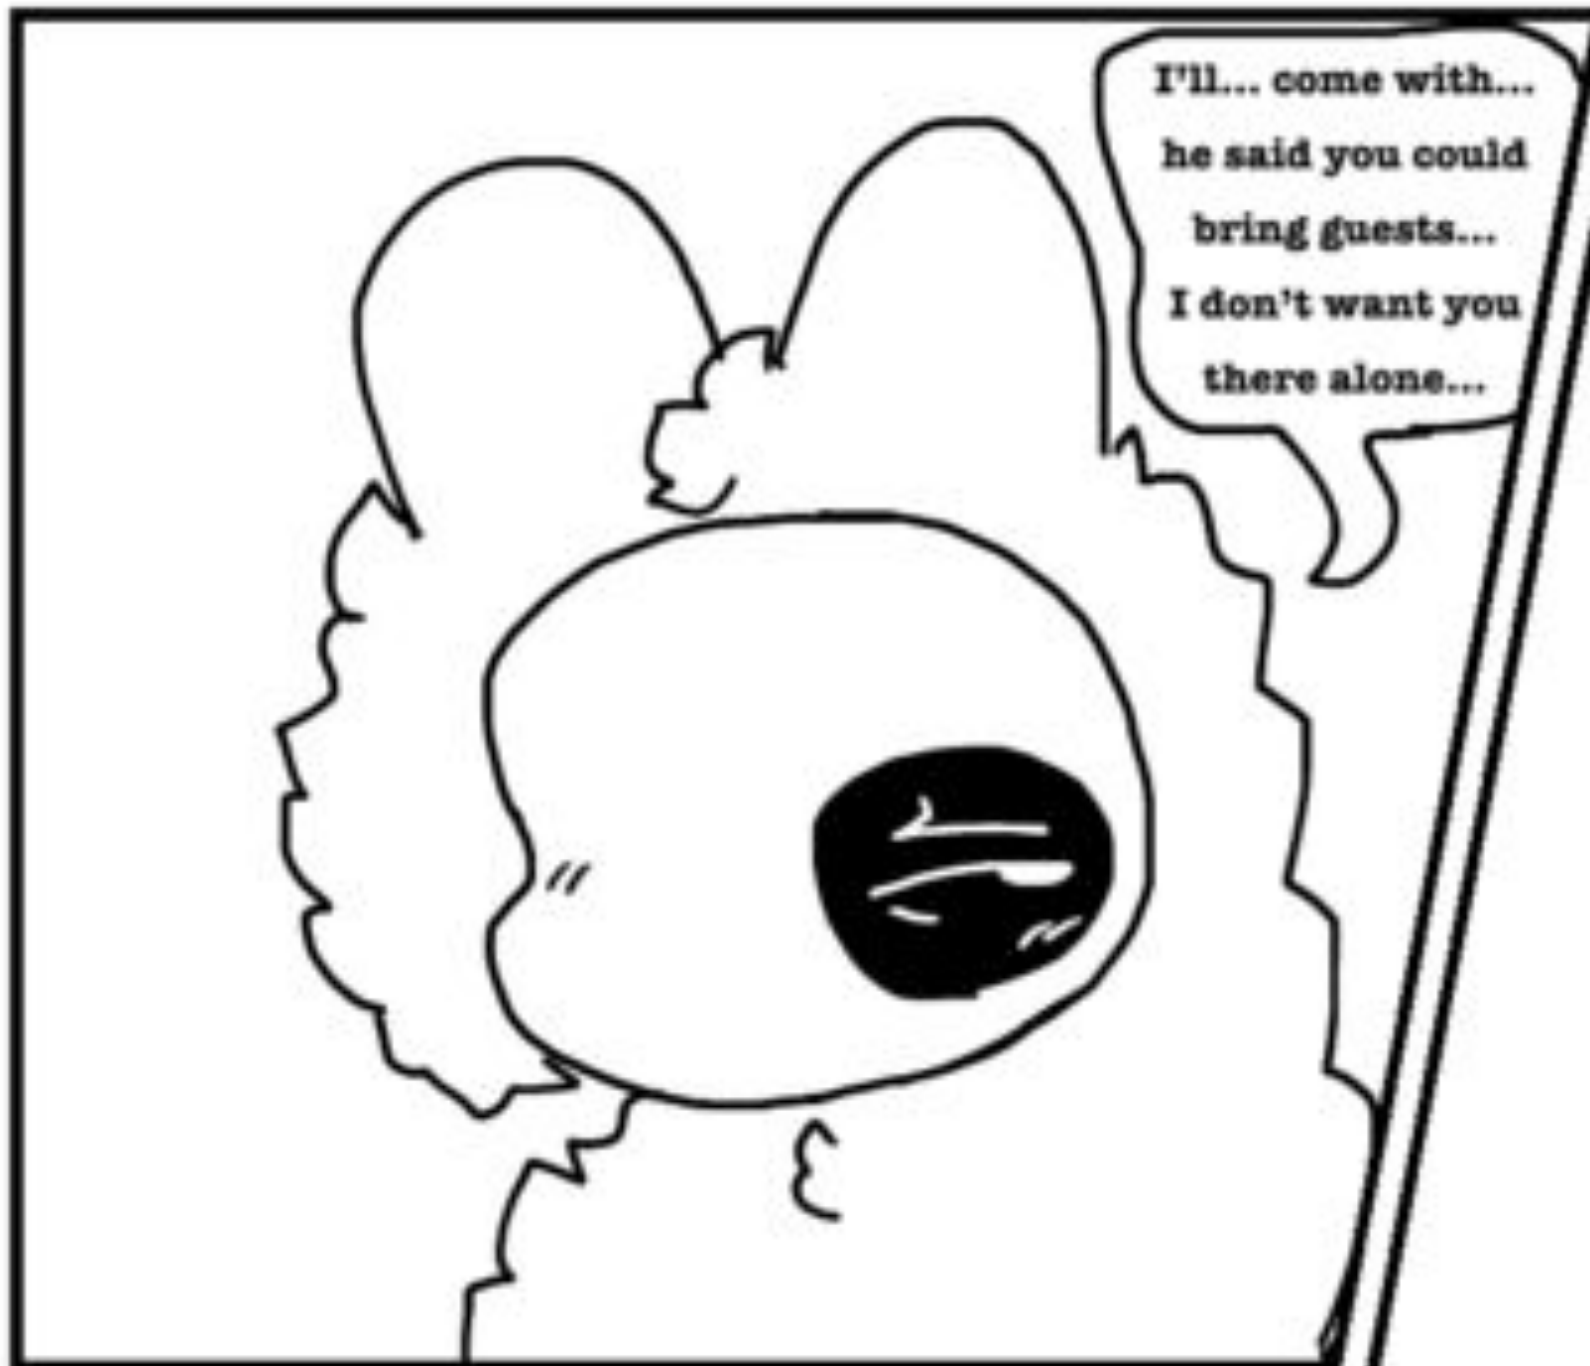

Please consider,

Curator

God... he even writes "haha"...

I-it's just... I know
he's expecting me by tonight...
I don't
wanna go but... if I don't...
he might kill me... he does that...

Downstairs...

Evan... can we talk...?

Oh... yeah!

What is it?

So uhm... my ex-boss invited
me to a private meeting
and if I don't come he might kill me!

Mike called ulyseus to try to get him to come with...

...and he agreed to come!
Woohoo!

{BEEP}

Hey Pebis...

Hm..?

Me, Mike, and Guardian
have to go somewhere... so
we might not be able to
attend your party...

Is... that fine?

Oh... okay...
I guess it's fine...

Don't worry! We'll try
to be back by gift unwrapping!
Save me some cake!

Evan come on!
Uly is here!

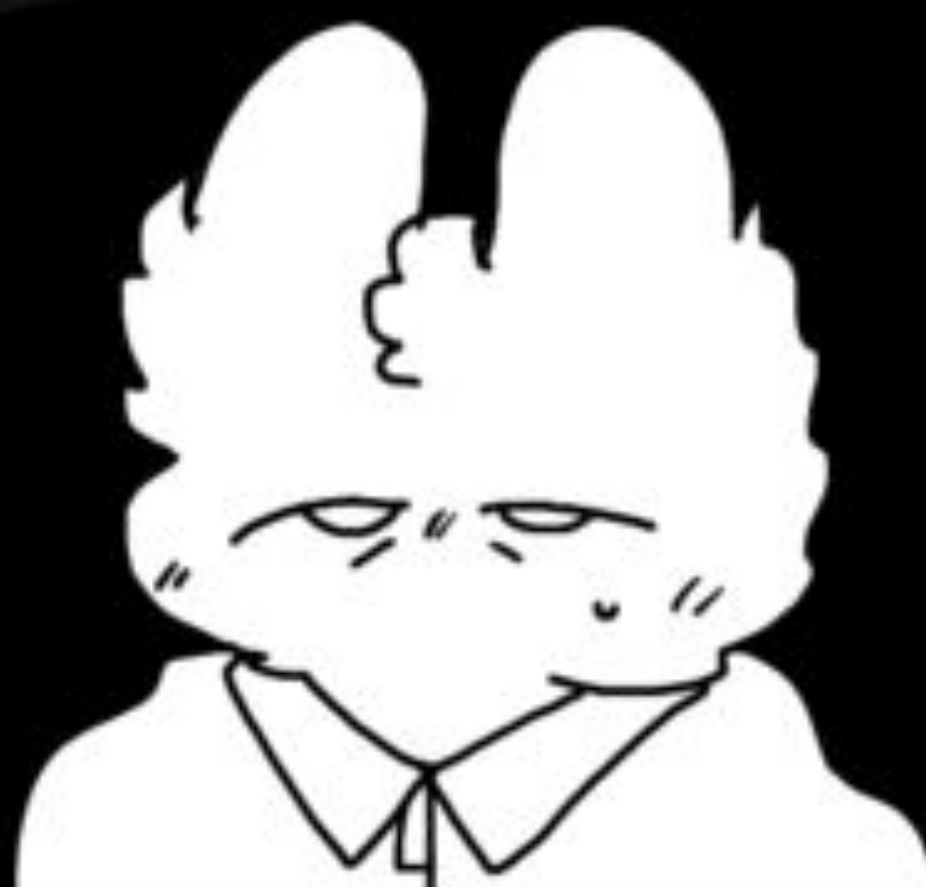

Okay, hold on!

See ya later Pebis! I love you!

I love you too...

Mike, Evan, Guardian, caretaker...

Be safe...

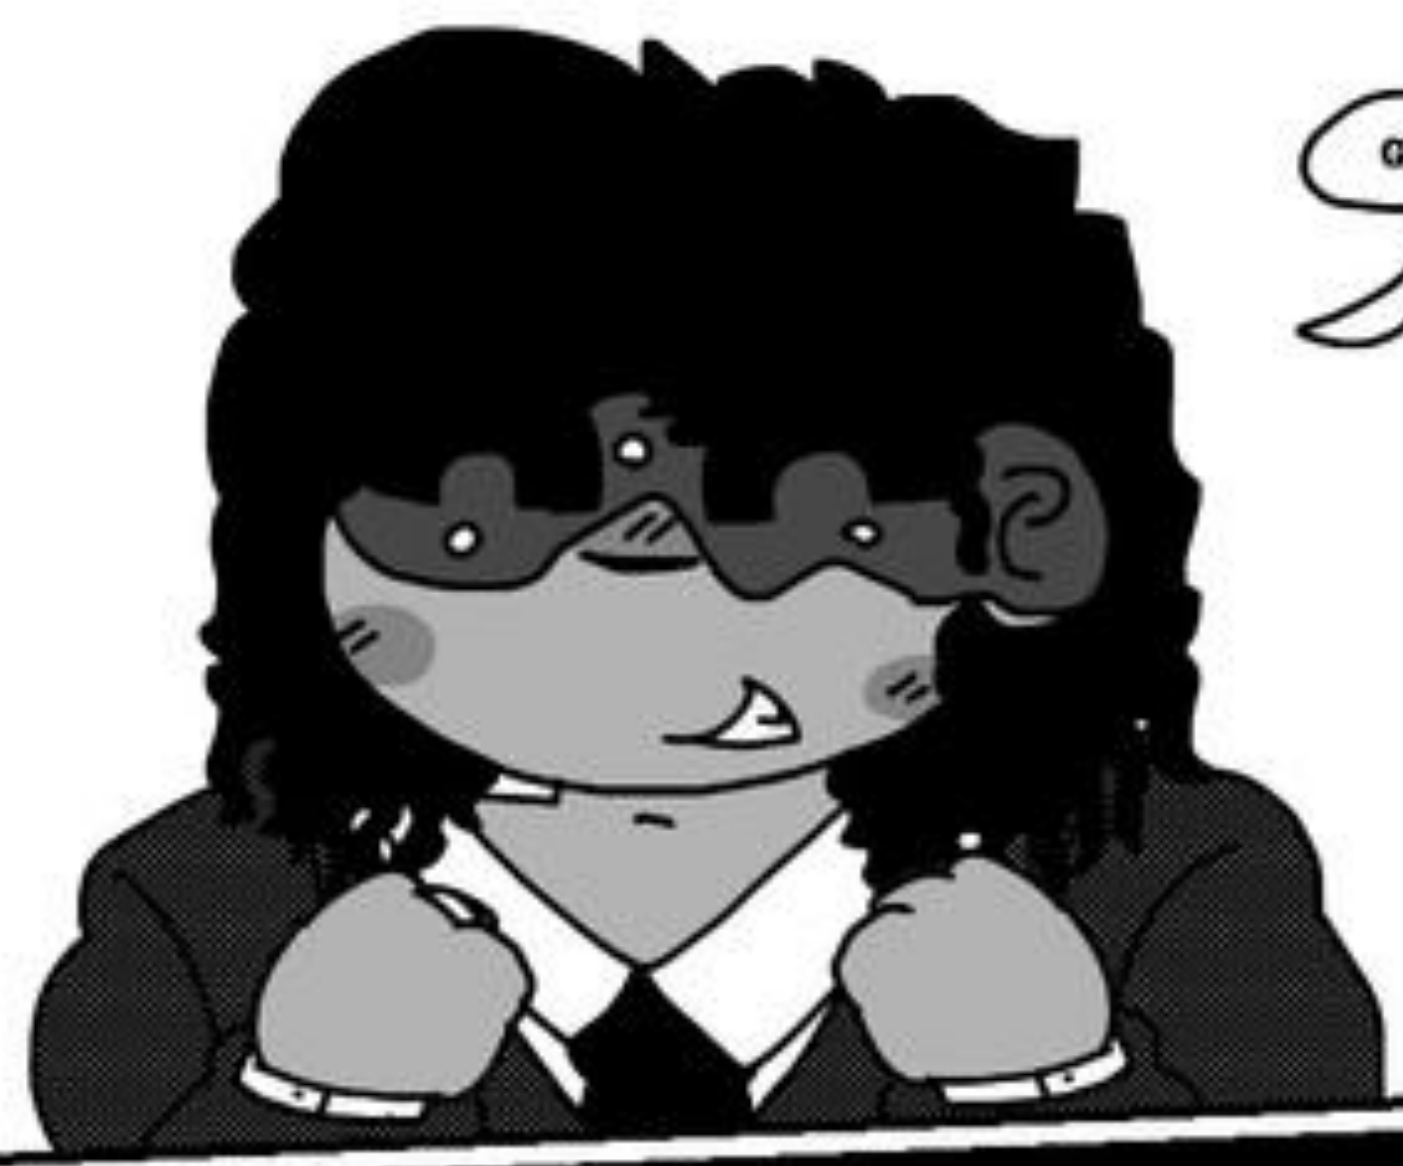

For this...

Is the beginning of the end.

Chapter 26
Gemini/mercury

Great!

Will you prepare
drinks for our meeting,
yamaguchi?

Yes! Of course sir!

Perfect...

Meanwhile...

Guardian?

step

Hm...?

step

Random question but...
do you think Calamity
would ever be able to
come back...?

step

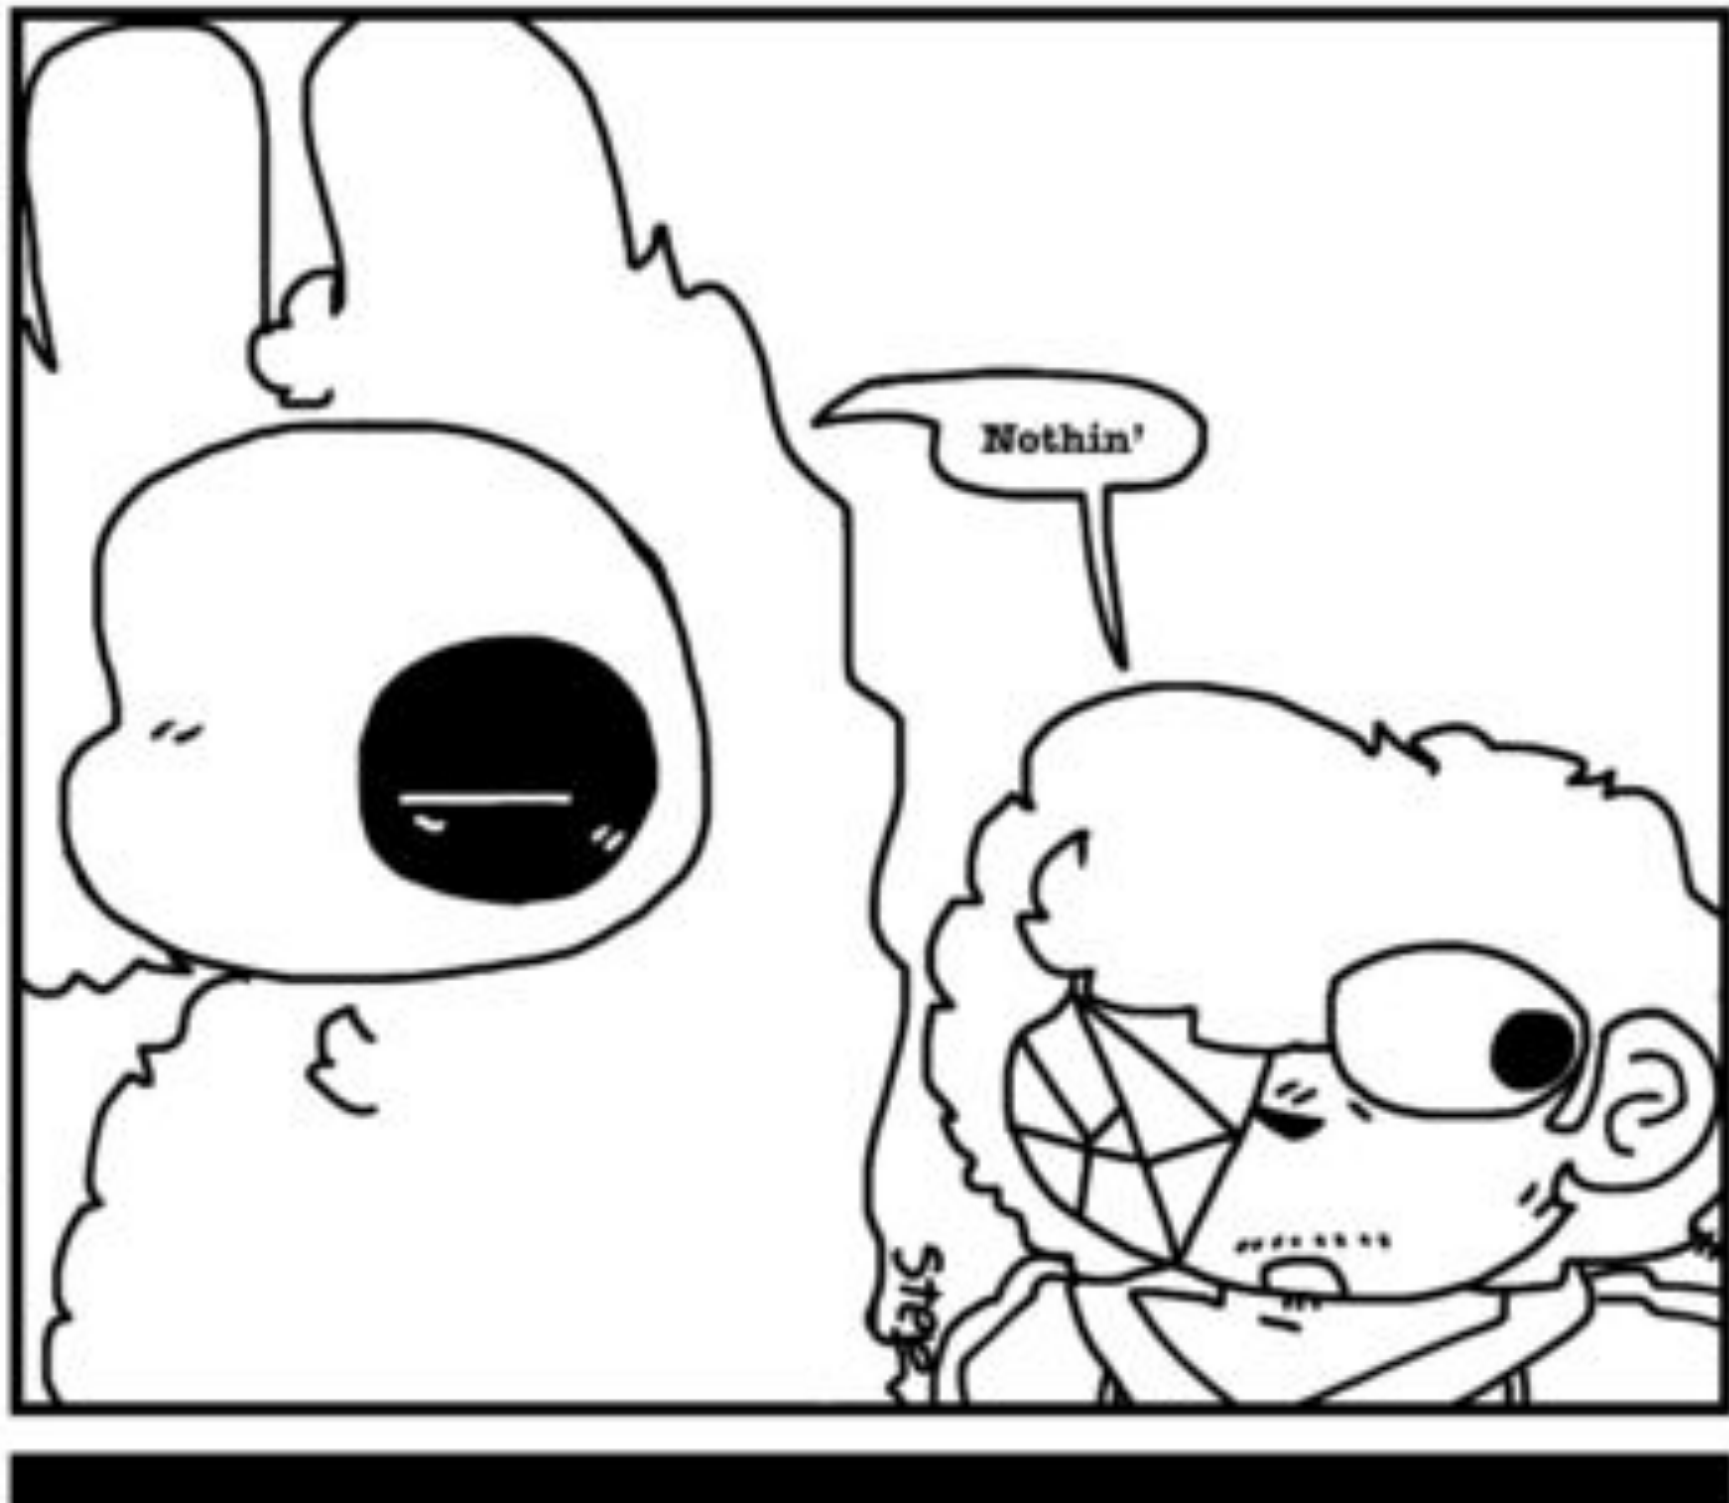

Well...

step

Well...his mask was
broken into 2 pieces...
if someone could
repair it... calamity
could probably
come back...
But... no one wants
him back...
So why would they try
to fix it...

step

step

Well, you just need to find the other half, right?

Slap some Gorilla glue on it and BAM! You have him back!

I'll think about it.

We're almost there...

Step

Awesome.. I guess!

Step

I'm uh... a little nervous...

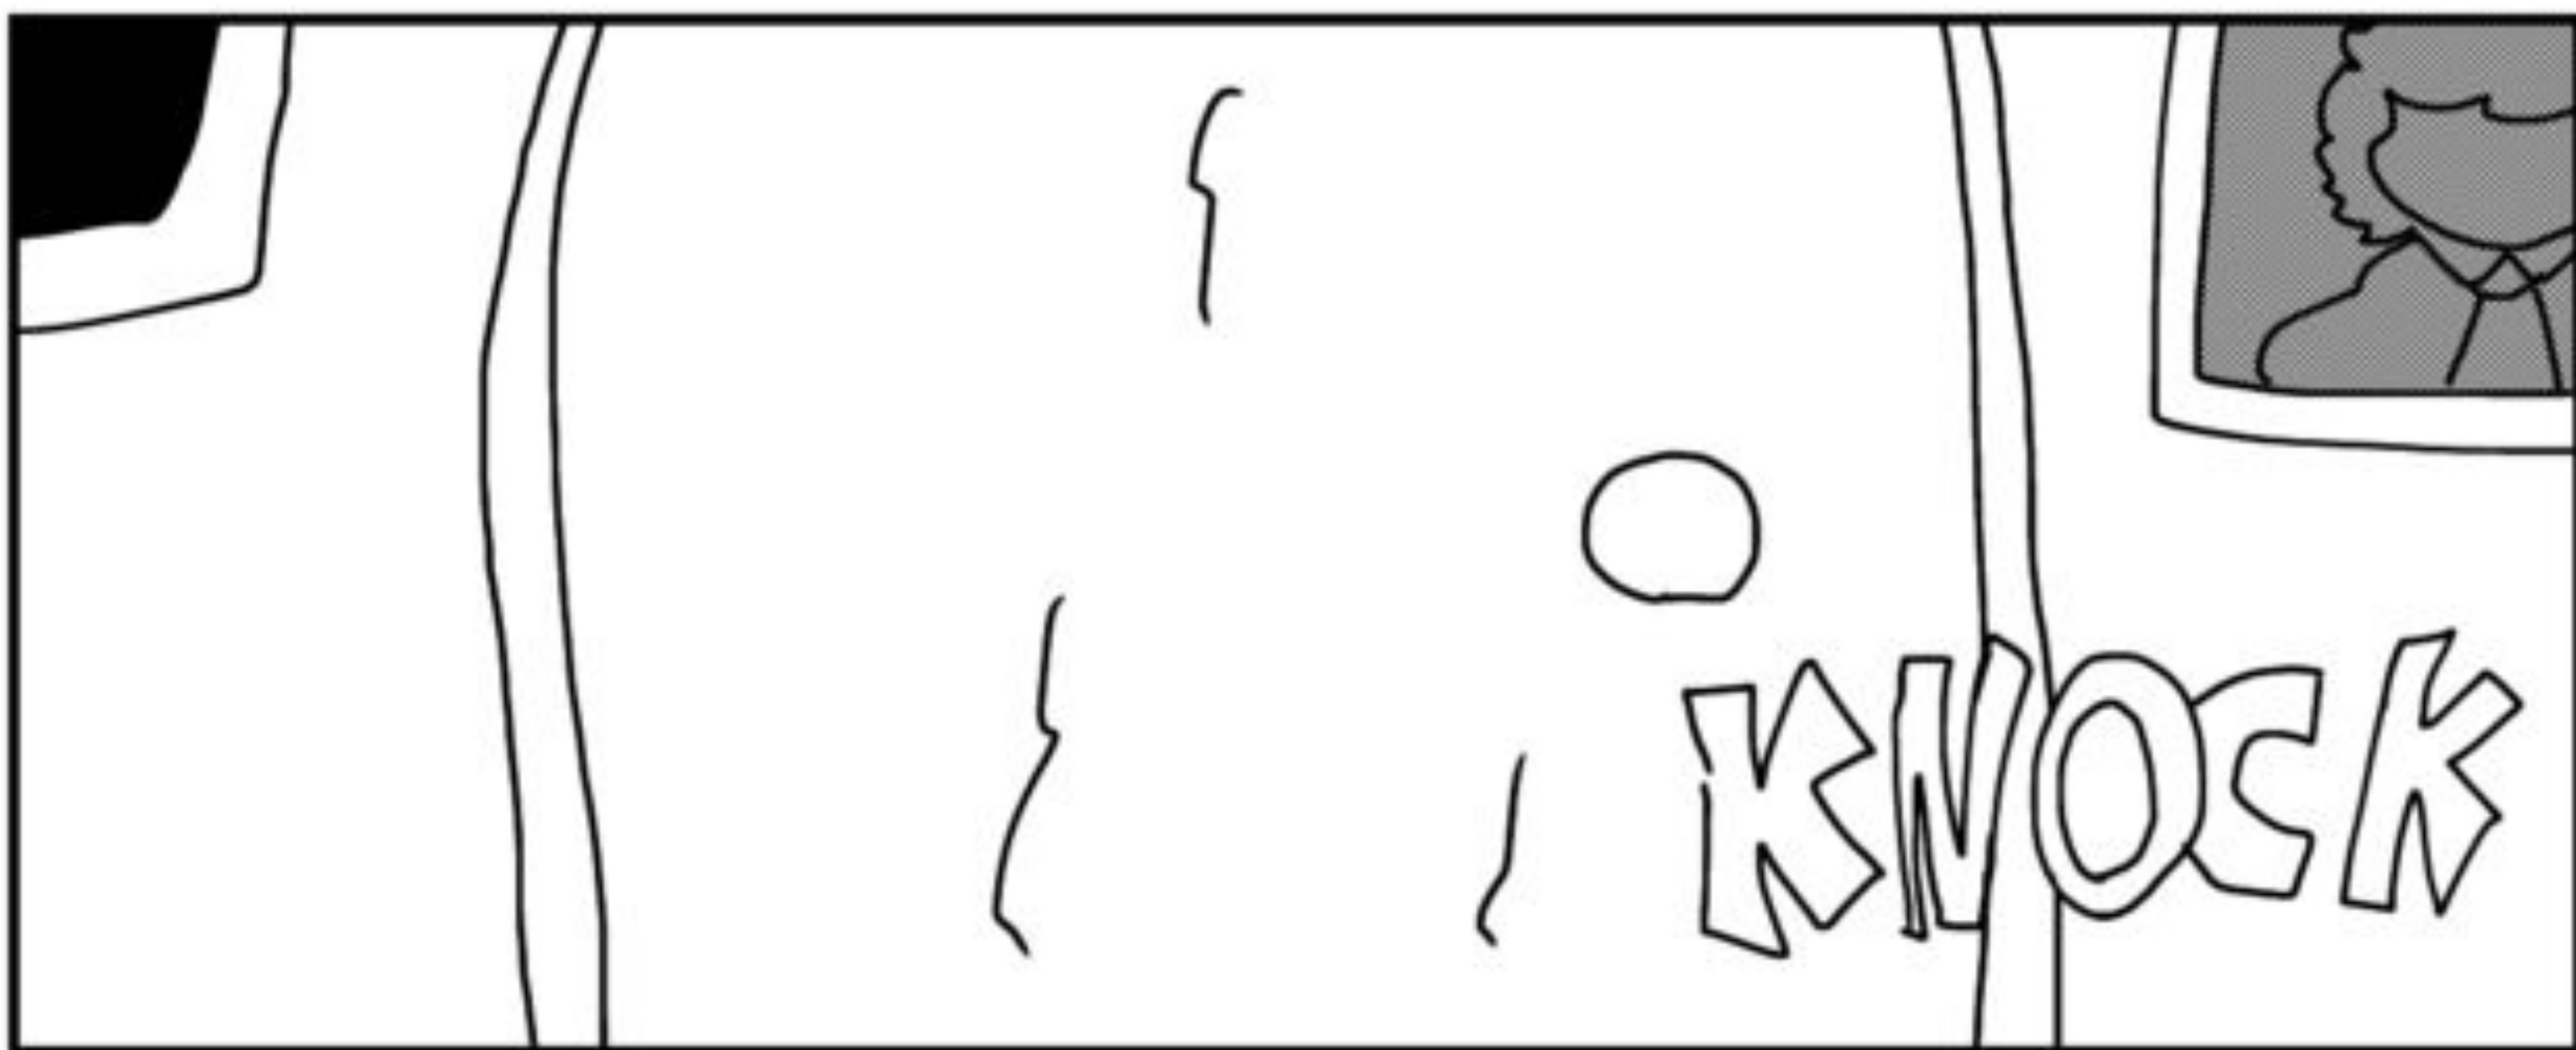

Step

Same... I... i just...

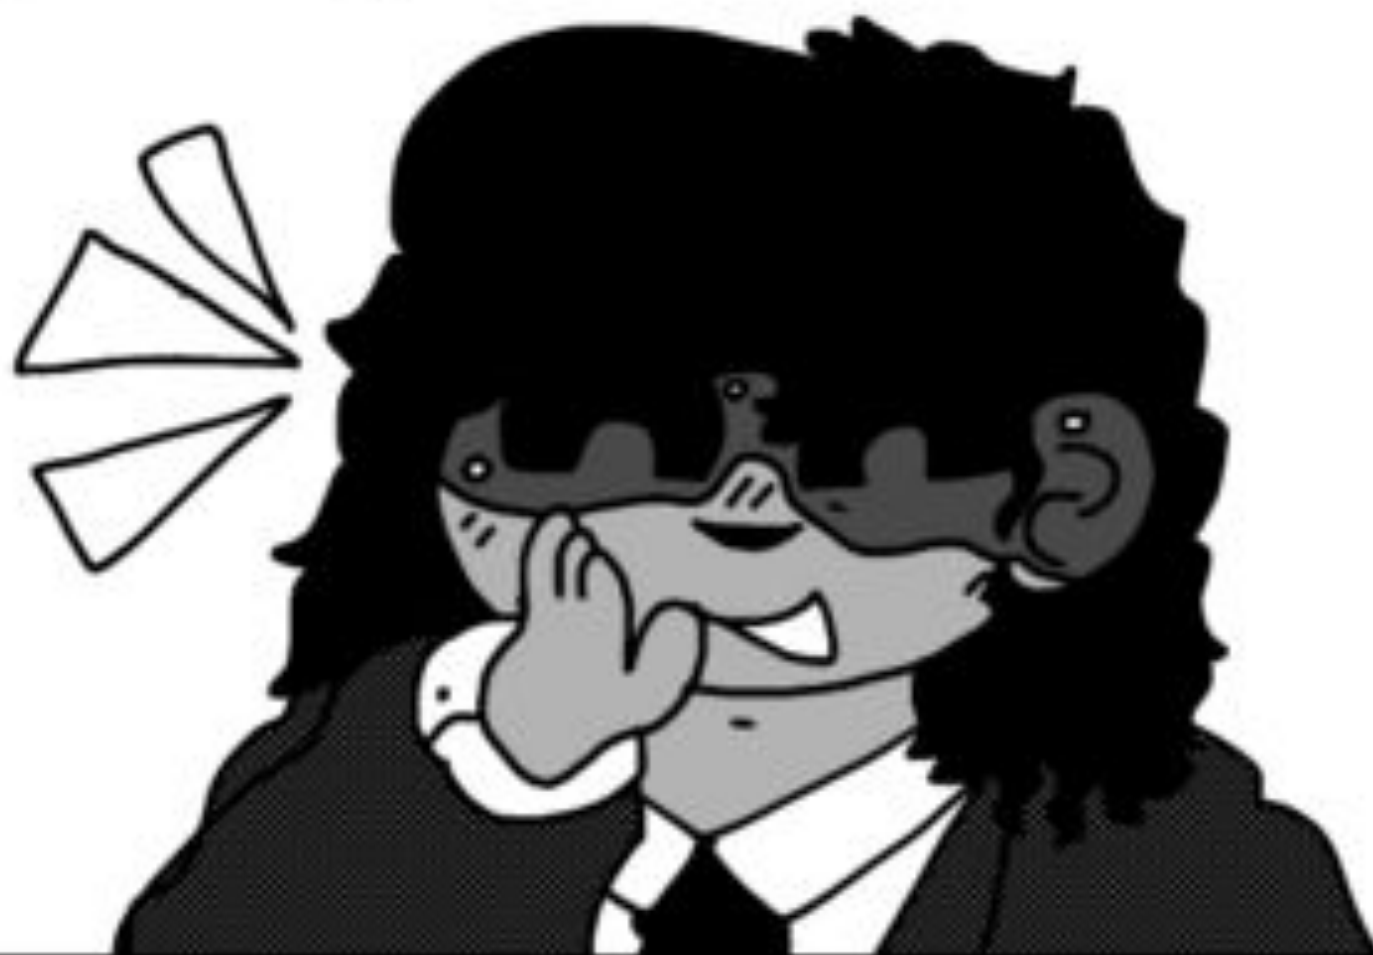

Chapter 27
it'll be alright, trust me

Oh Yamaguuuuuuuuuuchiii~!

Please bring out the drinks
you prepared for us.

Curator... i don't drink

H-huh... w-why are you...
Why are you pointing at me...?

...Adam...shoot..!

Bang...

Hehe... feisty...
just as you always
were...

Just punch me, Mikey!
Here, I won't even protect myself!

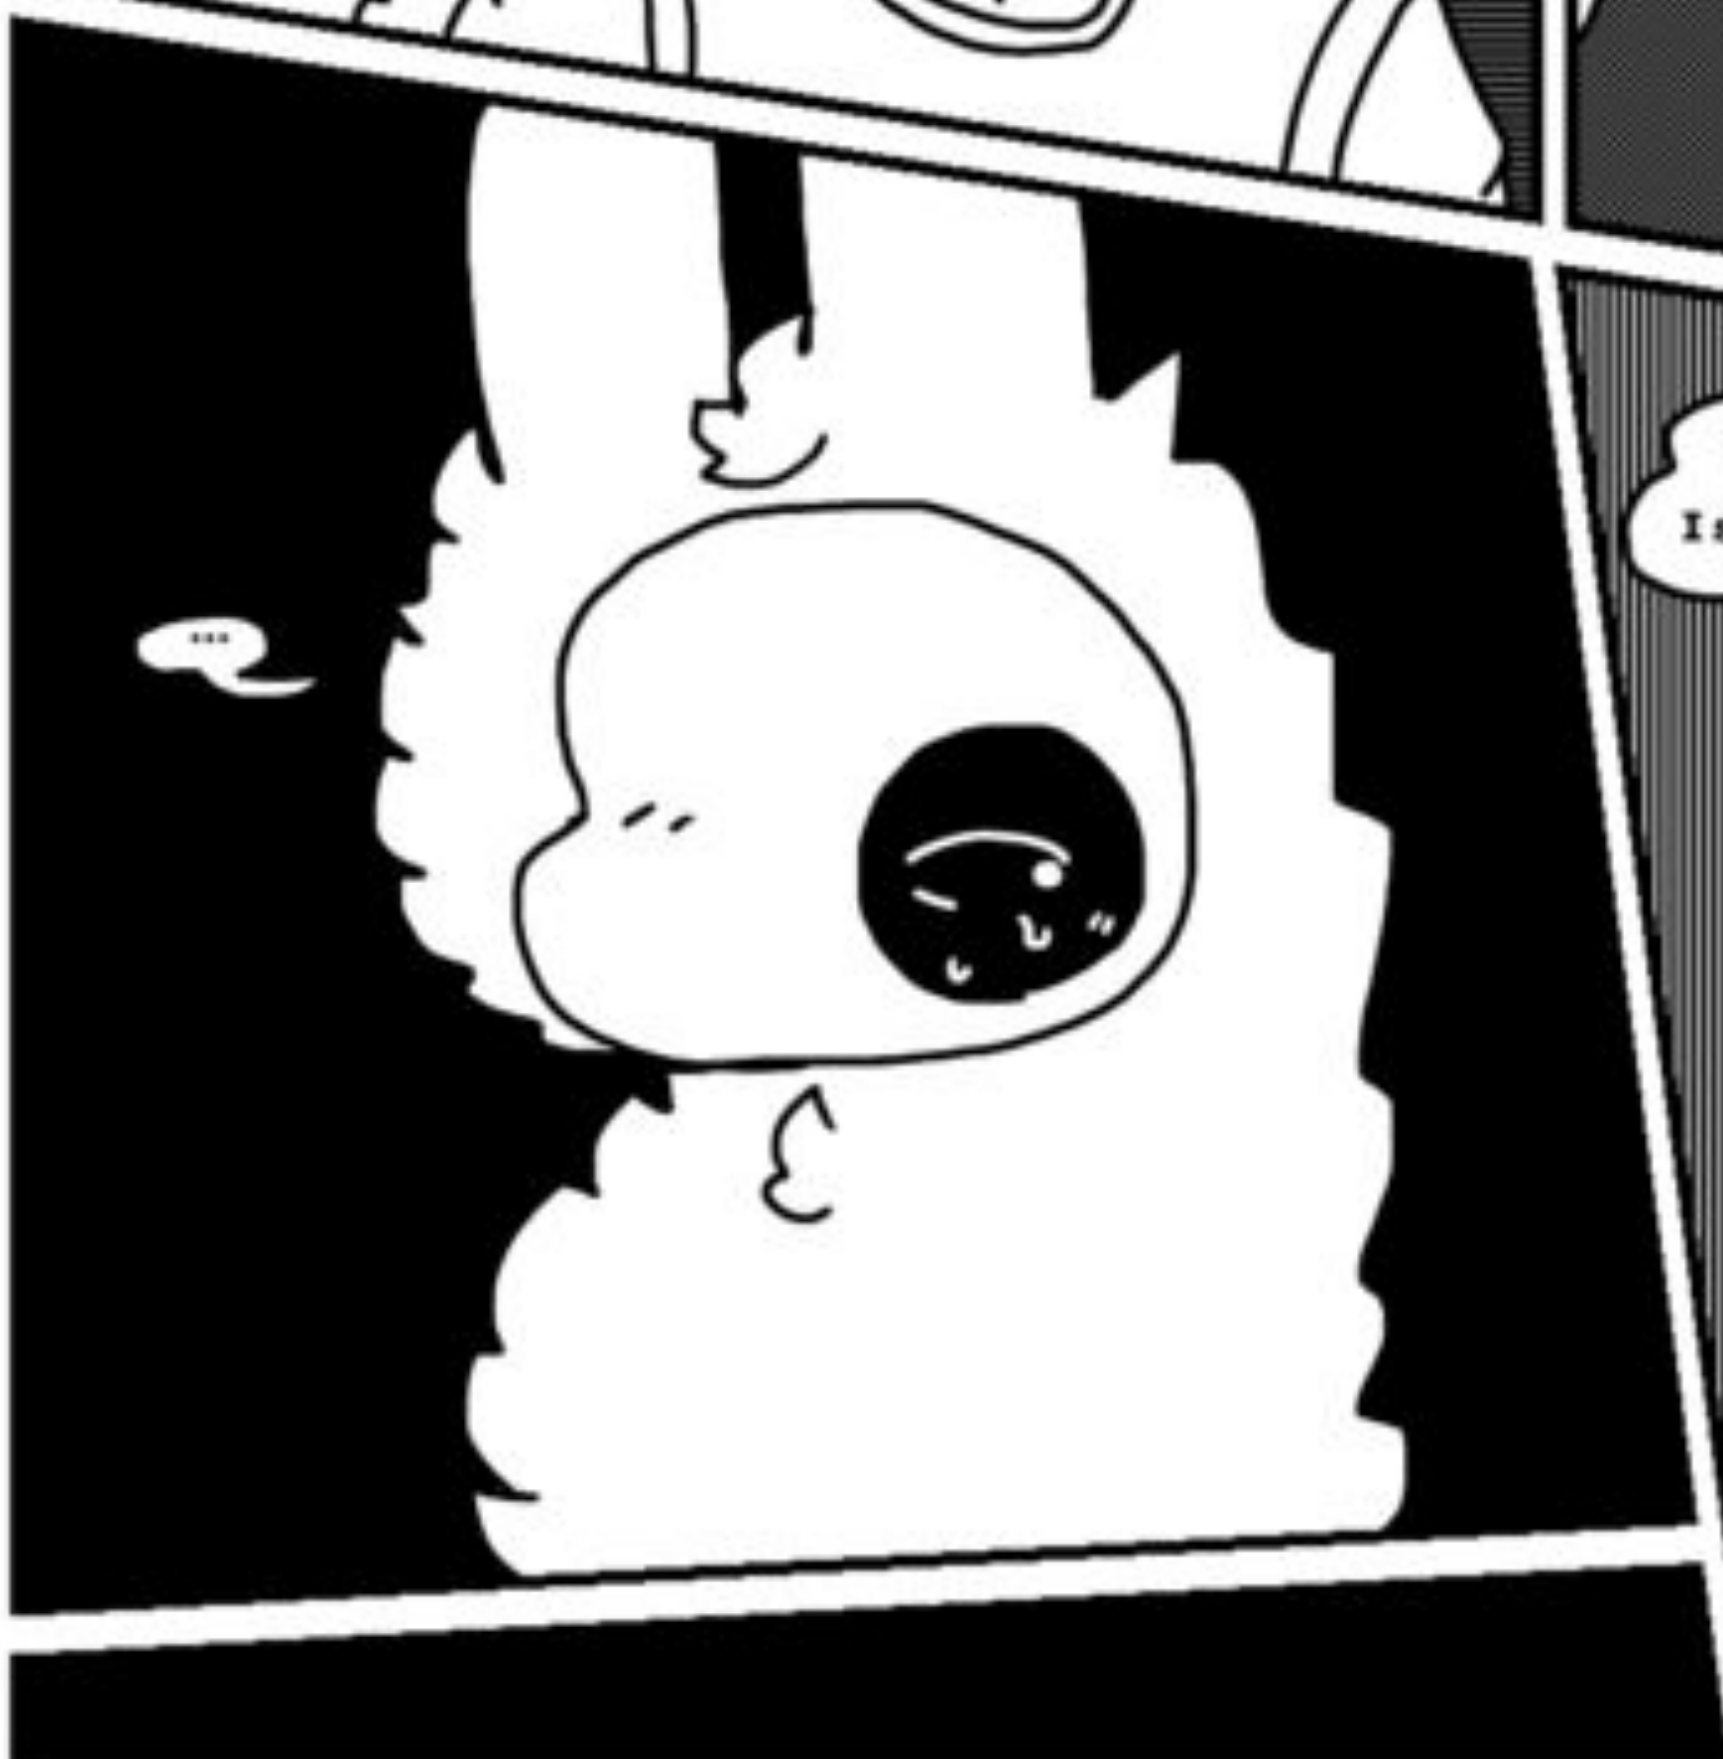

Chapter 28 - HIGH TO DEATH

...I need to do something

when Hestos... when whatever happened with Hestos happened... all I did was call pest control...

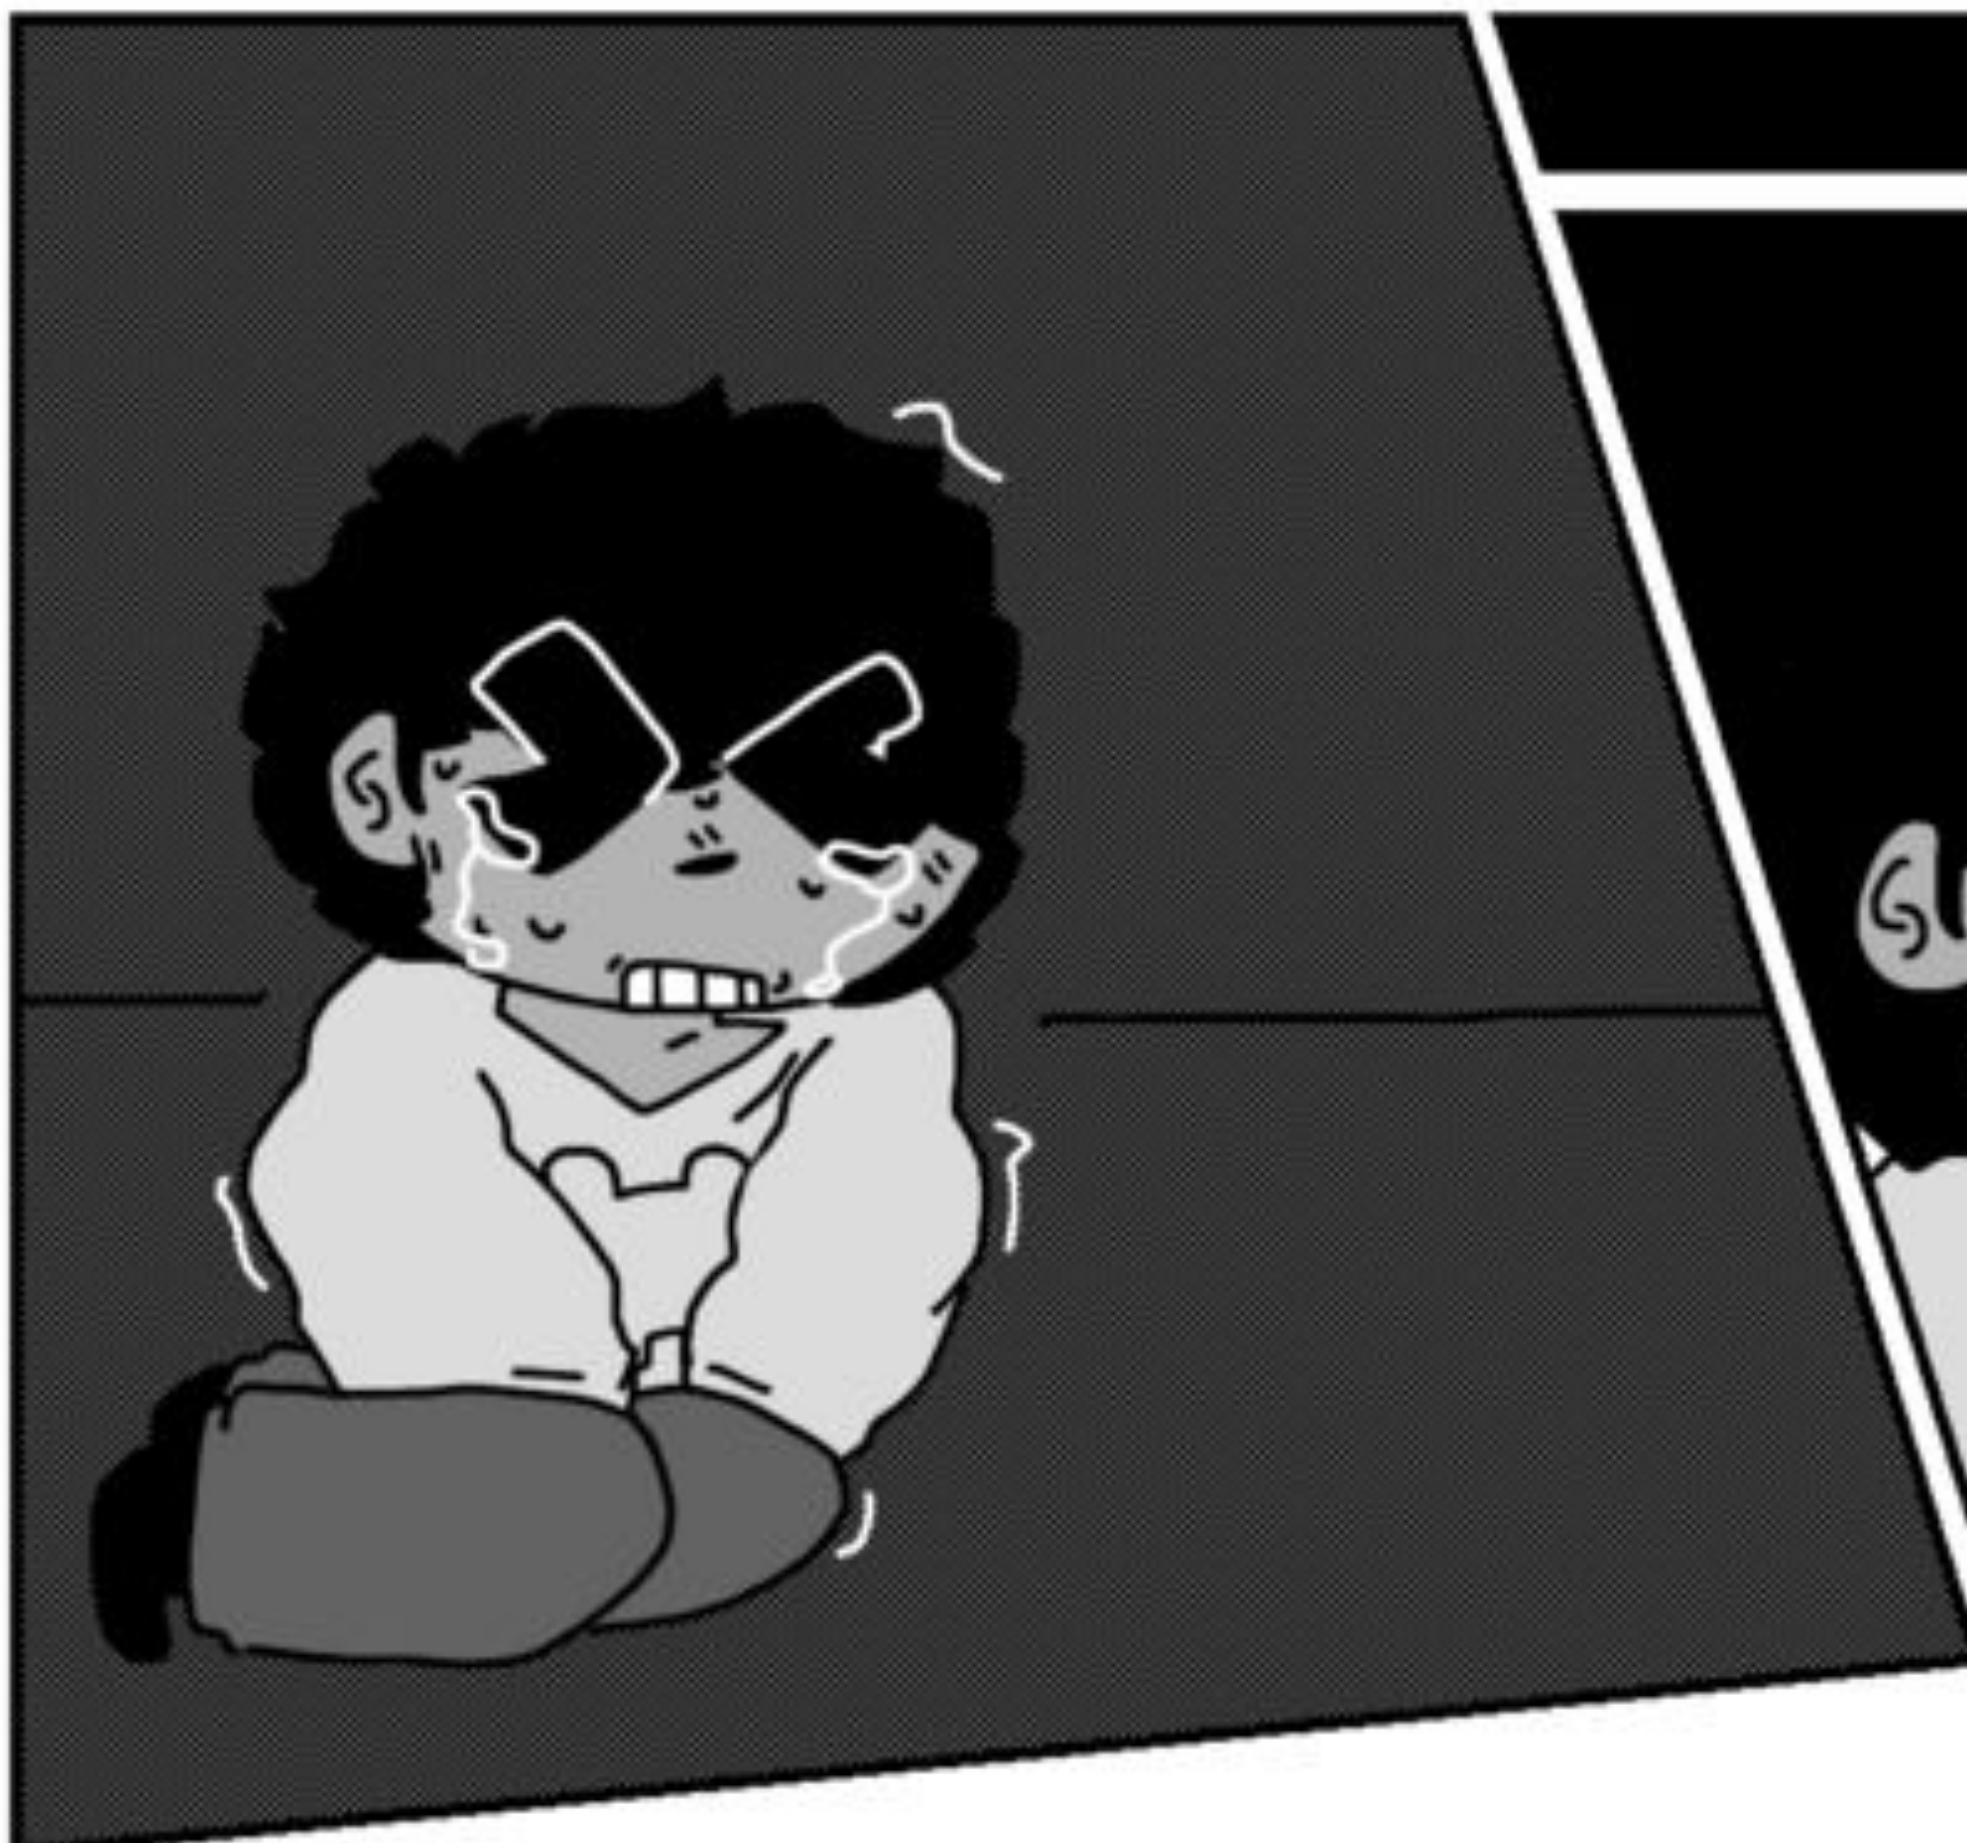

I didn't even help guardian...

I gotta help Mike...

S-shit...

W-What Evan?!

Let me help! Please!

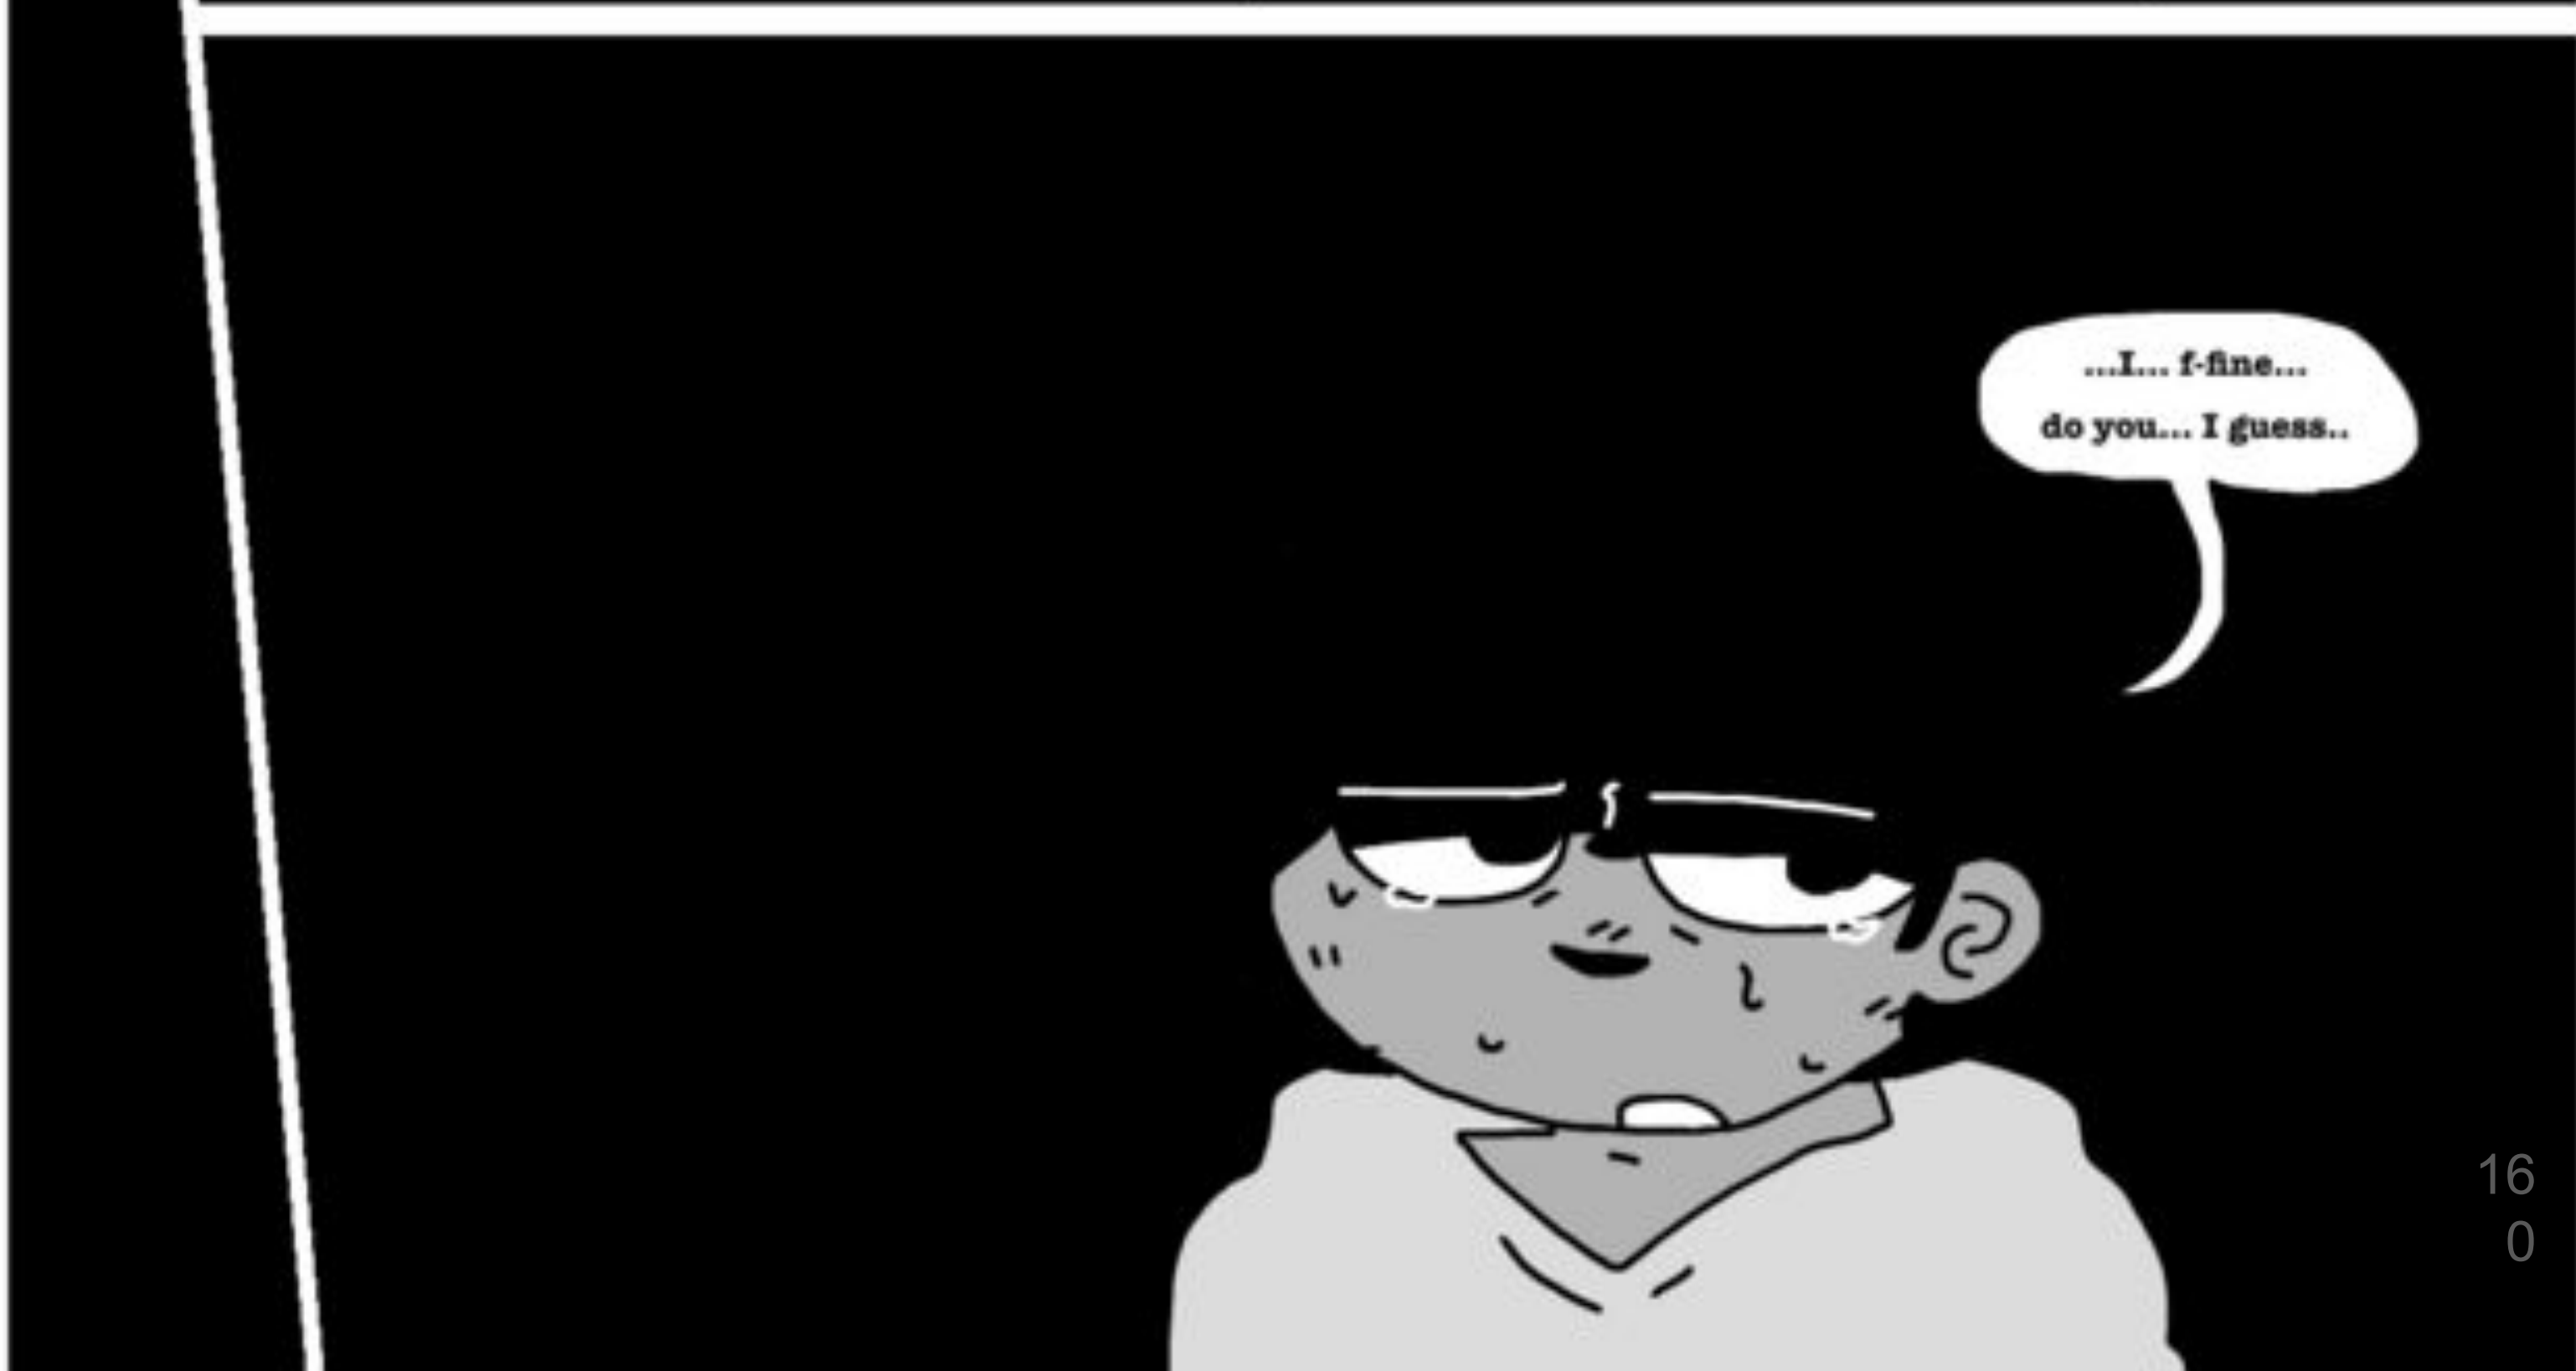

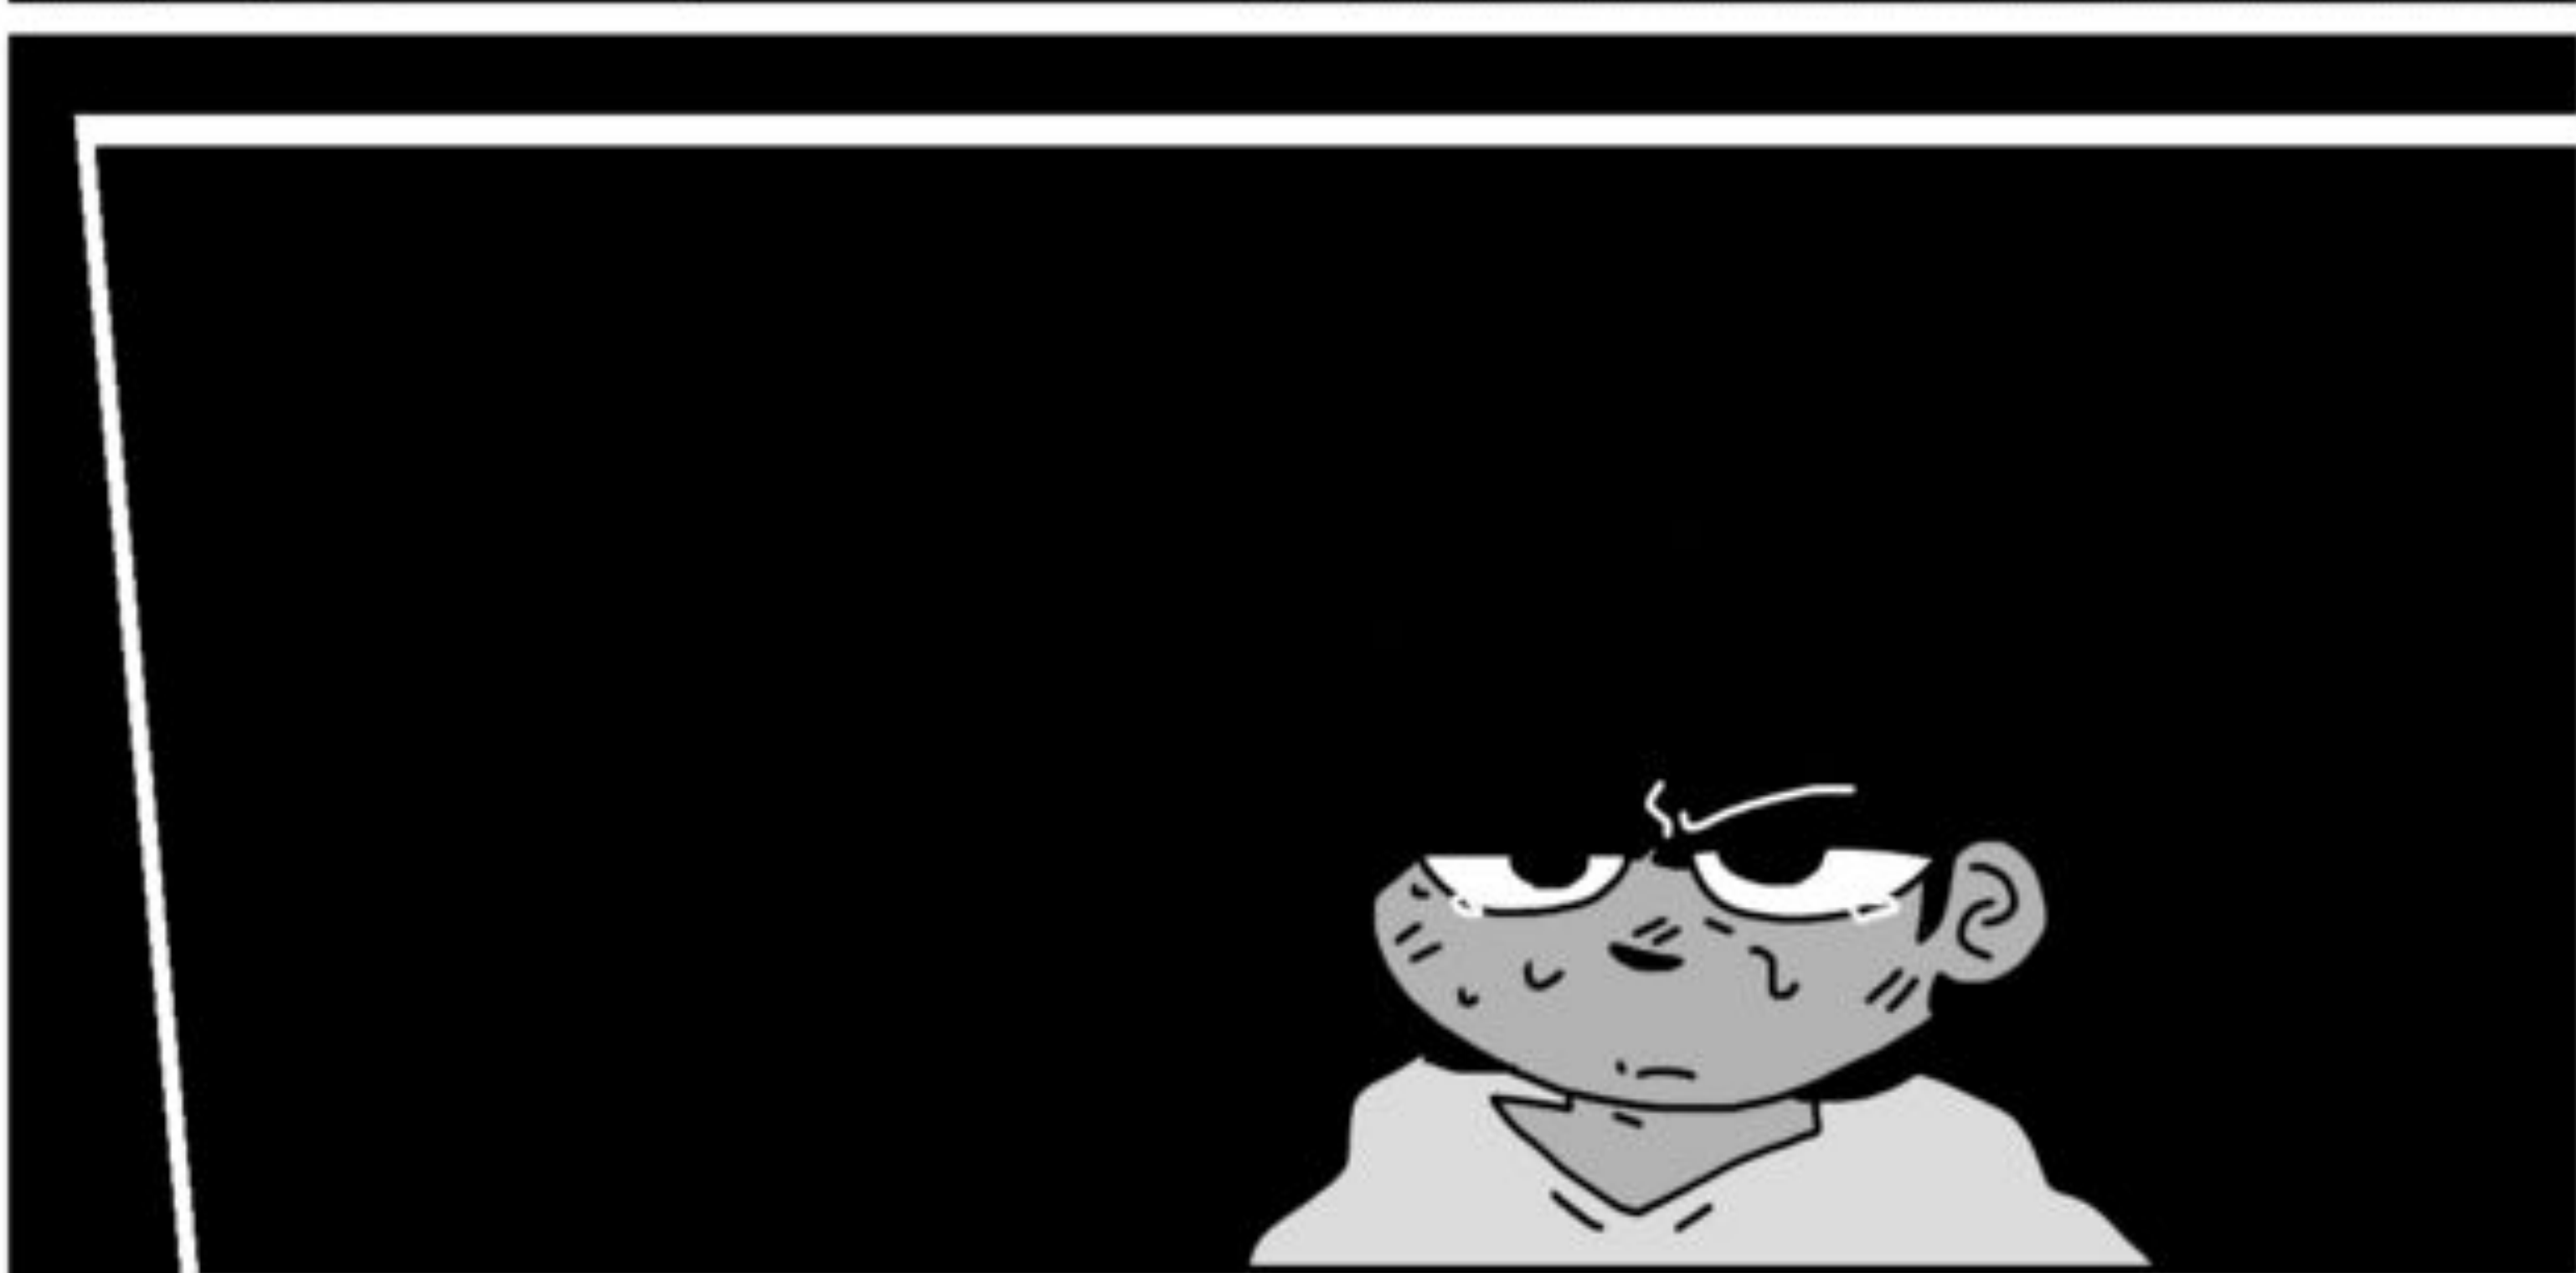

Oh?

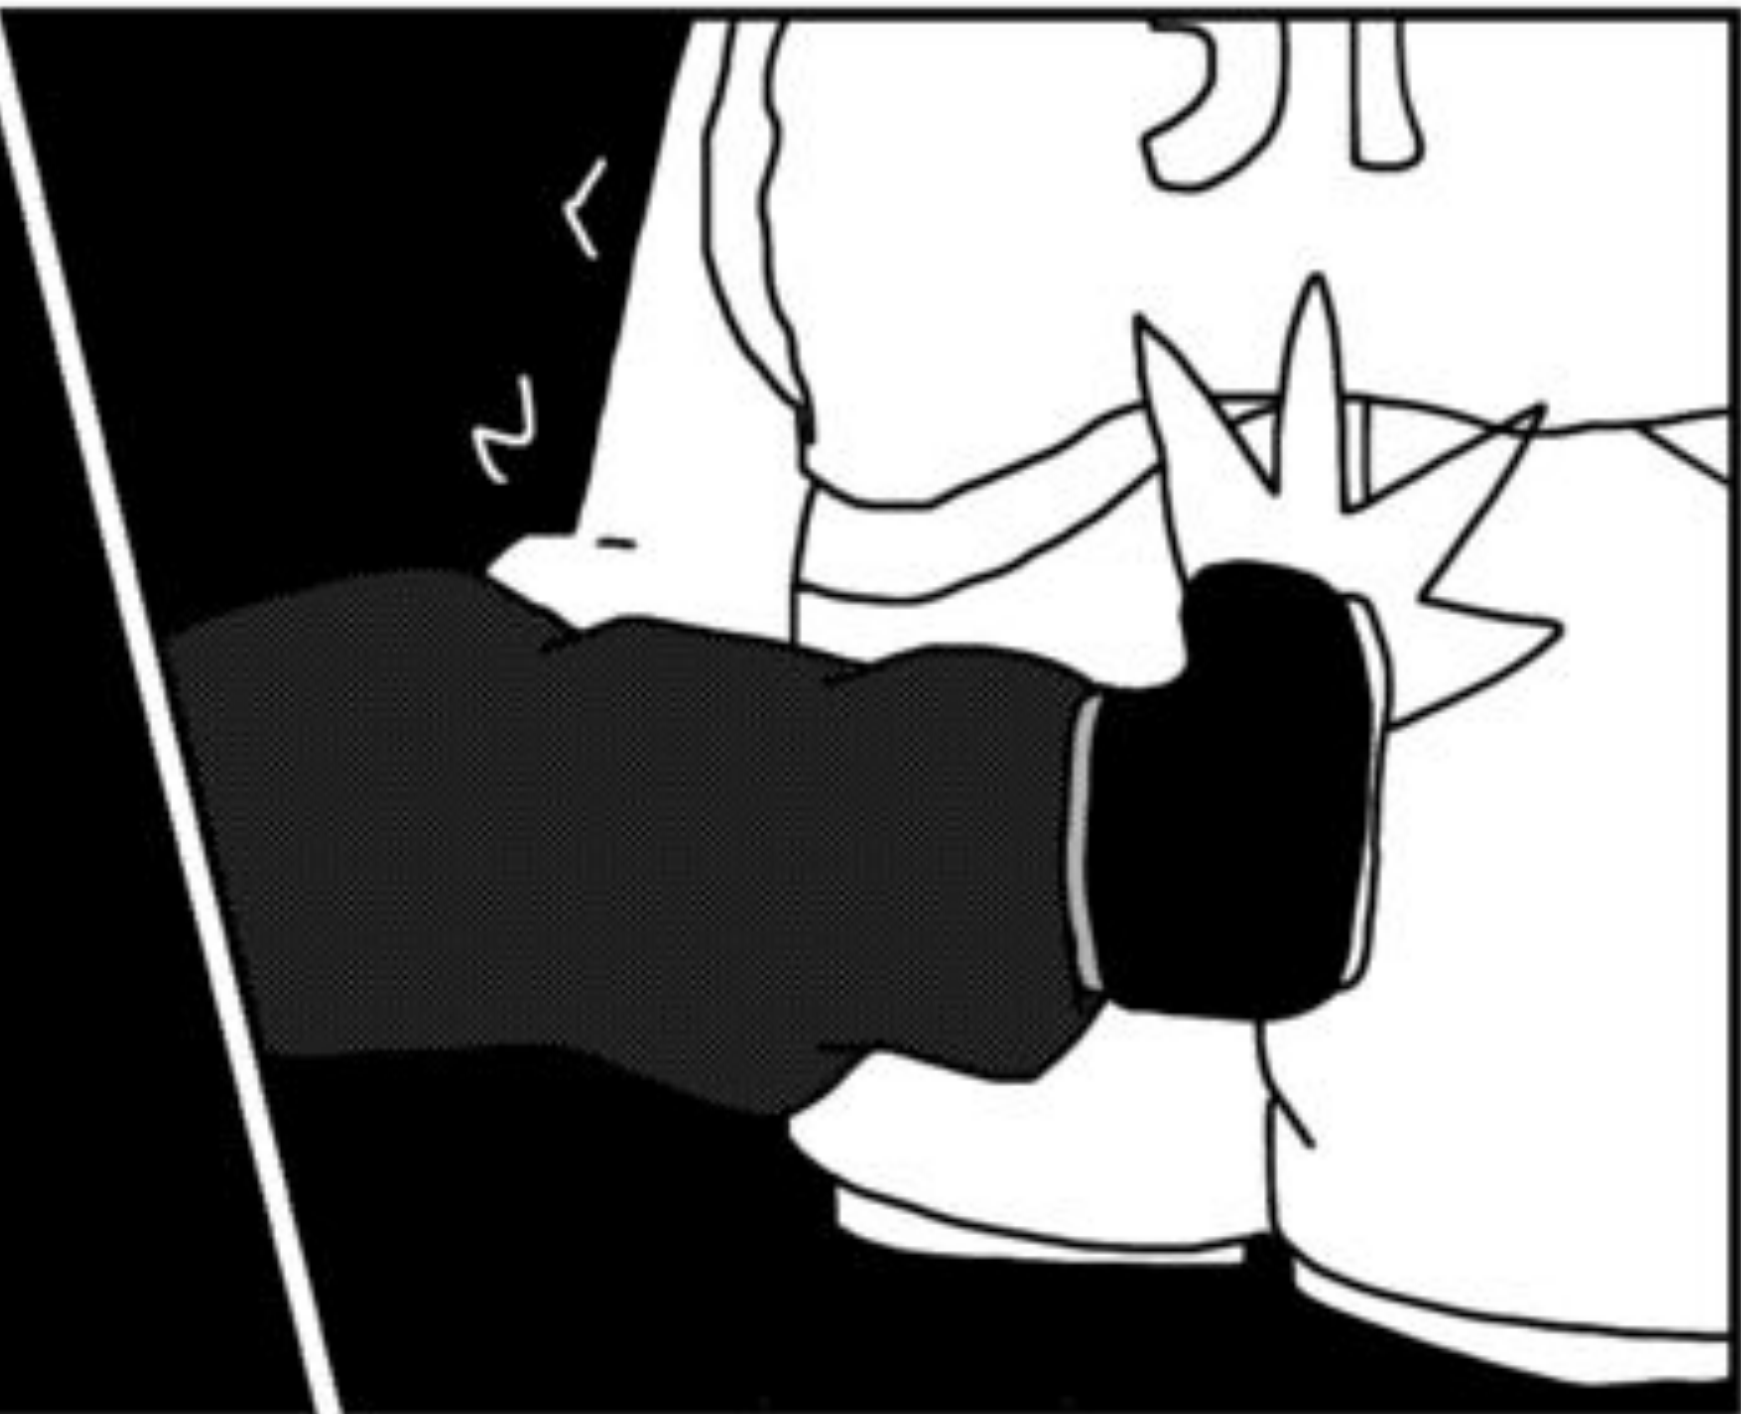

Evan... no..

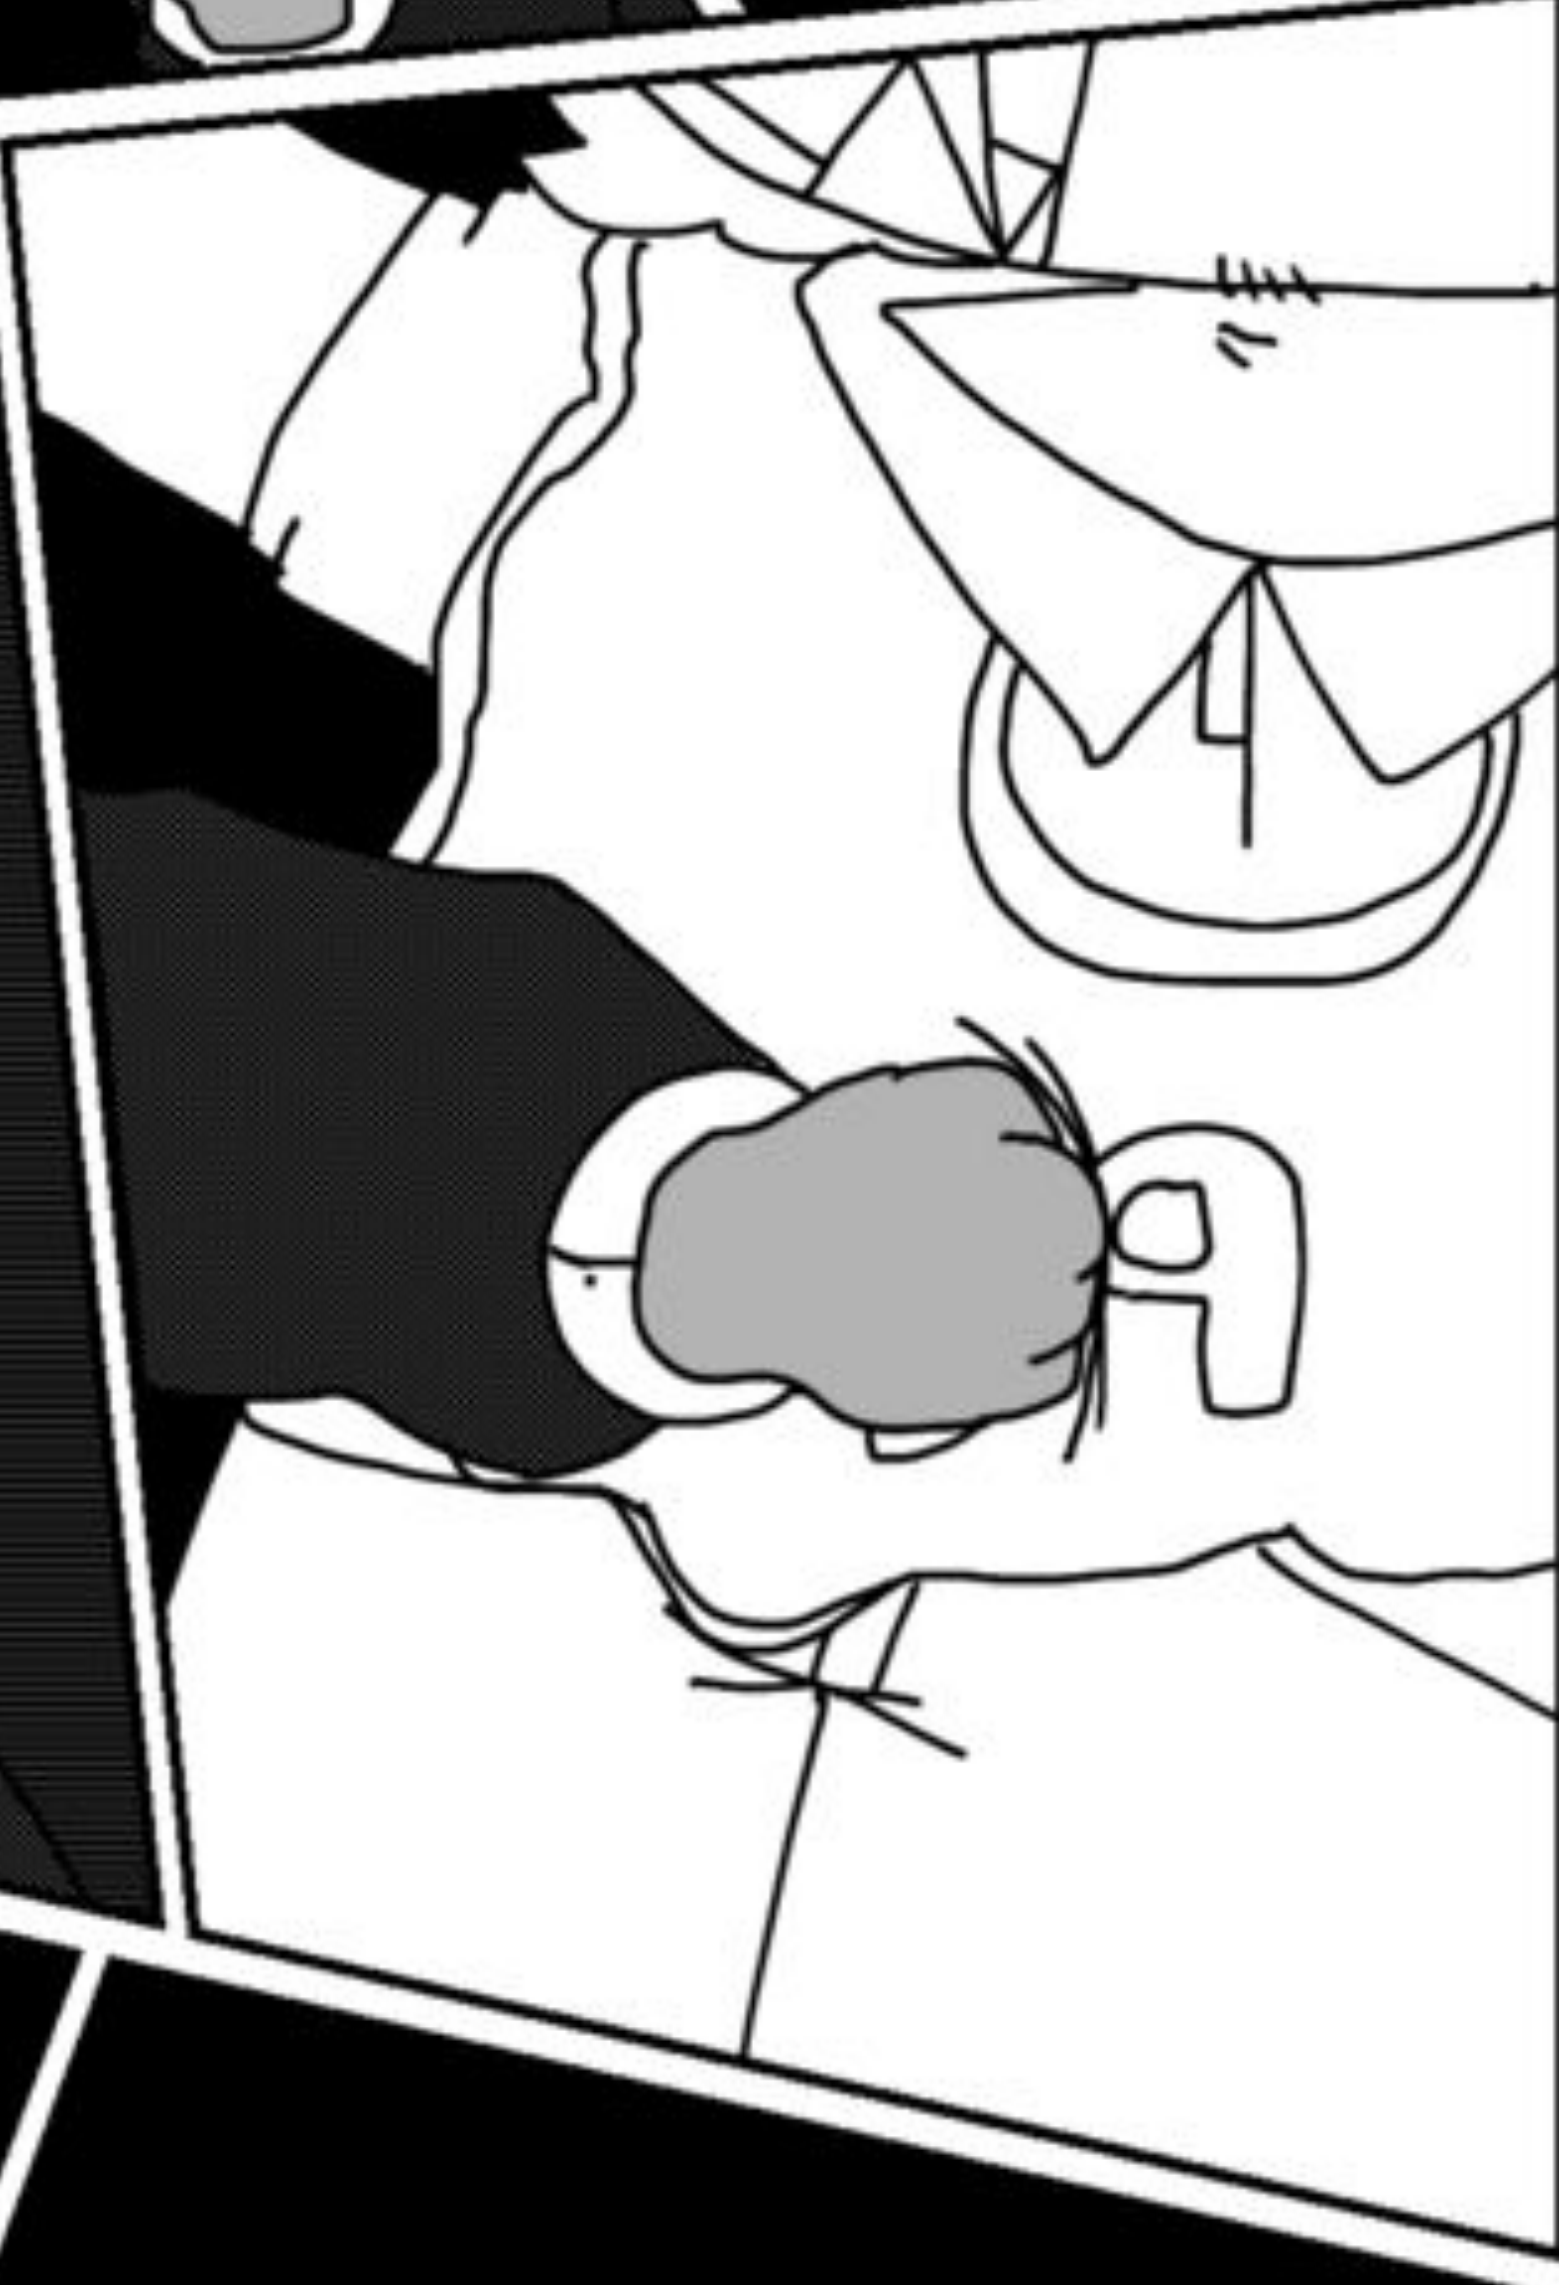

Mike, you know that
I did not want to
do that to your father.

But that's just
how it goes.

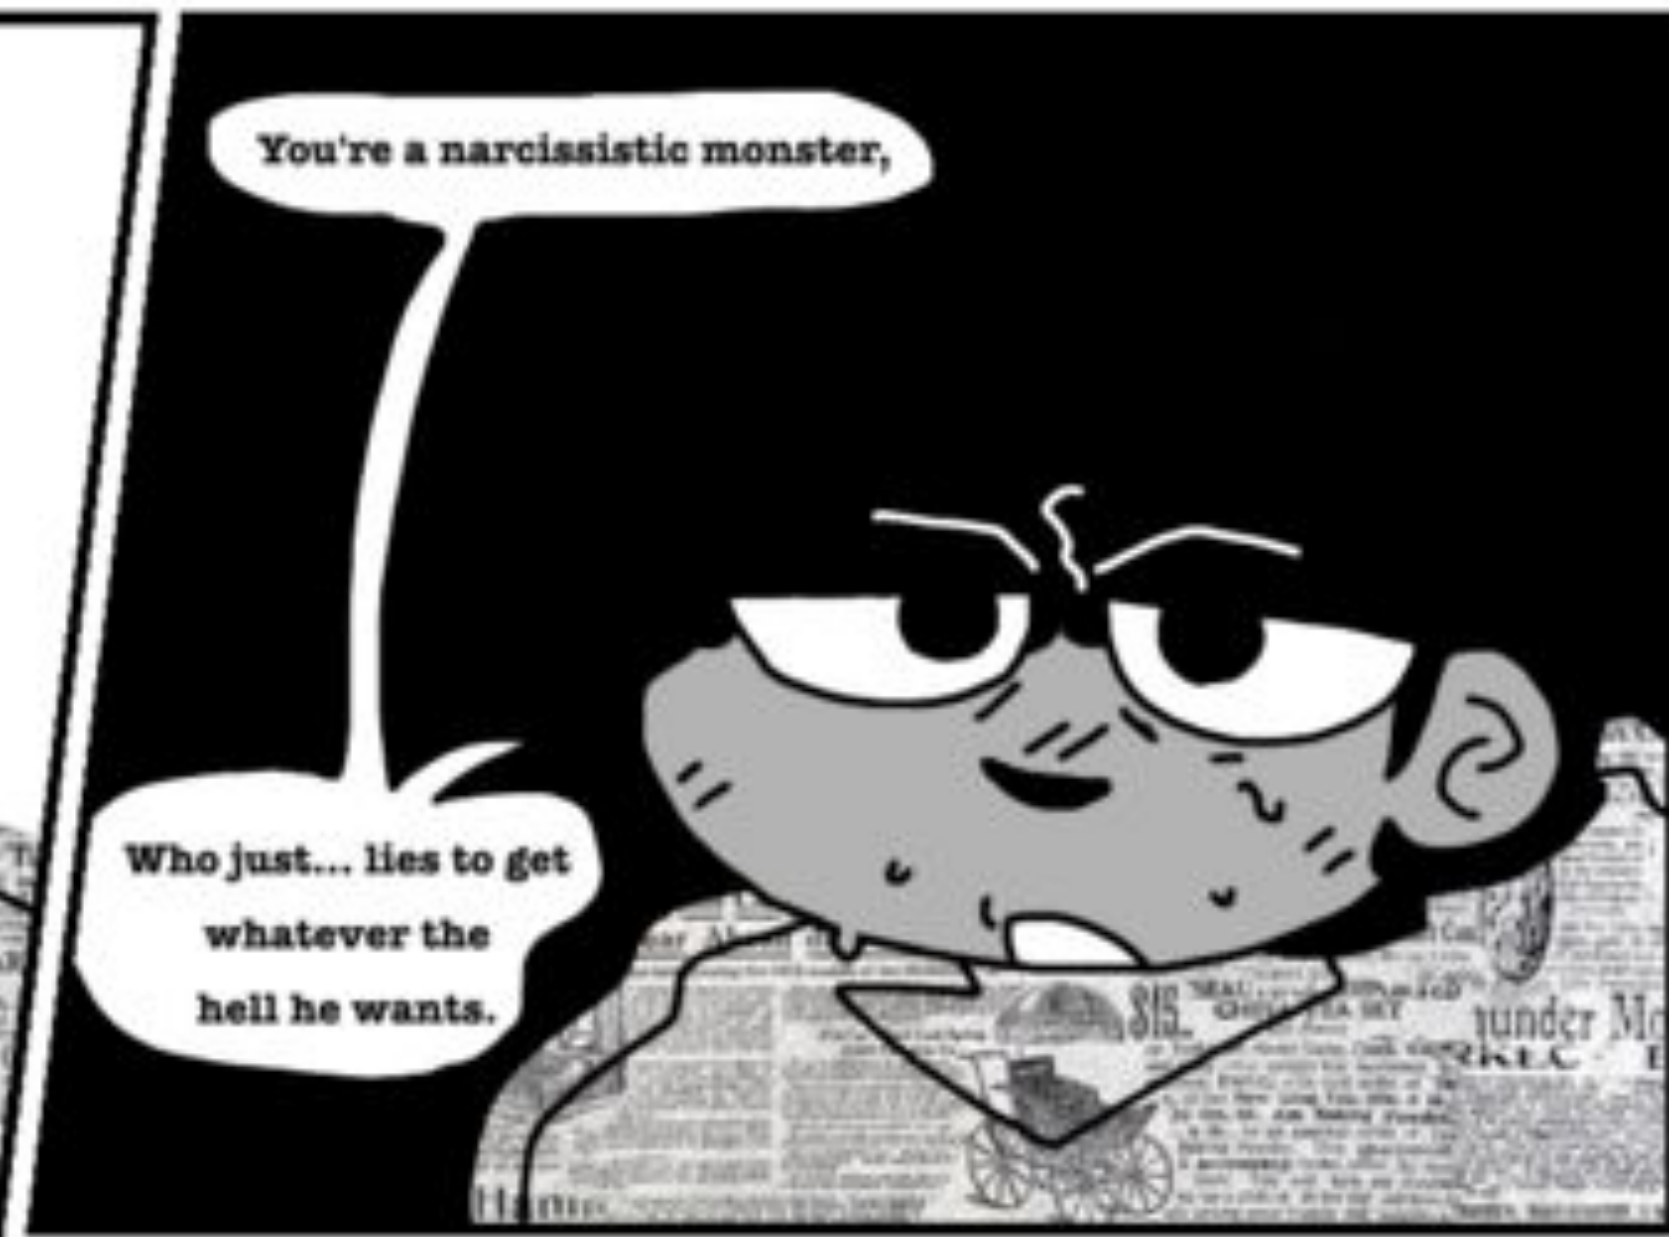

What... is that supposed to mean?

Don't mind it, that's
besides the point...

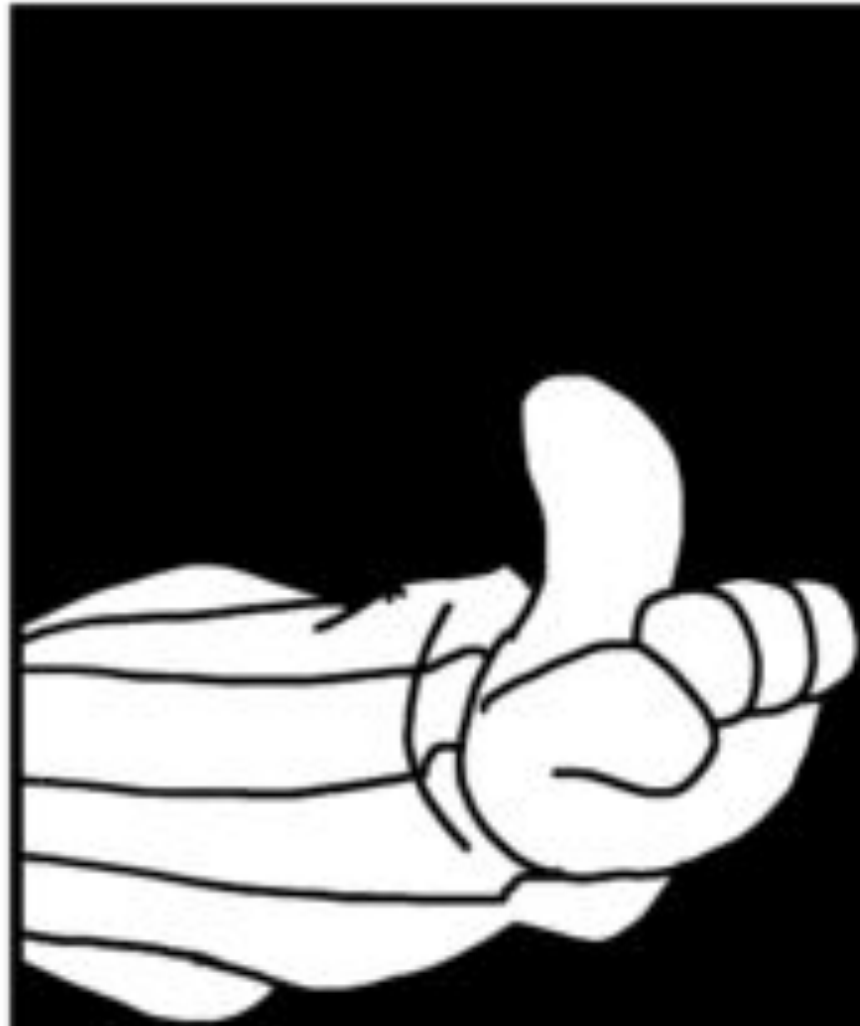

Evan, get out
of the way!

Oh, sorry-

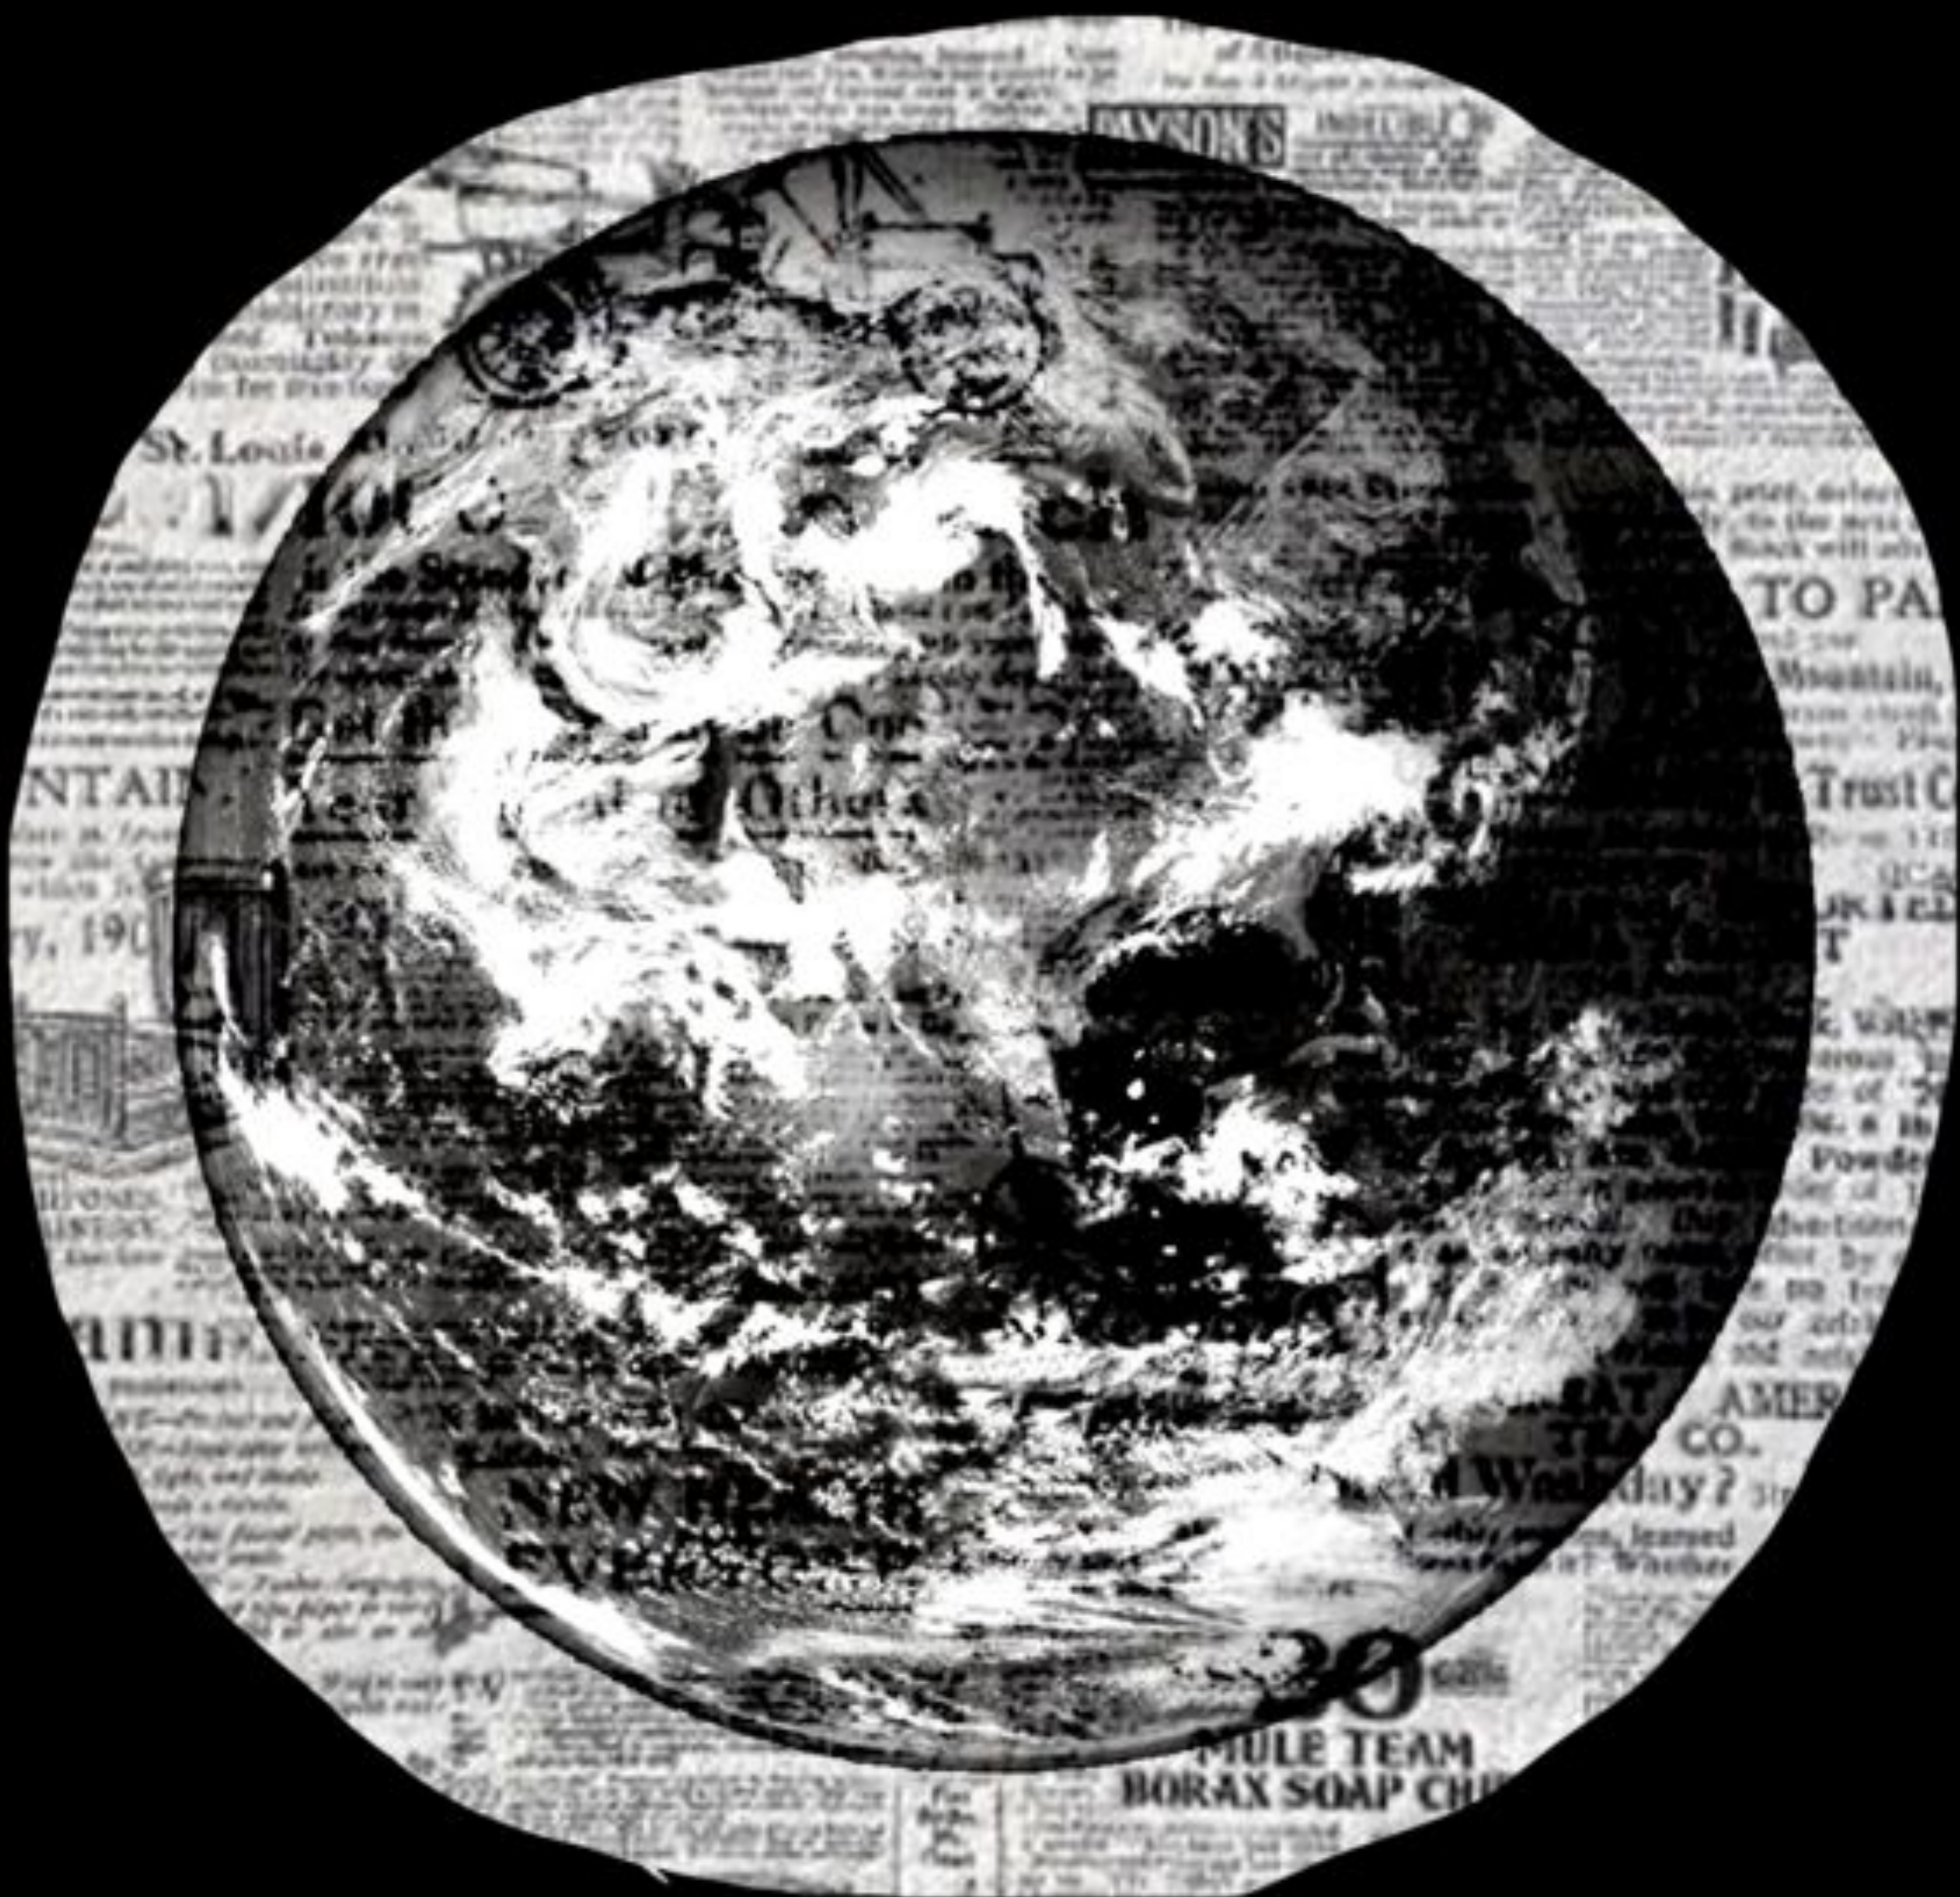

ONE.

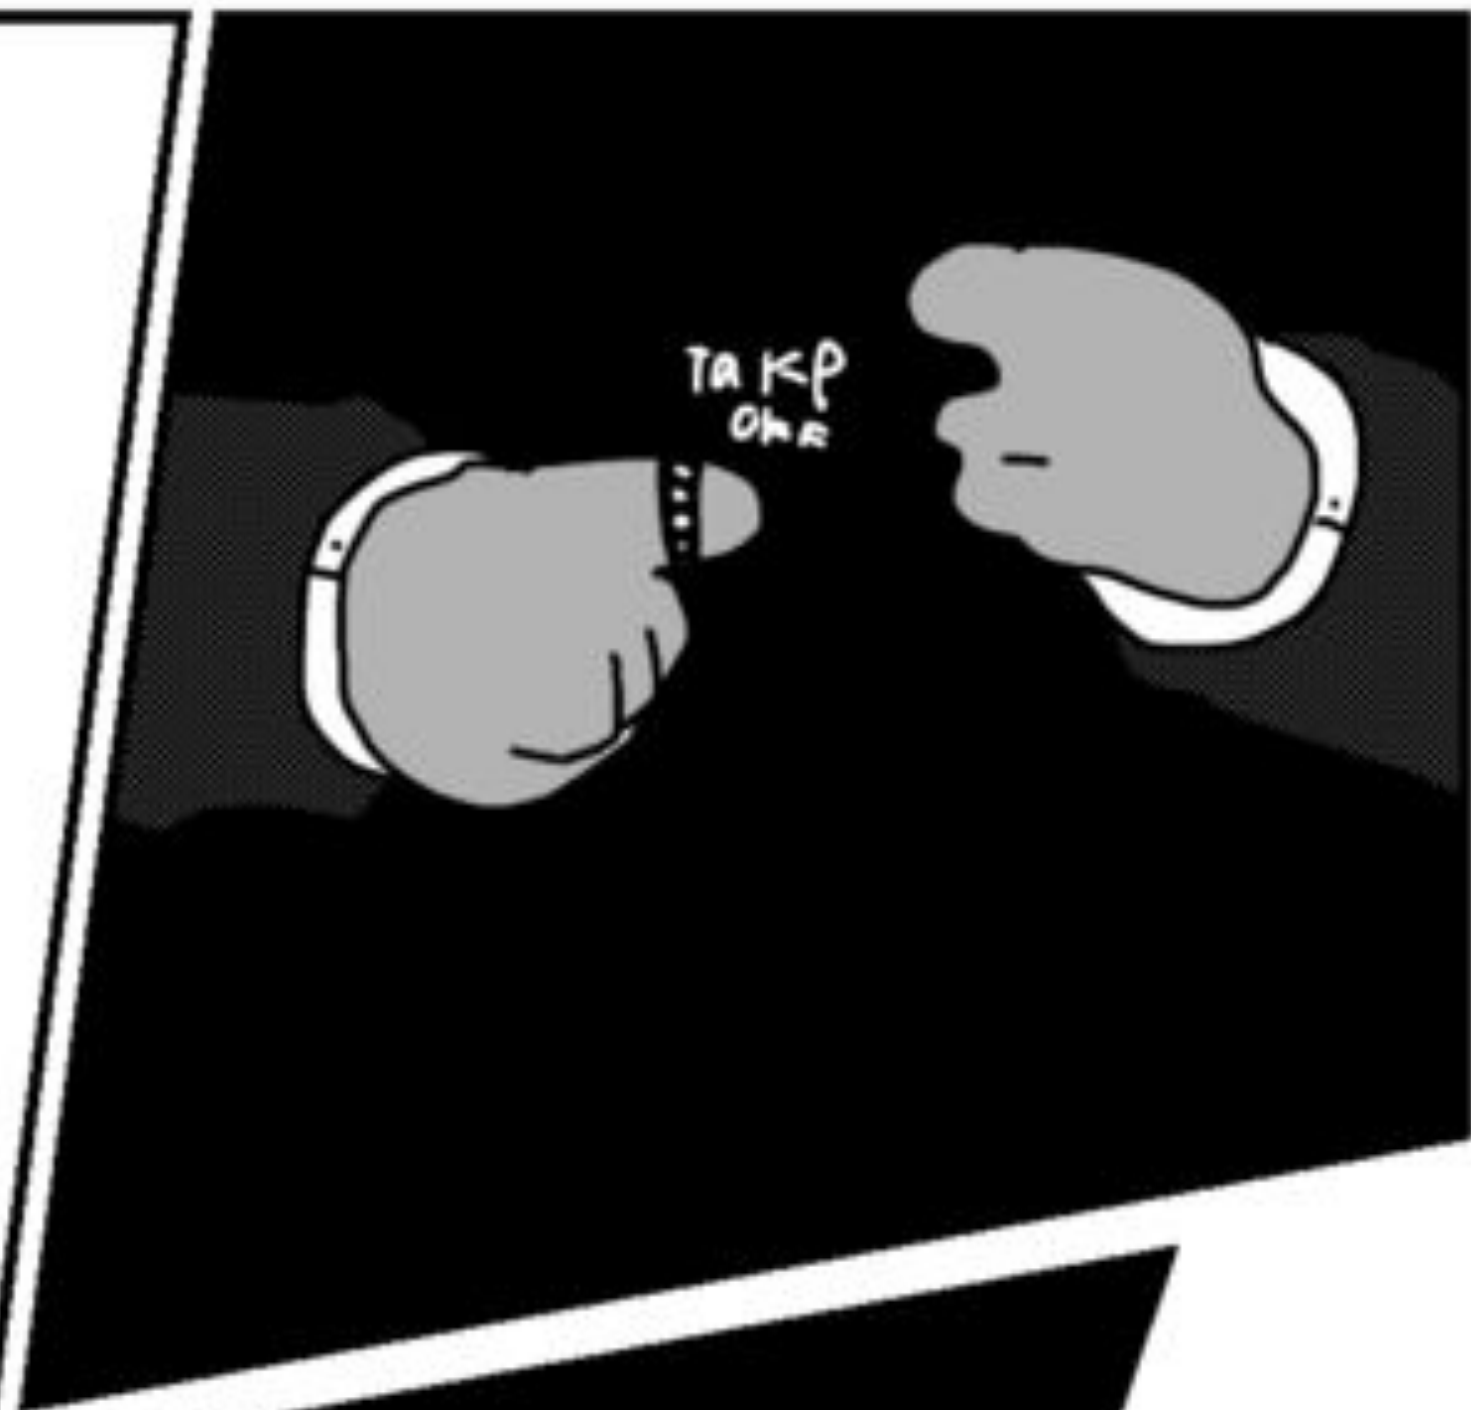

AGH! W-WHAT THE HELL?!
C-CALAM-

CALAM STOP.

Calam end.

And they all died an excruciating, painful death.

GUARDIAN - 130

Welp, here's the dad of the group! I originally made him a little bit after Pebis.

Originally, he was just gonna be like... silent... like an actual animal, but I later decided to make him speak

He hasn't changed that much since I originally made him

Likes

-
- Mushroom Stu
- Being a little strict
- Protecting his family the best he can

Dislikes

-
- Grounding Pebis
- The mysterious things Evan brings into the house for a couple of days
- Stepping on small toys
- Whenever it's extremely hot out

Did curator really
try to end the story
just now...?

We haven't even
gotten to the good parts! Gah... let's fix this

There we go. Curator's
attack failed due to overuse
of his powers,
and he passed out.

CHAPTER 30
reset

I... huh?

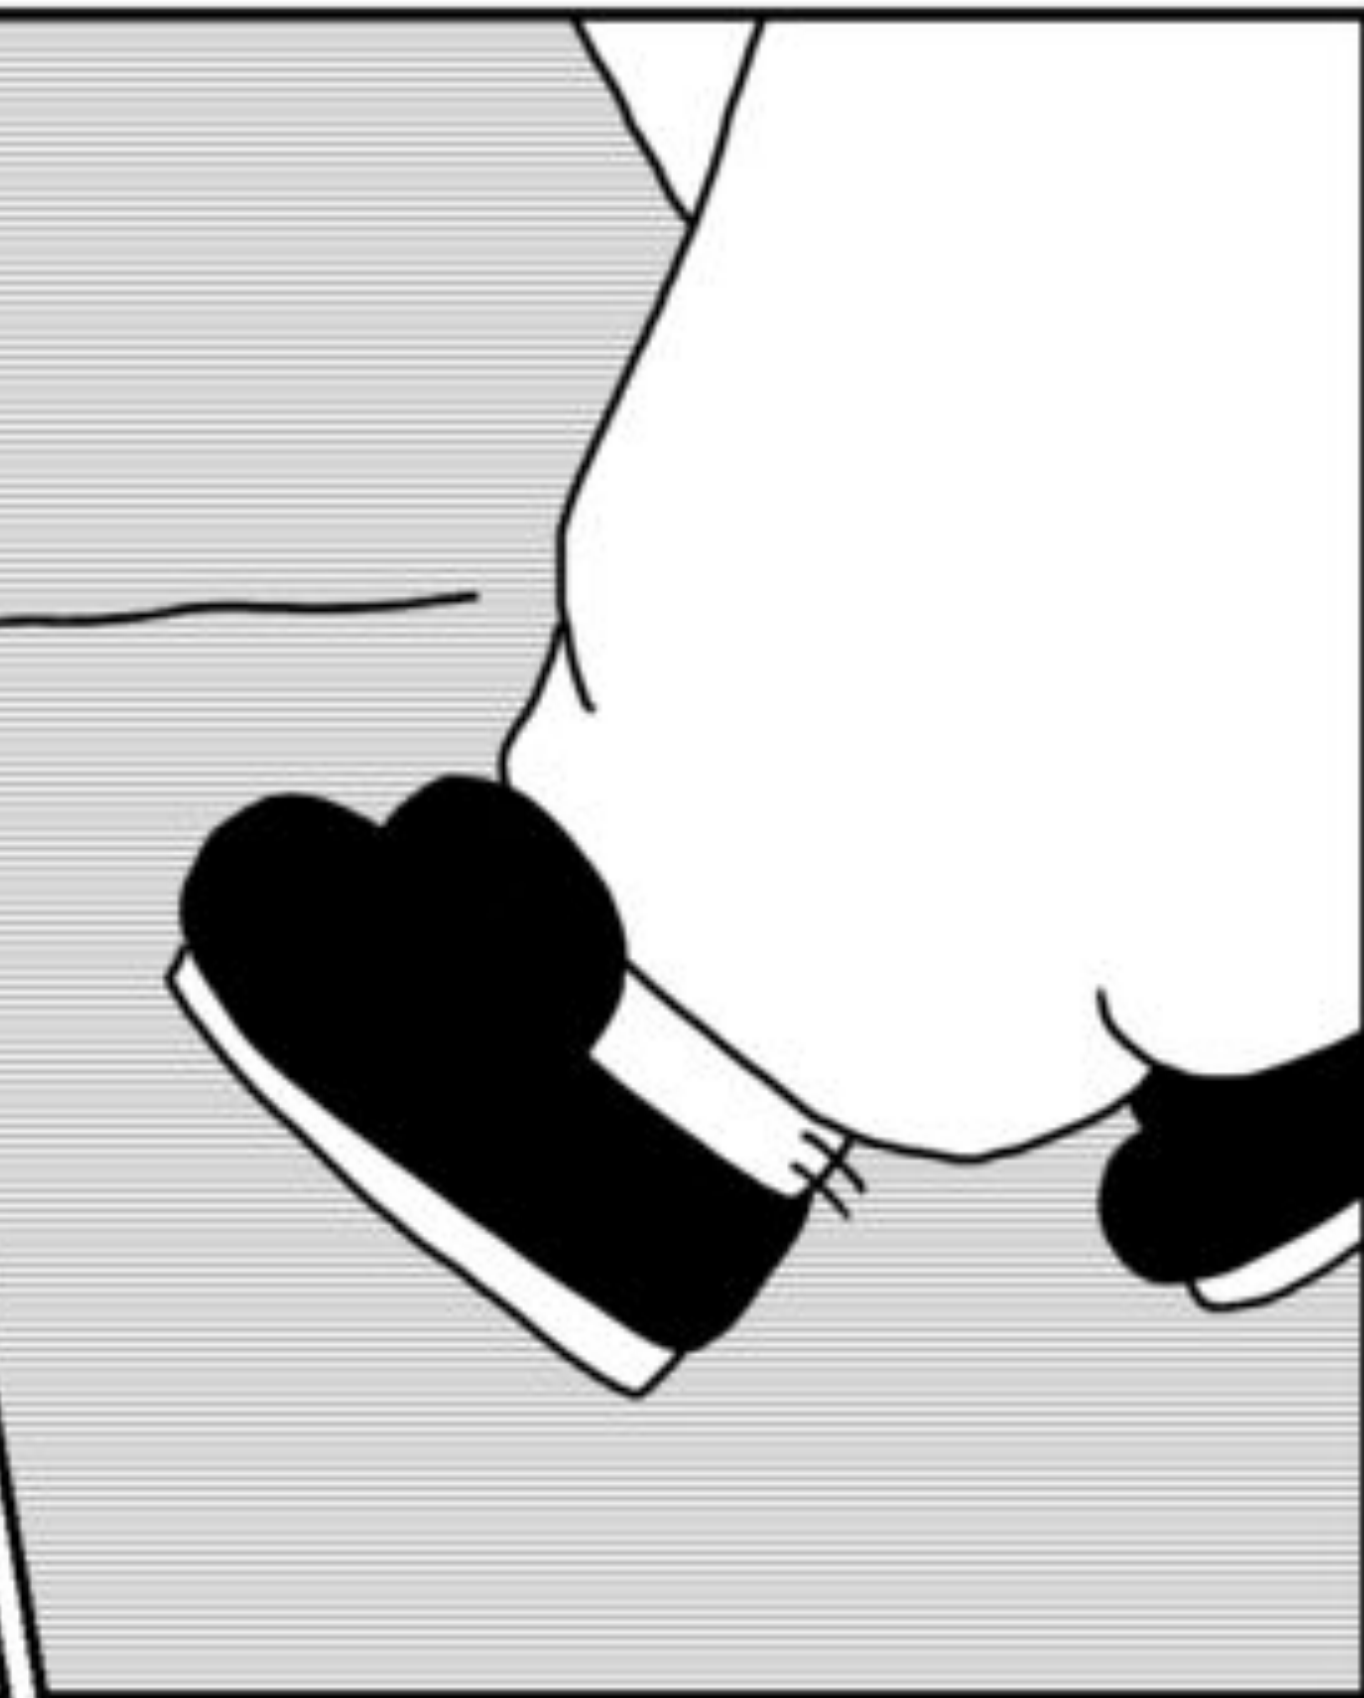

Wait... we're alive?

Whatever curator
tried didn't work, I guess

Lamento haberte involucrado en esto, papá.
Pronto te enterraré en flores de jacinto ...

I'm taking this to remember him.

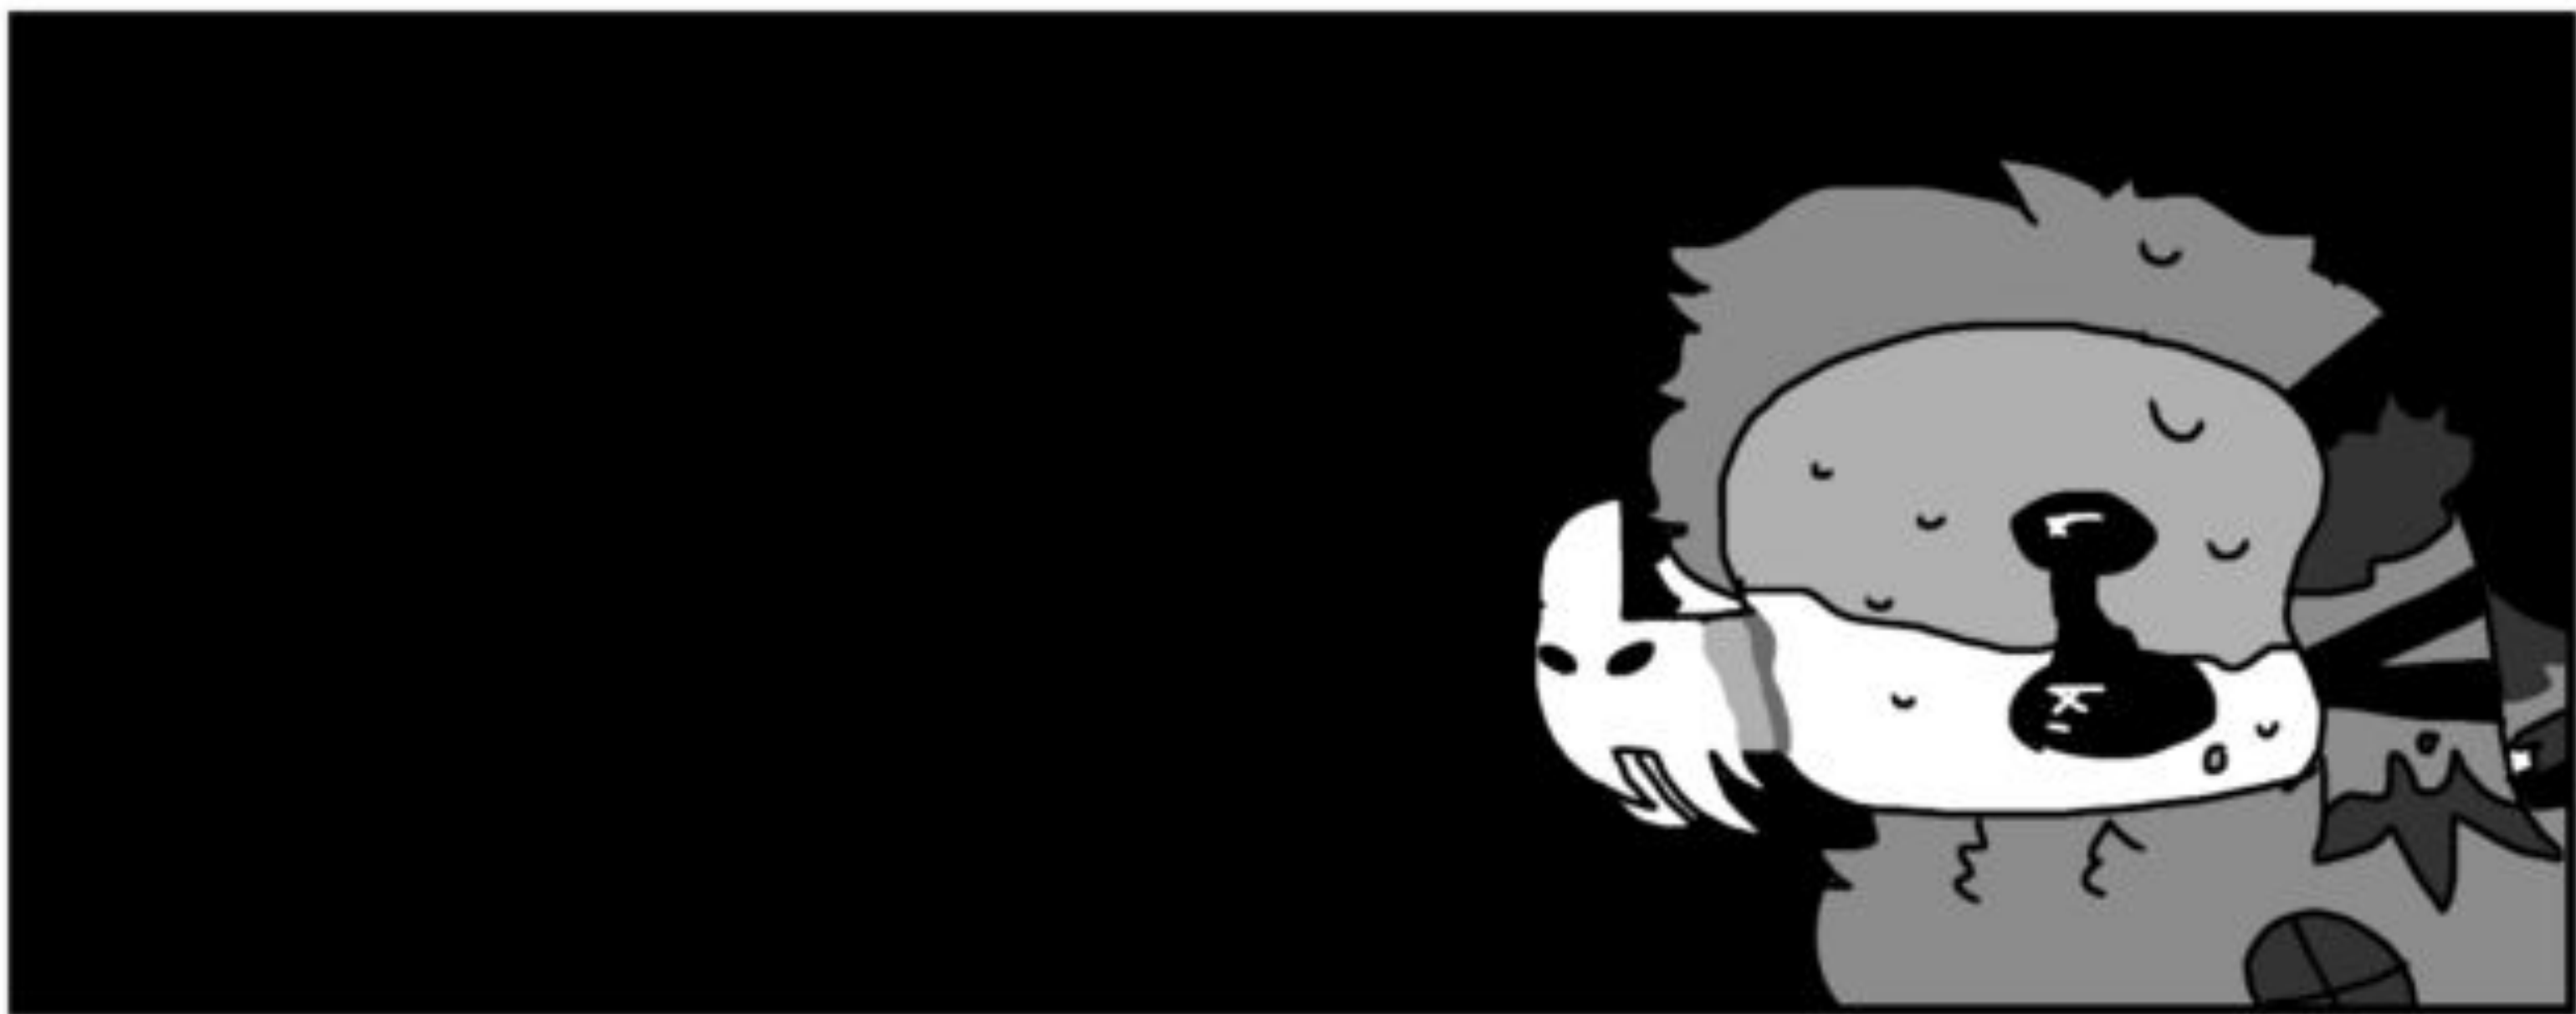

if I can get the chance later, I'll take his body and bury him. He deserves a proper funeral.

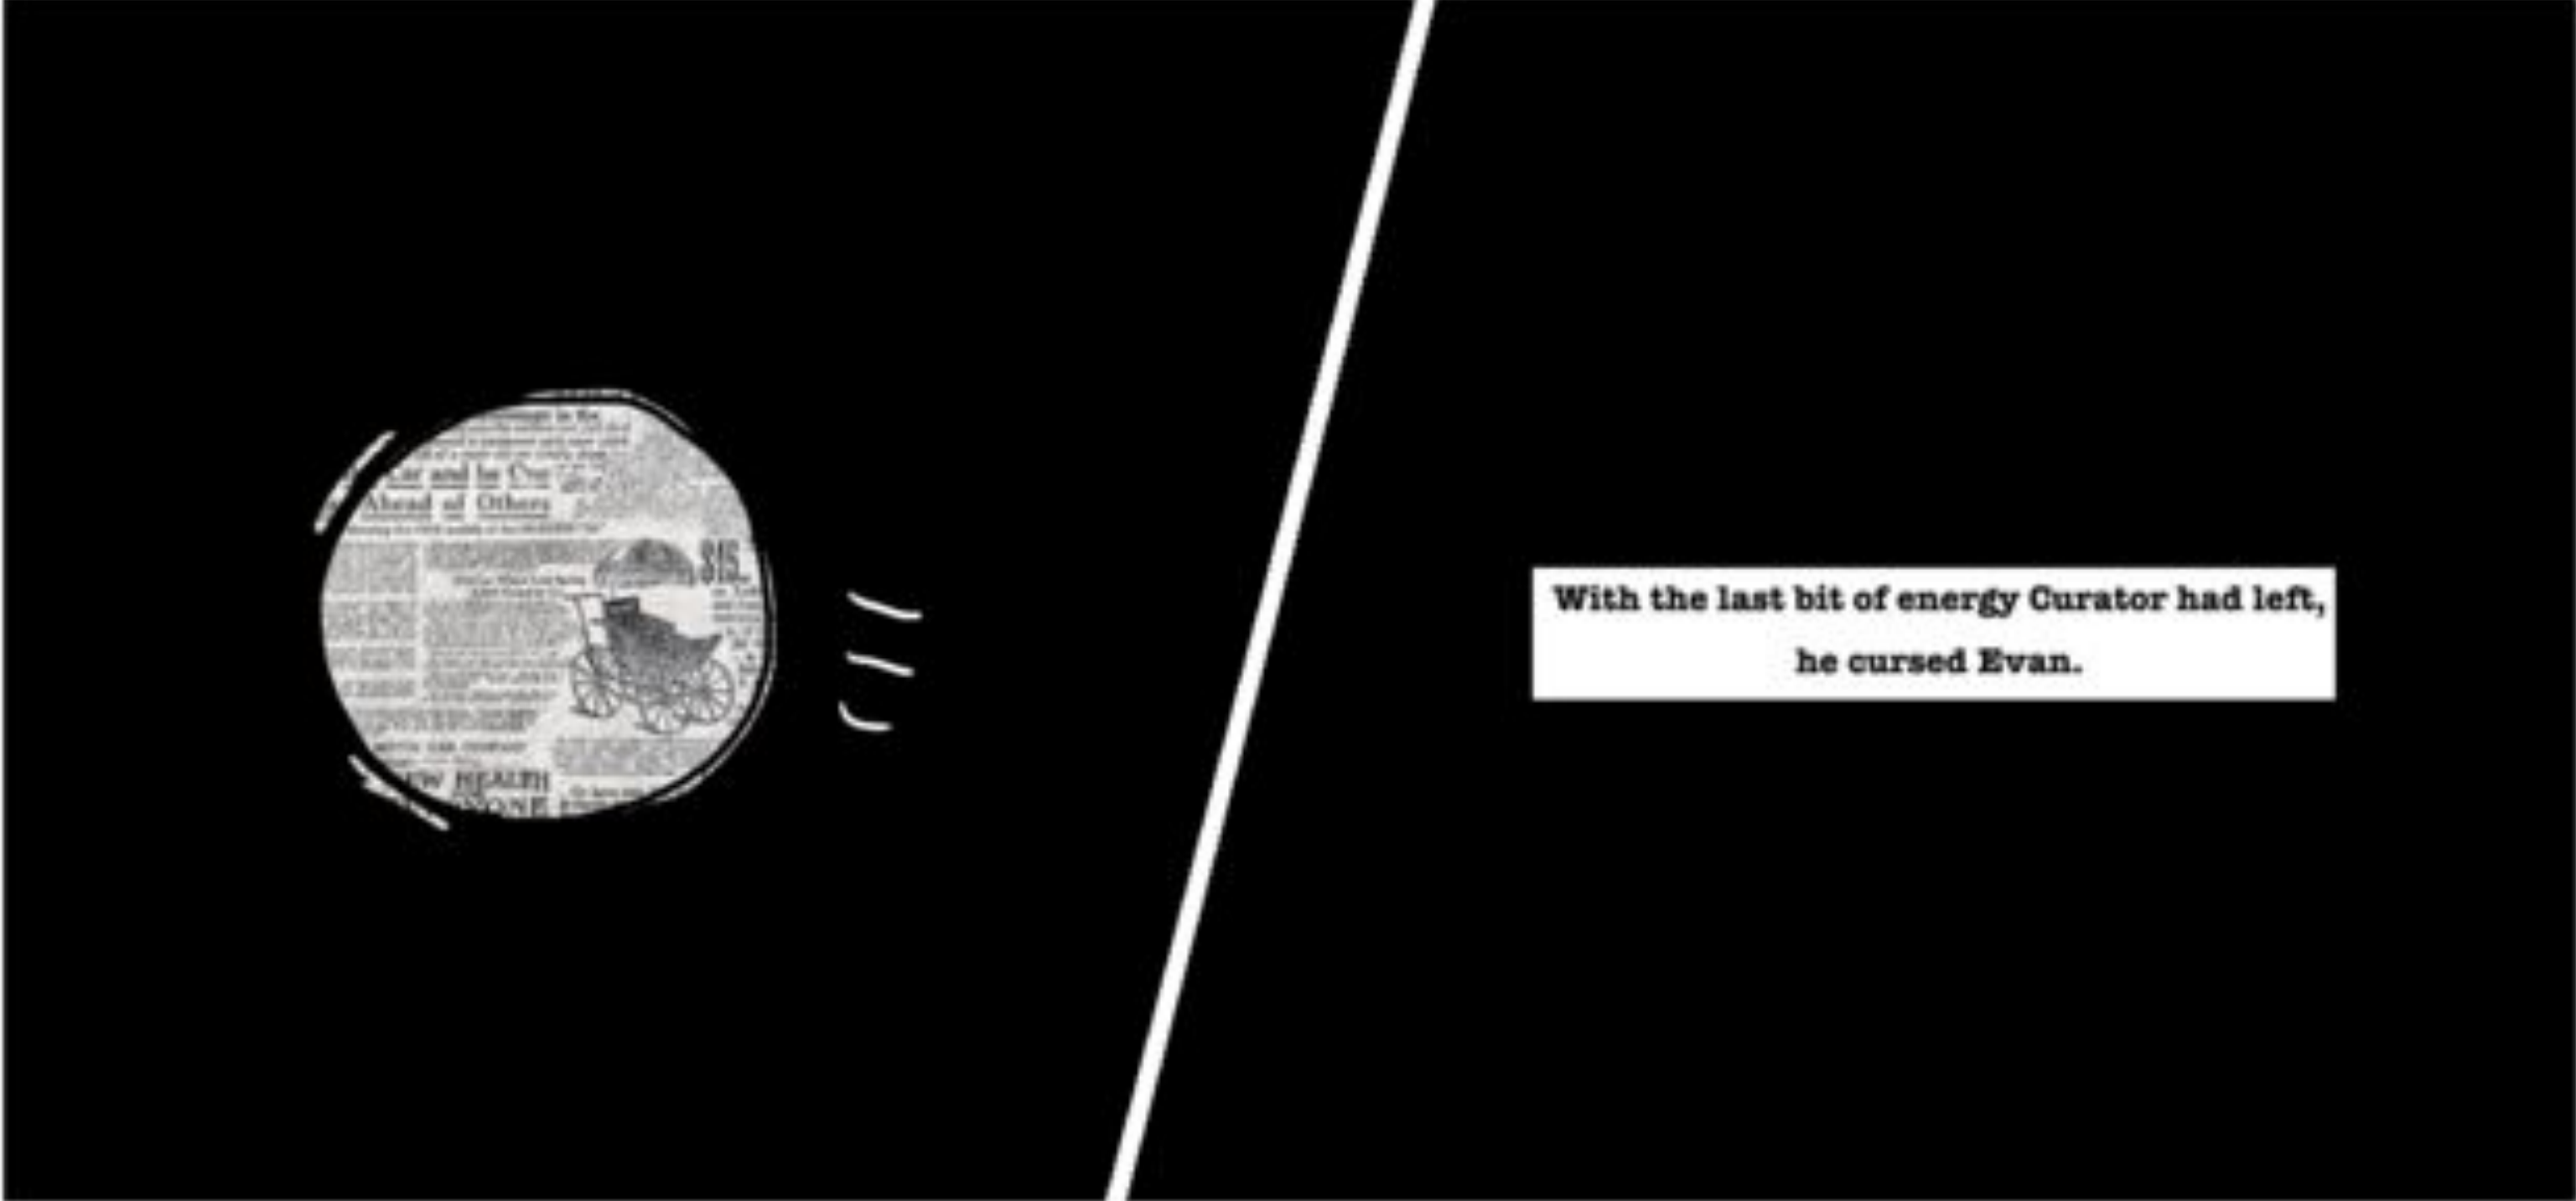

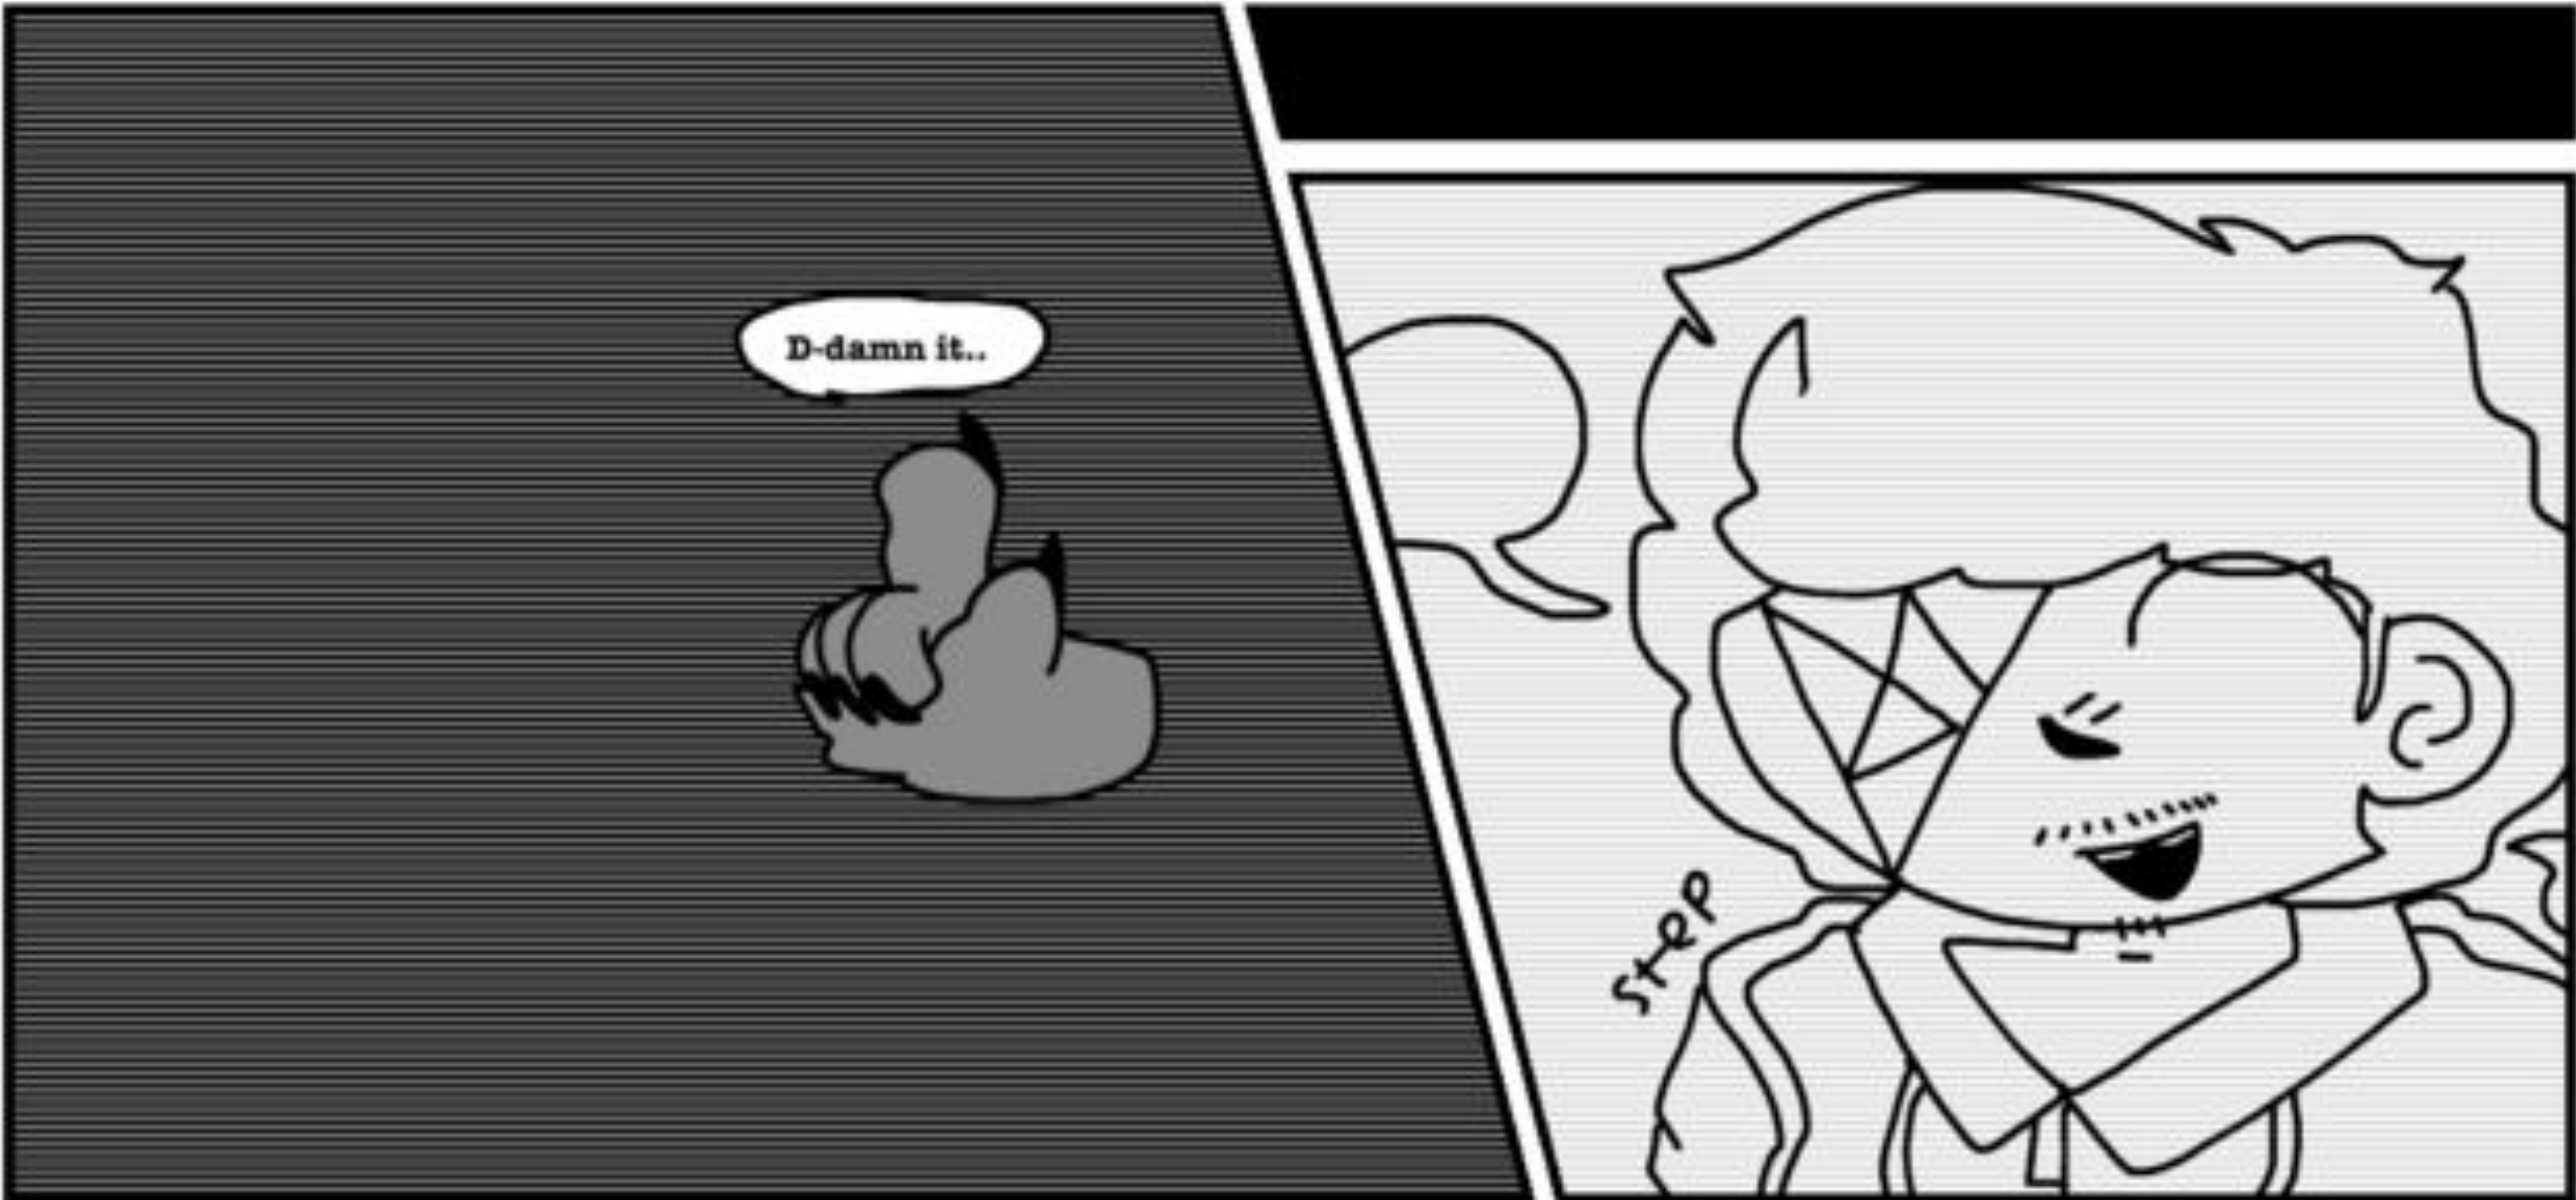

Yes, he does. He was a good man.

Pebis - 4

Pebis is the second character ever made for hue. He originally was gone be a little sidekick dude for Evan, but I decided to give him an actual personality.

He originally was supposed to be the one who destroyed Evan's eyes, but I decided to not have that... now Evan's eye was removed by a spoon when he was an infant

Yea...haha... it's weird...

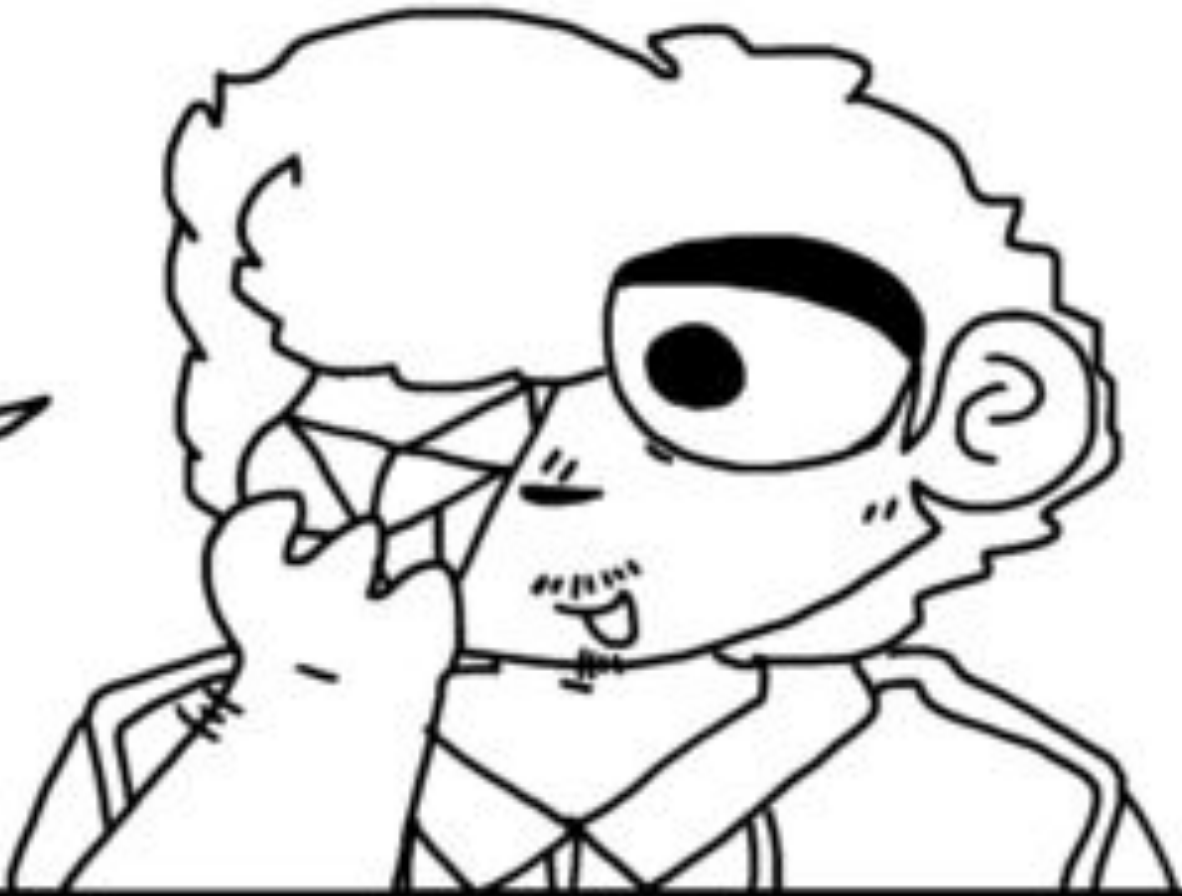

You're gonna love my gift, Pebis!

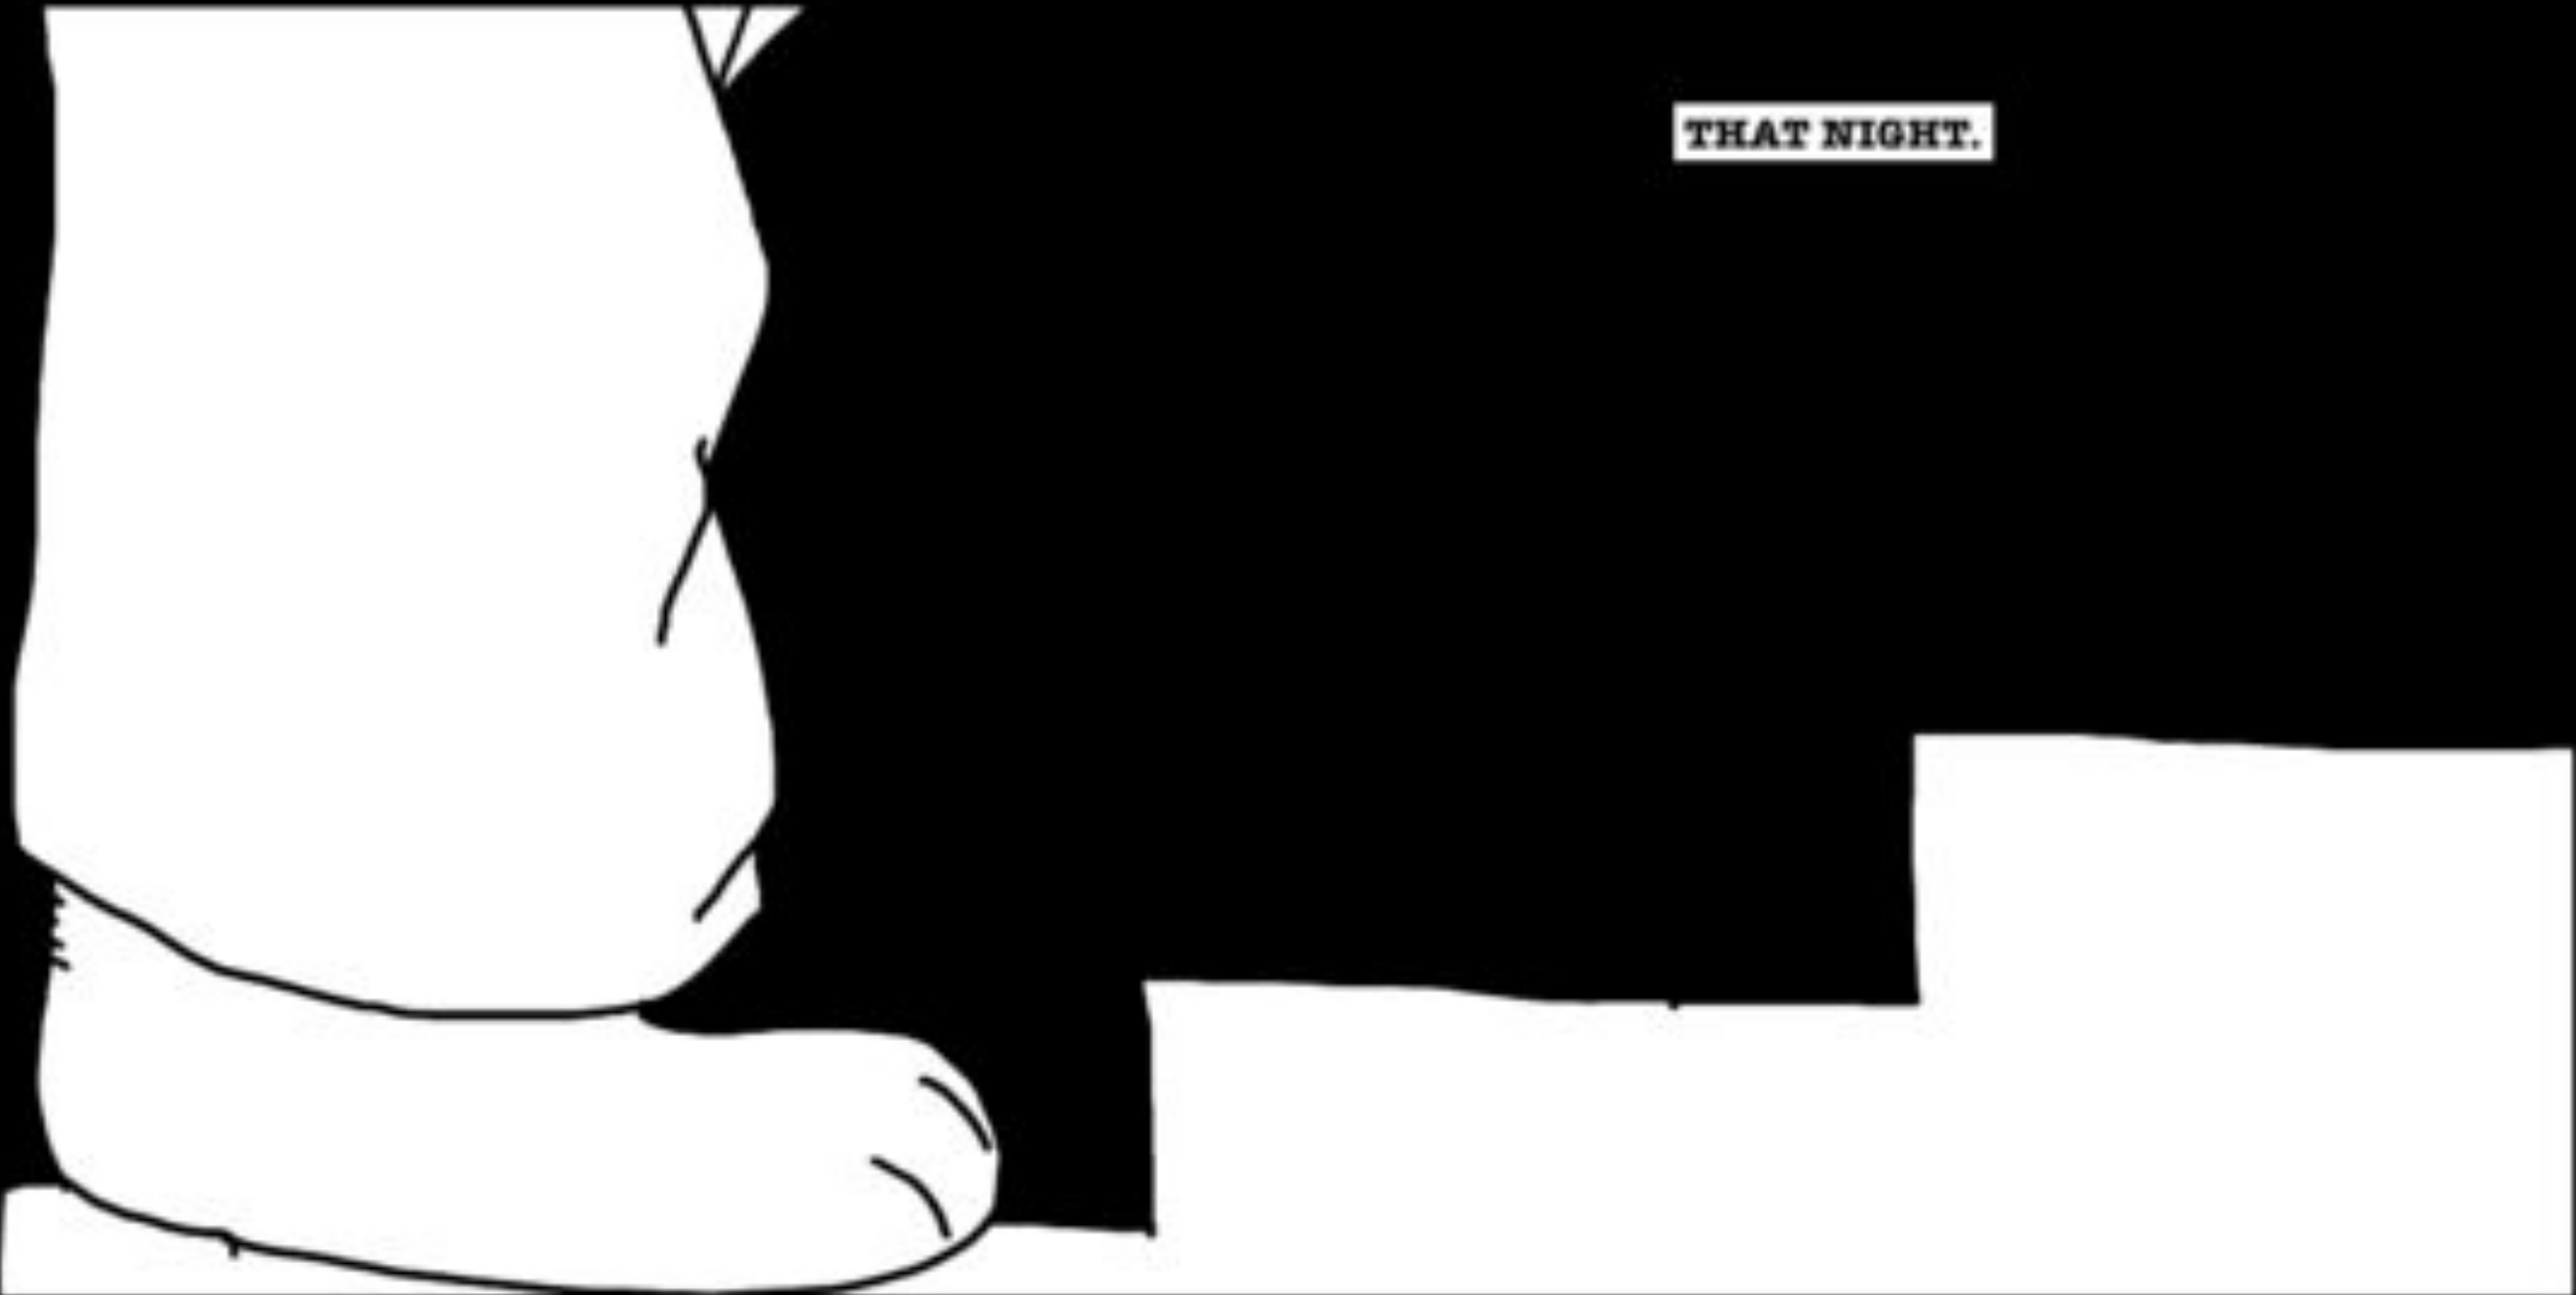

Your gifts are always cool...

And they all had an awesome time!
